Re: Yes, this is Jack Weinzierl...

I just spent a couple minutes reading SBM's posts and I want to vomit. The fact that he thinks the writer was fair and truthful in his article is laughable. SBM, keep labeling others as goons and crooks. Come on out of your rat holes and share your names and credentials.

Unlike all of the misguided bashers on this thread, I will use my own name, although you will not find me spending time in "Scared City" – the home of the few fear-filled inhabitants who dwell in scam.com. If they continue to post their blatantly ridiculous lies, I will continue to repost this message. The simple fact is that this particular blog site is home to a handful of cowards who hide behind their anonymous monikers, believing they can state anything and get away with it, regardless of who it hurts and regardless of the truth - an extremely sad commentary clearly exposing the absence of any redeeming positive or productive direction in their life.

The owners of scam.com love posters to get caught up in negativity - playing out their anger and hatred – each posting drives their Google Adsense revenues sky-high. The posters are unknowingly working for the foreign owned scam.com and the owners don't even have to pay them. What a smart business model for scam.com!

It is sadly humorous that one of the negative posters on this forum has actually in the past two weeks tried to recruit me into two of his network marketing businesses, and when I mentioned I wouldn't be looking at another opportunity due to my commitment to AC, his response was vile, putrid, filth-filled language.

I will not stoop to a debate at this blog which provides a piling-on of people who attack the network marketing industry, marketplace ministry, Advantage Conferences, Tim Darnell and me personally. The choice between the AC environment and the scam.com environment is truly night and day, darkness and light.

I have learned from first-hand experience that with success comes persecution from those who are not successful - we could write a book on that alone. I encourage those who want to know my heart, purpose and passion, please visit and subscribe to my Blog at <http://www.jackweinzierl.com>.

First of all, I am an independent representative of Advantage Conferences and have been for almost 2 years now. I will be building this business for the next 10+ years, as I could not believe more strongly in the power of AC's ongoing mentoring products and this opportunity. I was the president of two prior companies, including a defibrillator company and I have my MBA from Golden Gate University. There are many other things I could be doing in corporate America. But any other pursuit would not come close to matching what is available at AC. I am purpose-driven and passionate about this powerful and special venue and company.

Do I expect those on scam.com to understand this? Of course not. Do some Internet searches about their lives and find out the real truth – unsuccessful people who have nothing better to do with their lives than to attack someone else. We know who they are, and rather than try to improve, contribute and encourage others, their lives are about “put-downs” and negative assertions.

That is not at all the subject of the culture and content found at Advantage Conferences. No way. It is just the opposite, and I have never been more excited about what we are doing as I am right now, today. Not only do we not participate in their destructive focus, I am also glad that we do not focus on the luxury boats, cars, homes or travel on our sites. There is nothing wrong with any of those items and we have been blessed, but we are blessing to be a blessing to others. We are not looking for those seeking a “get rich quick” situation, although someone can do very well with this business in relatively quick fashion if they choose to be positive, focused and consistent with their marketing.

If it has been a while since you have reviewed our value proposition, you really should review the enhanced Getting Started E-Package. This is ongoing Mentoring through several mediums: Conferences, Tele-Mentoring, Wealth of Knowledge DVDs, Millionaire Mindset CDs, Designed for Success Seminars, and other products. There has NEVER been a product purchase required to be an Advantage Conferences Representative and if you have listened to the call, we are very clear - if you are looking for a “get-rich quick business or if you do not value ongoing mentoring, DO NOT join us. We also never ask a candidate what, if any product they are purchasing. We are also the only company I know in this entire industry that requires an interview to be approved prior to enrollment. I have had many candidates that were not approved over the past two years.

No one on this posting board that apparently has nothing better to do than bash Advantage Conferences or me personally, will recognize the value proposition that we provide. Whether a person ever builds this business as an income source, that is their personal decision. Many are plugging into our conferences, CDs, DVDs, Tele-Mentoring calls, as well as the personal mentoring available Monday through Saturday. They also are able to go to ongoing conferences at 90% off and you can read from many that have attended multiple Millionaire Mindset Conferences at <http://www.advantage-conferences-tr...om/testimonials>.

To answer a few of your questions, or misguided posts.

1) I see that SBM is suddenly interested in my wife's wardrobe. My wife has never owned a fur of any kind, not that I have a strong belief there either way. SBM is simply trying to throw every negative thing she can to accomplish some misguided agenda. I guess she is closer to Dr. Jon

that we thought. Sure SBM, you are just very good friends.

2) The Hummer is owned, not leased. Once again – absurd negative posts just piling on. I am sure SBM has an issue with a Hummer too. Well, when you work from home, you don't drive much, so no worries on the gas usage and environment, SBM.

3) Yes, I build another business and probably will have several others over the next 10 years. I am an entrepreneur. With that said, I commit 95% of my time to my Advantage Conferences business and marketplace ministry.

4) I love and respect Tim Darnell. I have served in various leadership positions in traditional businesses, as well as network marketing, and I have nothing but the highest regard for Tim Darnell. Tim has been very transparent in his book, Slay Your Giant about some of his past challenges, and I am proud to consider him a friend, mentor and brother in Christ. He has made tremendous sacrifices and has a servant's heart.

5) For the one or two people on this board that have actually been involved with AC, I am sorry that you did not have a good experience. I have never seen a company that was right for everyone. The only way to lose in any business is to quit; and not everyone is ready to accept Mentoring. Pride often gets in the way and quite frankly, it is much easier to quit and blame others. Transfer the guilt of quitting and not making something work to someone other than yourself – happens everyday. There are scams out there, but much of scam.com is simply full of folks who play victim wanting to blame others for their own failures.

6) Our products begin under \$50 with SYG audio and The Millionaire Mindset Collection CD for \$130.00, and WOK at under \$500.00. The people on this posting board continue to focus on one conference and also fail to recognize that no product purchase is required.

7) If you believe the writer in Houston did a good job in his article, well, you have the right to think that. If you value a writer who uses profanity and tries as hard as he can to shade and denigrate everything he possibly can find about someone or a company, with no inclusion of the good that is going on, then you should let his ridiculous article guide your future. I encourage you to look at the source, just like you would at scam.com. Find out the caliber and style of reporting done by this source. It's all the same "tear down", destructive mindset that can and is directed at virtually any positive organization, especially if they are bold enough to proclaim the name of Jesus as Lord of their life. Any person with any degree of intelligence would see through either of these gutter venues immediately.

If you choose to proclaim your faith in Jesus in a public forum like your business, you'll see what happens. I can already hear Bigfranky and others on the attack. Well, six people accepted Christ on Friday of this week alone through the efforts of this marketplace ministry. That is occurring every week – but perhaps the posters don't value that either. If they did they wouldn't be involved in the libelous and slanderous talk that dominates their posts.

"Solomon states in Proverbs, "He who gets wisdom loves his own soul; he who cherishes understanding prospers." He also says, "Plans fail for lack of counsel, but with many advisers

they succeed". Those two verses are powerful, yet only a small example of wisdom found in the Word of God – teaching that is more relevant today than ever. Advantage Conferences is a dynamic marketplace ministry that provides ongoing Christ-centered mentoring for entrepreneurs and business owners, as well as training for corporate employees."

It is often stated on the posts that these must all be "new" people when the average person here has been with Advantage Conferences for a year or longer. The following are examples of a few of the testimonials that were sent to me in the month of January, 2007 alone.

"I am so thankful that the Lord has brought me to Advantage Conferences. I am thankful for my friend, Fellow Christian and Mentor, Jack Weinzierl. His constant encouragement, kind words, leadership skills and faithfulness to the Lord are an example of a true servant of God. He always has the team's best interest at heart and demonstrates it by his sincere commitment and Christ like influence. God is blessing him and this entire company because of dedicated leaders like Jack who have a passion for service, a greater desire to bless the Kingdom of God and a constant reaching forth for all of the promises of God to them that believe in the Lord Jesus Christ." Pastor Ron Acker, Advantage Conferences

"Jack, I just want to take this opportunity to thank you for your Christ-centered, truth-focused mentoring and encouragement you've given to me in my Advantage Conferences business. My life has been much improved thanks to your friendship, leadership, and passion for others. I'm grateful to know you and I really look forward to working with you in the years to come. Thanks for all you do for me, and many others. God bless!" Jordan Goode-Mulson, Advantage Conferences Representative

"Just a little over a year ago, the AC door opened to me in the middle of the night, and I connected to Jack Weinzierl. There are no accidents in the Lord! From my first call with Jack when he assured me that we were in a relationship-building business, to my initial jitters

learning to market in a cyber dimension, to his creative mentoring, and depth of insight into helping me develop the best that God has placed in me in this season of my life, Jack has been ever present, ever patient, and ever compassionate. Now, because of Jack's mentoring, I am blessed to mentor others to change their lives to live more fully for the Lord and to grow wealthy and healthy from the inside out..offering hope and a way forward through our Christ-centered mentoring company."

"Jack and Stephanie have a true team in their marriage, and they have achieved their desire to work and minister together from their home, while homeschooling their children. Their home is a lighthouse--one of the houses that will change the world! Jack's leadership is empowering; he meets you where you are, no matter what you have been through, and he sees the "gold" in you. He adds his deep applied faith to yours, and you begin to flourish! I am so delighted to call Jack my mentor, my brother in the Lord, and my friend. I would not be expectant about my future in 2007+ were it not for the divine connection to Jack Weinzierl...a gift from God."
Leslie Garrard, Advantage Conferences Representative

"Jack Weinzierl's amazing leadership has lead to industry breakthroughs. Proud to be on his team." Eric Standlee, Advantage Conferences Representative

"Jack Weinzierl is a highly qualified leader, trainer and coach. He completes large and small projects in very short timeframes. His professionalism, knowledge, team building, Internet skills and Christian Faith is being recognized and rewarded by the Founder and President of Advantage Conferences." Ken Curry, Advantage Conferences Representative

"We personally know Jack Weinzierl to be a man who sincerely exudes integrity. Both Jack and Stephanie Weinzierl's focus and purpose have been consistently inspiring to our family. We have grown through our relationship and look forward to doing so for years to come." Mike Melvin, Advantage Conferences

"Jack Weinzierl is a man of many fine attributes. His professionalism, integrity, honesty, humility, faithfulness, and endless service to our mission at Advantage Conferences as well as, and even to a greater degree Our Lords' Great Commission is unparalleled. We are blessed to working / serving with Jack in our marketplace ministry, and are honored to be considered his friends. Jack, thank you for your inspirational leadership, mentoring, and your continual commitment to help improve the lives of all those around you." Sam and Gina Imburgia, Advantage Conferences Representatives

"Jack Weinzierl is one of the most dynamic people that I have ever had the pleasure to work with. He is is an amazing leader and marketer, and gives 110% to each and every project and person that he works with. Even under the most stressful situations, Jack has the ability to calmly create a positive outcome. I could not recommend a person more... as a friend or a colleague." Barb Kardokus, Advantage Conferences Representative

"Advantage Conferences has many talented and selfless leaders. But each AC Representative owes a debt of gratitude to Jack Weinzierl for his unending efforts in behalf of all of us. He willingly shares his time, expertise, instruction, inspiration, and wisdom with each of us through his training website, training calls, mentoring calls, opportunity calls, 3 way calls, and

emails. Jack Weinzierl truly exemplifies servant heart leadership. Thank you Jack.” Illa Bong, Advantage Conferences

"Jack, Thank you for your international support! Advantage Conferences is a truly Christ-centered organization and I am thankful daily for this opportunity in my life. Jack Weinzierl has such humility and is a profound and wise teacher, the inspiration he gives us all is incredible. May you continually be blessed, as you bless others." Catherine Mc Lean, Advantage Conferences

“ I always considered myself definitely more in the "follower" category. However, because of Jack Weinzierl's leadership, mentoring, training and by his example and encouragement, I now see that each of us is also destined to be a leader and to do great things. To my total astonishment, I am beginning to see myself as the leader God desires me to be. There are not words in the English language that sufficiently express my gratitude, so simply, thanks Jack.” Linda Pender, Advantage Conferences Representative

“As we run our marathons of life & business; Jack Weinzierl provides that needed watering station through his tireless devotion.” Tony Brown, Advantage Conferences Representative

“I have been blessed to know and work with Jack Weinzierl over the past year. He embodies the spirit of servant leadership in everything he does. He has successfully used his formidable business skills to glorify God and further His Kingdom, and he is teaching me and so many others how to do the same. I look forward to many years of professional and personal friendship with Jack, as he is the kind of genuine and compassionate person with whom I choose to associate.” Scott Whited, Advantage Conferences Representative

“Jack Weinzierl has provided THE most motivational assistance that one could ask for when beginning at Advantage Conferences. He's prompt, spirit filled, always suggests the best options for all of my concerns in a kind professional way that would please God himself. How blessed I am to be on his team.” Hamilton Clay, Advantage Conferences Representative

"I know Jack Weinzierl to be a sensitive, caring, Christ-centered individual. His wisdom and influence has had a profound effect on my life and my business. He has been instrumental in helping me develop a close walk with the Lord. He is transparent and he leads by example. I thank God that Jack has become a part of my life." Terry Latimer, Advantage Conferences Representative

“Jack Weinzierl has been very supportive in a time of need. My mentor, Don Goldstein, is battling leukemia and Jack has been wonderfully helpful and shows that this company believes in and lives teamwork. We don't just say that we are Christ-centered, we put that into practice.” Steve Horten, Advantage Conferences Representative

You can read specific testimonials on our Millionaire Mindset Conferences as well as our ongoing mentoring at <http://www.actestimonials.com>

So, I'm telling you blatantly who I am. The attacks are ridiculous and certainly satanic. The

attacks reveal much more about the lives of the anonymous posters than they do mine or the others they feel compelled to direct their venom at.

How about this challenge – why don't the hate-filled, cowardly posters reveal their true identities, phone numbers, pictures, addresses and testimonials about their life. They won't – nobody would dare make such ridiculous comments exposing how low they really are. I say to them - come on out and reveal yourselves. The world is waiting. Perhaps you would like a reporter to do a hatchet job on you to write an already pre-disposed slanderous letter for others to see when they pull up your name.

It takes no education whatsoever, although it does require a total lack of decency to come up with the filth that the handful of scam.com posters apparently thrive on. If you are looking for truth, goodness, encouragement, or anything righteous and Godly, you'll not find it there.

the problem is you continue to spread your lies instead of posting facts. c'mon jack! why dont you address the issues that have been brought up?

stop ignoring my posts. you have a way of not responding to my posts. i think i know why you do.... and i think that you do too....

i am the master of spin? please! i dont see anyone on these threads state that they dont see the benefit of ongoing mentoring.... we just cant see how someone with morals could have the audacity to charge \$10,000 for it. i have a many mentors that i look to for guidance on at least a weekly basis.... and yes, i have a protege relationship as well.... and i could NEVER have the nerve to charge this person for my guidance. and none of the people that i look to would ever ask me for money in exchange for their advice. only a classless piece of trash would do that.

someone with questionable morals in my opinion....

so Jack, keep ignoring my posts and the points that i bring to the table... it seems to be your modus operandi...

i honestly dont know how you sleep at night or look yourself in the mirror.

Jack, one of your fundamental problems is your honesty, or lack thereof... i dont believe the above statement. i simply do not believe it. i think that you are lying.

if you were being honest, how can you say to someone in such an absolutely condescending and insulting way tha tyou were praying for them.... unreal that you call yourself....oh nevermind, why bother...

to say to someone that they arent making a difference on this planet is just about the most unChristian thing i have heard... even out of your mouth.

(let me guess, you are going to search my past posts to find insults that i have posted....? thats fine, waste your time, you will be comparing apples to oranges as usual my sorry friend.)

Wake up, that comment was about that fact that I work from home. We homeschool as well and that is about the only thing I have in common with SBM. Raising and taking care of children is the most important job and once again, you are a master of spin. SBM spends her days posting for the benefit of the owners of scam.com so it appears she does have a full time job, albeit maybe not paid, maybe so?.....

I just spent a couple minutes reading SBM's posts and I want to vomit. The fact that he thinks the writer was fair and truthful in his article is laughable. SBM, keep labeling others as goons and crooks. Come on out of your rat holes and share your names and credentials.....

Jack, Jack, Jack,

I devoted many paragraphs to discussing the issues of fraudulent earnings claims you, Timmy and Advantage Conferences made and calculating the number of reps to fulfill those minimum earnings claims. I have exposed the bogus charities AC used to list, discussed Timmy's many other scams and schemes and gotten endless threats of lawsuits from you knuckle heads. I have made the information in the BBB request for summary judgement and Tim's Affidavit filled with embarrassing revelations available to the public. Your response to all the issues raised is the pitiful drivel I quoted above.

Point out anything in Craig Malisow's article that isn't factual and back it up with some documentation. Craig went right to us scambusters here and all the actual source documents to write his very informative and incisive article.

For the millionth time I am not paid and would never accept remuneration for educating folks about scams like Advantage Conferences. Unlike you I would never charge folks. I truly have a desire to help folks. I am not money grubbing slime and can say I am honestly trying to help make a difference on this planet by educating folks about the real facts concerning your venture, Jack, you needn't pray for me. Spend some time ruminating on the hundreds of reps you have that are out thousands of \$\$\$\$\$ and have been irreparably harmed emotionally and financially by you.

There is no way to make an intelligent response to what Timmy was forced to concede in the court case that he foolishly filed. All his frivolous suit did is back up every word of truth we scambusters had been saying all along. You can continue to work on brainwashing your desperate recruits that are left, but no one who reads these pages will sign up for your scam as it is obvious from Timmy's silly lawsuit what a lying bag of poop he is. Any shred of integrity or dignity you boys had left went down the toilet with that horrendously expensive and totally bogus lawsuit.

So, Jack it is about time you address the real issues surrounding this bum venture, because the savvy folks here aren't buying the tripe you're typing. It is a complete waste of space and our time to read those rubbish testimonials over and over again. Your desperate reps will say

anything to keep this scam going long enough to recoup the 10 grand+ investment they have made in this scam.

Re: Watch Out for 7KAdvantage/Jack Weinzierl is an EVIL Rat! Liar and Scammer!

Well Bigfranky, between our call that had 100 team members, my two blogs with close to 240 subscribers, and my Ryze network, we probably had 200+ praying or SBM and others on this board. It is becoming apparent that you cannot discern the truth and I have built my career and life on always telling the truth.

I am not perfect, but I am forgiven. If you take the time to read what my team members have repeatedly shared and what I have shared, you may begin to recognize the truth. You can continue to follow SBM around to Melaleuca and other boards. I still see everyone here hiding behind a screen name. If they are so confident that they know the facts, come on out here and join me so we can look at your past, your mistakes, and your success path.

Re: Watch Out for 7KAdvantage/Jack Weinzierl is an EVIL Rat! Liar and Scammer!

Soapboxmom, you are quite delusional and which is it? You are making six figures, but you are a stay at home Mom, home schooling, but spend all day and night on scam.com. It is you who has an integrity issue.

"Craig went right to us scambusters here and all the actual source documents to write his very informative and incisive article."

Simply delusional to think that is anything more than a hatchet job. Craig ignored so many facts and dozens of testimonials about the product and the lives being changed through this mentoring. BTW, I met with someone at Starbucks two Fridays ago and during that mentoring session, I gave them a product for their roofing company that could exceed \$500,000 in income for him this year alone. Yes, the value of our ongoing mentoring is beyond calculating. Would that two hours be worth \$50,000. You better believe it if it produces a profound change in his business. In your limited, Berkeley-esque mindset, I do not expect you to get it. Your Hummer and money grubbing comments speaks volumes about your personal beliefs. I have no idea how you can sleep at night quite frankly. Once again, keep hiding behind your screen name.

There is no "East Texas College", but I am glad you read the Melaleuca thread. I did graduate from college and have many graduate hours. What I wrote on the Mela thread should keep you busy pondering your industry for quite some time and demonstrate how carefully I research and calculate.

"As I homeschool my kids in a household with a six figure income, I can blog against egregious scams such as this. We are not earning our living conning folks out of their hard earned money with blatant lies," is what I said. So, my dear and very talented husband has what you MLMers call a Just Over Broke, but curiously he is making a very nice living and enjoying excellent benefits. You need to choke on that for a while as well, my scamming friend.

Testimonials coming from folks hawking a product in desperate hopes of recouping the thousands of \$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$ they have lost in a scam are meaningless. No one who has lost \$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$ can hope to be objective. They will do whatever they have to to recover their staggering losses.

Re: Watch Out for 7KAdvantage/Jack Weinzierl is an EVIL Rat! Liar and Scammer!

there are truly some low-life scum on the face of the earth.... and to prey on someone using their faith against them is absolutely evil! which is why i am so against the AC business and Jack Weinzierl.

i know that many have probably already read the article in the houston press about tim darnell and his evil cronies. this article is often referred to on this site and really went a long way toward exposing this horrible AC business for what it is.... a haven for thieves, pedophiles, ex-convicts, and the like.... it is an absolutely EXCELLENT read and truly eye-opening. it goes into MLM in general, not only the evil history of tim darnell and his past endeavors.

to view the article, i have it set as my homepage in my profile... simply click on my name and highlight the "view my homepage!" option.... please let us know what you think.

i know that it really isnt a laughing matter at all, but when i read that tim's DAD was one of the "coveted speakers" at this "\$10,000 to attend" conference (the AC "flagship product"....just that statement alone is laughable)...i almost choked and spit coffee all over my imac!

seriously Jack... how could you peddle this business "opportunity" and call yourself a Christian? or do you follow the Mormon doctrine? not that there is anything wrong with that, i was just surprised to see that tim darnell has ties to Mormon leadership in his past businesses.... please elaborate.

Re: Watch Out for 7KAdvantage/Jack Weinzierl is an EVIL Rat! Liar and Scammer!

i would like to commend everyone for keeping this thread "alive".... if one should google Jack Weinzierl's name, this is the third site that pops up. lets keep it going. and move it on up to number 1!

it is very important to keep the popularity of this site at the top of the google search engine, that way, should someone even consider going into business with this unethical man (either jack OR tim darnell), when performing their due diligence they will come across this site!

anyone with half a brain would have second thoughts once reading some of the unbiased testimonials on this site as well as the experiences that others that have been scammed by this man have shared in this community!

for those of you performing your due diligence, please search (within this site "scam.com") for Advantage Conferences for more information on Jack Weinzierl and Tim Darnell...

most importantly, and i mean this seriously and sincerely, please pray to God for wisdom, discernment, and guidance before signing on to do business with this man. your money and your family could very well hang in the balance! for additional info, feel free to PM me.

I suggest you quit wasting your time praying for me and pray about refunding all your reps their ten grand plus expenses they have been maliciously conned into spending. Get into an honest business where the people under you that are in the business at your behest won't lose their life savings.

God may forgive you, but the reps whose lives you have ruined financially and emotionally may not. I have never made money at the expense of trusting, Christian folks using religion as a means to con them out of their life savings. Our family is successful because we are all hard working, well educated and honest in our dealings.

I commend BIGfranky for working so hard to warn people away from opportunies like yours, Jack. I will do everything I can to get this to the # 1 spot on Google for Advantage Conferences, Tim Darnell and you scammer!

Bigfranky, I am amazed that you call yourself a Christian. The amount of junk you just spewed from your keyboard in that post is very sad.

SBM, I continue to keep you in my prayers. I have a business and ministry to build. BTW, from what I can tell I have 8 new subscribers to our Marketplace Ministry Blog at <http://JackWeinzierl.com>. Truth and light always win.

"For the eyes of the Lord are on the righteous and his ears are attentive to their prayer, but the face of the Lord is against those who do evil. Who is going to harm you if you are eager to do good? But even if you should suffer for what is right, you are blessed. Do not fear what they

fear; do not be frightened. But in your hearts set apart Christ as Lord. Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect, keeping a clear conscience so that those who speak maliciously against your good behavior in Christ may be ashamed of their slander. It is better, if it is God's will, to suffer for doing good than for doing evil." I Peter 3: 12 - 17

What a reflection of the hearts of the bashers on this forum. Yes, I am proud to be associated with Tim Darnell.

CuriousinDallas, are these the kinds of associations that you are proud of? I think not, but your anti-networking bias blinds you to what is good. Have a blessed week all.

Wishyouknew, here is what is really laughable. I just noticed that AC Victim started this thread and has NEVER posted here since. Then, you conveniently post 4 minutes later. Talk about a setup. You will go to any length to spread your hatred. Very sad indeed. Those who want to know my heart and who I serve (and it is not scam.com) can read my Blog at <http://jackweinzierl.com>.

Yes, all these people are misguided, but these self-described scambusters know the truth. When are you coming out from your screen names?

It is great to hear that by you posting Jack's website that people in this forum are actually getting referred to the Word of God and the truth about Advantage Conferences on <http://jackweinzierl.com>. If someone truly made their decision not to join Advantage Conferences based on the lies propagated on this board, then that is a sad commentary.

Most of these folks below just sent these testimonials to Jack this month. So sad that the people on this board are so deceived. I choose to follow truth and light, not scam.com.

Re: Watch Out for 7KAdvantage/Jack Weinzierl is an EVIL Rat! Liar and Scammer!

One either values ongoing mentoring from Christian millionaire entrepreneurs or they don't. The debate and really accusations that SBM keeps coming back with are simply out of ignorance. I would have paid \$40,000 or more for the training and mentoring I have received to date. SBM and many others on this board will never understand that. As for increasing the ratings on the Google results, that is fine as people can discern what is truth.

Re: Yes, this is Jack Weinzierl...

Yes, you all keep rehashing the same old bashing techniques. I will continue to post the truth about Advantage Conferences.

Quote:

Unlike all of the misguided bashers on this thread, I will use my own name, although you will not find me spending time in "Scared City" – the home of the few fear-filled inhabitants who dwell in scam.com. If they continue to post their blatantly ridiculous lies, I will continue to repost this message. The simple fact is that this particular blog site is home to a handful of cowards who hide behind their anonymous monikers, believing they can state anything and get away with it, regardless of who it hurts and regardless of the truth - an extremely sad commentary clearly exposing the absence of any redeeming positive or productive direction in their life.

The owners of scam.com love posters to get caught up in negativity - playing out their anger and hatred – each posting drives their Google Adsense revenues sky-high. The posters are unknowingly working for the foreign owned scam.com and the owners don't even have to pay them. What a smart business model for scam.com!

It is sadly humorous that one of the negative posters on this forum has actually in the past two weeks tried to recruit me into two of his network marketing businesses, and when I mentioned I wouldn't be looking at another opportunity due to my commitment to AC, his response was vile, putrid, filth-filled language.

I will not stoop to a debate at this blog which provides a piling-on of people who attack the network marketing industry, marketplace ministry, Advantage Conferences, Tim Darnell and me personally. The choice between the AC environment and the scam.com environment is truly night and day, darkness and light.

I have learned from first-hand experience that with success comes persecution from those who are not successful - we could write a book on that alone. I encourage those who want to know my heart, purpose and passion, please visit and subscribe to my Blog at <http://www.jackweinzierl.com>.

First of all, I am an independent representative of Advantage Conferences and have been for almost 2 years now. I will be building this business for the next 10+ years, as I could not believe more strongly in the power of AC's ongoing mentoring products and this opportunity. I was the president of two prior companies, including a defibrillator company and I have my MBA from Golden Gate University. There are many other things I could be doing in corporate America. But any other pursuit would not come close to matching what is available at AC. I am purpose-driven and passionate about this powerful and special venue and company.

Do I expect those on scam.com to understand this? Of course not. Do some Internet searches about their lives and find out the real truth – unsuccessful people who have nothing better to do with their lives than to attack someone else. We know who they are, and rather than try to improve, contribute and encourage others, their lives are about “put-downs” and negative assertions.

That is not at all the subject of the culture and content found at Advantage Conferences. No way. It is just the opposite, and I have never been more excited about what we are doing as I am right now, today. Not only do we not participate in their destructive focus, I am also glad that we do not focus on the luxury boats, cars, homes or travel on our sites. There is nothing wrong with any of those items and we have been blessed, but we are blessing to be a blessing to others. We are not looking for those seeking a “get rich quick” situation, although someone can do very well with this business in relatively quick fashion if they choose to be positive, focused and consistent with their marketing.

If it has been a while since you have reviewed our value proposition, you really should review the enhanced Getting Started E-Package. This is ongoing Mentoring through several mediums: Conferences, Tele-Mentoring, Wealth of Knowledge DVDs, Millionaire Mindset CDs, Designed for Success Seminars, and other products. There has NEVER been a product purchase required to be an Advantage Conferences Representative and if you have listened to the call, we are very clear - if you are looking for a “get-rich quick business or if you do not value ongoing mentoring, DO NOT join us. We also never ask a candidate what, if any product they are purchasing. We are also the only company I know in this entire industry that requires an interview to be approved prior to enrollment. I have had many candidates that were not approved over the past two years.

No one on this posting board that apparently has nothing better to do than bash Advantage Conferences or me personally, will recognize the value proposition that we provide. Whether a person ever builds this business as an income source, that is their personal decision. Many are plugging into our conferences, CDs, DVDs, Tele-Mentoring calls, as well as the personal mentoring available Monday through Saturday. They also are able to go to ongoing conferences at 90% off and you can read from many that have attended multiple Millionaire

Mindset Conferences at <http://www.advantage-conferences-tr...om/testimonials>.

To answer a few of your questions, or misguided posts.

1) I see that SBM is suddenly interested in my wife's wardrobe. My wife has never owned a fur of any kind, not that I have a strong belief there either way. SBM is simply trying to throw every negative thing she can to accomplish some misguided agenda. I guess she is closer to Dr. Jon than we thought. Sure SBM, you are just very good friends.

2) The Hummer is owned, not leased. Once again – absurd negative posts just piling on. I am sure SBM has an issue with a Hummer too. Well, when you work from home, you don't drive much, so no worries on the gas usage and environment, SBM.

3) Yes, I build another business and probably will have several others over the next 10 years. I am an entrepreneur. With that said, I commit 95% of my time to my Advantage Conferences business and marketplace ministry.

4) I love and respect Tim Darnell. I have served in various leadership positions in traditional businesses, as well as network marketing, and I have nothing but the highest regard for Tim Darnell. Tim has been very transparent in his book, Slay Your Giant about some of his past challenges, and I am proud to consider him a friend, mentor and brother in Christ. He has made tremendous sacrifices and has a servant's heart.

5) For the one or two people on this board that have actually been involved with AC, I am sorry that you did not have a good experience. I have never seen a company that was right for everyone. The only way to lose in any business is to quit; and not everyone is ready to accept Mentoring. Pride often gets in the way and quite frankly, it is much easier to quit and blame others. Transfer the guilt of quitting and not making something work to someone other than yourself – happens everyday. There are scams out there, but much of scam.com is simply full of folks who play victim wanting to blame others for their own failures.

6) Our products begin under \$50 with SYG audio and The Millionaire Mindset Collection CD for \$130.00, and WOK at under \$500.00. The people on this posting board continue to focus on one conference and also fail to recognize that no product purchase is required.

7) If you believe the writer in Houston did a good job in his article, well, you have the right to think that. If you value a writer who uses profanity and tries as hard as he can to shade and denigrate everything he possibly can find about someone or a company, with no inclusion of the good that is going on, then you should let his ridiculous article guide your future. I encourage you to look at the source, just like you would at scam.com. Find out the caliber and style of reporting done by this source. It's all the same "tear down", destructive mindset that can and is directed at virtually any positive organization, especially if they are bold enough to proclaim the name of Jesus as Lord of their life. Any person with any degree of intelligence would see through either of these gutter venues immediately.

If you choose to proclaim your faith in Jesus in a public forum like your business, you'll see what happens. I can already hear Bigfranky and others on the attack. Well, six people accepted

Christ on Friday of this week alone through the efforts of this marketplace ministry. That is occurring every week – but perhaps the posters don't value that either. If they did they wouldn't be involved in the libelous and slanderous talk that dominates their posts.

“Solomon states in Proverbs, “He who gets wisdom loves his own soul; he who cherishes understanding prospers.” He also says, “Plans fail for lack of counsel, but with many advisers they succeed”. Those two verses are powerful, yet only a small example of wisdom found in the Word of God – teaching that is more relevant today than ever. Advantage Conferences is a dynamic marketplace ministry that provides ongoing Christ-centered mentoring for entrepreneurs and business owners, as well as training for corporate employees.”

I think it is sad that those who constantly attack based on their misguided opinions of our product offering and business model, obviously continue to ignore the reality experienced by hundreds who are actually flourishing due to their participation in the conferences, ongoing mentoring and the business. These are people who are open to change and willing to change. Therein lies the fundamental difference in the poster/defilers – how arrogant to think that dynamic Christian Multi-Millionaires don't have profound lessons from which to be gained.

It is often stated on the posts that these must all be “new” people when the average person here has been with Advantage Conferences for a year or longer. The following are examples of a few of the testimonials that were sent to me in the month of January, 2007 alone.

"I am so thankful that the Lord has brought me to Advantage Conferences. I am thankful for my friend, Fellow Christian and Mentor, Jack Weinzierl. His constant encouragement, kind words, leadership skills and faithfulness to the Lord are an example of a true servant of God. Thanks for all you do for me, and many others. God bless!" Jordan Goode-Mulson, Advantage Conferences Representative

"Just a little over a year ago, the AC door opened to me in the middle of the night, and I connected to Jack Weinzierl. There are no accidents in the Lord! From my first call with Jack when he assured me that we were in a relationship-building business, to my initial jitters learning to market in a cyber dimension, to his creative mentoring, and depth of insight into helping me develop the best that God has placed in me in this season of my life, Jack has been ever present, ever patient, and ever compassionate. Now, because of Jack's mentoring, I am blessed to mentor others to change their lives to live more fully for the Lord and to grow wealthy and healthy from the inside out..offering hope and a way forward through our Christ-centered mentoring company."

"Jack and Stephanie have a true team in their marriage, and they have achieved their desire to work and minister together from their home, while homeschooling their children. Their home is a lighthouse--one of the houses that will change the world! Jack's leadership is empowering; he meets you where you are, no matter what you have been through, and he sees the "gold" in you. He adds his deep applied faith to yours, and you begin to flourish! I am so delighted to call Jack my mentor, my brother in the Lord, and my friend. I would not be expectant about my future in 2007+ were it not for the divine connection to Jack Weinzierl...a gift from God." Leslie Garrard, Advantage Conferences Representative

You can read specific testimonials on our Millionaire Mindset Conferences as well as our ongoing mentoring at <http://www.actestimonials.com>

So, I'm telling you blatantly who I am. The attacks are ridiculous and certainly satanic. The attacks reveal much more about the lives of the anonymous posters than they do mine or the others they feel compelled to direct their venom at.

How about this challenge – why don't the hate-filled, cowardly posters reveal their true identities, phone numbers, pictures, addresses and testimonials about their life. They won't – nobody would dare make such ridiculous comments exposing how low they really are. I say to them - come on out and reveal yourselves. The world is waiting. Perhaps you would like a reporter to do a hatchet job on you to write an already pre-disposed slanderous letter for others to see when they pull up your name.

It takes no education whatsoever, although it does require a total lack of decency to come up with the filth that the handful of scam.com posters apparently thrive on. If you are looking for truth, goodness, encouragement, or anything righteous and Godly, you'll not find it there.

I encourage you to read Philippians 4:8 and follow that scripture as the best prescription for a productive life. That is the environment you'll find at AC and totally absent in the small, misdirected handful of posters at scam.com. Consider the source.

If truth and light always win then we all know exactly what the score is, as the Better Business Bureau and Dr. Jon Taylor easily triumphed in a summary judgement against AC/Timmy boy. Is your little friend going to appeal? Is he going to sue Craig Malisow and all the scambusters here? You, lad, have yet to provide any facts that refute anything any of us scambusters have said. All you are capable of is regurgitating the nonsense on the AC pages. You have yet to carry on an intelligent discourse on here.

Why don't you take our questions and statements point by point and intelligently refute what we scambusters have said? What exactly do you think my agenda is? What makes you think I was setup by Wishyouknew? Do you actually think there is anyone that can tell me what to do? I just happen to agree with him that your Advantage Conferences scam needs to be exposed to protect the public from devastating financial losses.

Now what is this bull about this will not be ignored? Are we back to the very tired topic of

Jack, I am at no way the same person as AC Victim. I know who that person is. They are one of the person we have consulted with about the class action lawsuit we had discussed. Back then we did not realize that we would not be the first of Tim's downline to sue him.

You should know Tim Darnell and you have plenty of people that you have upset and that have filed complaints with the BBB and AG. Although the BBB for some reason only shows one instead of the 5 or 6 people I know have filed complaints with Both.

Not sure what the deal is with the BBB and why only 1 shows.

If anyone deserves answers to questions it is me. I have actually be envolved with AC.

Now, what on earth makes you think I am *that* tight with our dear scambusting friend Dr. Jon? Jack's back, and posting under his own name, no less?!

Although I see his tactics haven't changed with the screen name makeover: repeatedly dodging the tough questions posed by SBM, dining out on the financial ruin of the poor souls he and Timmy have duped into their scam, and all the while keeping up his pseudo-Christian facade.

Tell me Jackyboy, how do you manage to juggle all that at once?

Soapboxmom and Bigfranky, you truly would not know the truth if it hit you along side your head. This is a perfect example. That is a sweater top with a faux fur color. Wow, you two are amazing. What a pair. Spreading gossip, inuendo and lies wherever you can to further your anti-network marketing cause. You should work for one of the tabloids or that special Houston paper.

Re: Watch Out for 7KAdvantage/Jack Weinzierl is an EVIL Rat! Liar and Scammer!

SoapBoxMom, I appreciate you re-posting and sharing my most recent Press Release on your other basher friendly site. It is wonderful press that is 100% factual.

BTW, I am not spending hardly any time on this site as I focus on truth and light, of which is rare on these threads. I have not been on for several days and I was pleased to logon these evening to see a private message which was a very sincere apology. I will leave it to that poster if he cares to share that here. That is his choice, but I appreciated the apology.

Since SBM keeps posting or bashing, I will continue to share our value proposition and the importance of mentoring. She pretends to know my business dealings which is laughable. She continues to hide behind her screen name so I guess she can make up any lies, throw out inuendos, attack anyone she would like.

When people mistreat you, bless them. I will continue to pray for and bless her. That is what we are called to do. Luke 10:19 SBM and others, I encourage you to read this. You have no authority here and it is why you are so frustrated trying to bash this company.

If someone really wants to know my heart, feel free to access:

Many of you have subscribed to my blog and His Word will not return void. Have a blessed week and read my latest post on radical favor and about getting into position to receive at <http://jackweinzierl.com>.

Re: Watch Out for 7KAdvantage/Jack Weinzierl is an EVIL Rat! Liar and Scammer!

Why mentoring?

In my previous post, I mentioned Tiger. I am not sure if he uses one of these two coaches. I want to make sure that I am accurate as the truth matters to me.

Why don't you just learn how to play golf by reading a magazine? Why don't you go to a library to learn how to play golf? Why on earth would anybody pay Butch Harmon or Hank Haney \$2,000.00 an hour, and often much more than that and spend multiple hours, day after day with them to learn one simple concept to improve their swing? Because their instruction has the corresponding value! In fact, their instruction translates into millions of dollars for some of their students, and the only real opportunity for lower scores for their amateur students. These professionals have the crucially important information that you can't get from reading a magazine or going to the library, or by trying to do it on your own.

The exact same thing is true in the business world. Most who think its better to go to the library or do a Google search for millionaire insight will first of all, never go to the library, and second of all, they'll be hugely disappointed in what they find from the results of that reading. Virtually all published materials about success are from professional authors and speakers. They made and make their money by writing and speaking - selling their books, audios, and DVDS. Most are very good at their craft. But while they and their materials are pretty entertaining – they are also quite similar, predictable, and provide only short-term motivation. Rarely is the subject of the integration of the power of God in business discussed at all. Here's a fact: miss the genuine power of God in your life and your business, and you've missed everything – and whether a person chooses to believe that last statement or not will determine how they live the rest of their life. It's unquestionably make or break.

What is much more powerful than “going to the library” (come on – what a ludicrous assumption) is to find real people who are actually in other fields, other industries, other endeavors that have made millions by offering value through their service and/or tangible products. These people have become successful, not by going to a library – oh no. They became successful by struggling their buns off for years, and gaining experience that has not been recorded or published, other than on rare occasions. That experience is something you should know. And each person should pay a corresponding dollar amount for that value. Very real million dollar secrets not from authors and speakers, but from the mouths of the persons who lived their unique and amazing stories is priceless information that will change your life.

Many have gone bankrupt in the process of building their business, some multiple times. Their businesses were built by making mistake after mistake and yet, they tenaciously prevailed. Knowing their mistakes, knowing the pain, knowing the struggle, understanding what “tenaciously prevailed” really means along with THE CORRESPONDING LESSONS that resulted from those real-life experiences is a value beyond any \$10,000. Asking them questions, getting to know them, getting their business card, asking them about your particular situation, etc., is worth hundreds of thousands of dollars to those who learn and dedicate themselves to patiently moving forward in their own enterprises.

Personal contact with millionaires alone (knowing them personally) is huge. Make no mistake – why do you think people join country clubs that cost \$150,000.00 just for the initial down payment and then pay monthly dues beginning at \$1,000.00 a month? I've got news for you. It's not all about the golf or the tennis. They do it because contact with people who hang out in that atmosphere is worth millions of dollars - period. There is a huge return on this carefully made

investment that allows you to be connected with people who know how to make things happen. The fact is, they know things, concepts, strategies and people you don't know. These "common" millionaires deal in revenues and transactions that involve millions of dollars every week, every month, year in and year out.

Contrast that to an "employee minded" individual who would never spend money like that, nor do they understand any concepts that pertain to millions of dollars. They think they understand. They think they know all there is to know anyway. And they are almost always more than willing to demonize those who choose to risk their money, time, and commitment to build a business of their own. They'll put down any person or company that says these millionaire concepts have value. Pretty amazing to me – it is a "broke, small-ball" arrogance that shields them from transformational information and contacts.

Amateurs don't get it. They don't value the instruction from, and personal interaction with accomplished, successful people who are willing to give very real information filled with corresponding value that, when acted upon, can translate into bigger dollars. To talk to an avowed employee who has never had anything but a job about paying any money for entrepreneurial coaching is a waste of time. They simply don't get it, and unfortunately for them, their station in life will never change.

That stubbornness (pride really) to not recognize the value of coaching and connections is common. That's why families experience generational mediocrity. Those same people will complain daily about their bad luck in life and their inability to make ends meet. They will always buy the cheapest items forever, never adding value to their life. That is what their parents did and their parents did before them. That's all they know about buying – buy cheap. And all they know about making money is "get a job". They insist on another man or corporation paying them, having to bow to their bosses' most insignificant wishes and commands in exchange for "just get by" wages, long hours, and their sacred health benefits. What an amazingly bad choice – when freedom can be attained through business ownership - the proper opportunity, and consistent long-term work.

Mentoring is the lever that delivers the insight to dislodge the burden of mounting debt, small thinking, small income, insignificant pay raises, inflation, rare vacation time, little to no savings, the pain of the expenses of unexpected emergencies, and stagnant, unfulfilling careers, etc. Those who scoff at the concept of personal independence and much greater income potential will not win. They will either wake up to the reality of the importance of mentoring, change, business acumen, entrepreneurship, and the power of genuine faith in God, or they are doomed to repeat the same results they experienced last year and the years before that.

I choose free enterprise. I choose freedom. I choose hard work. I, and many others who "get it" choose being paid based on our own productivity, not the security of a regular, although ridiculously low, weekly "guaranteed" paycheck. Freedom can be attained and should be attained. God gave us the wherewithal and privilege to have it. To reject freedom is the greatest tragedy I've ever witnessed - a true, disastrous shame. But for those who will risk it - to bust our buns for years and finally attain that single thing – freedom - is the greatest lifetime reward a person can ever experience.

Jack,

Your analogy regarding Tiger Woods has ZERO todo with the VALUE proposition offered by Advanatage Conferences.

Mentoring and Coaching are TWO Diffrent. Things. Tiger Woods could call one of 1,000 people and get mentored for FREE. Infact he did that often with Byron Nelson and Byron Nelson being the Good Christian that he was did not charge ANYTHING for it.

First of all Hank Haney is not selling is service in a Pyrimid form/Aussie two up scheme. He is a PRIVATE coach, offering a specialized Service.

Second of all, Hank Haney is a USGA certified MASTER Golf Teaching pro.

No speaker at Advantage Conferences is a licensed financial advisor. They are not even PAID speakers or Mentors.

the speakers at the AC conferences are JOKES! the speakers are the relatives of the AC top dogs!!! tim darnells DAD?!?!?! are you serious jack? do you have any relatives that are scheduled to speak? are your uncles attending? let me guess.... you are one of the speakers?

i couldnt believe it when i saw that tim darnell's own FATHER was one of the "coveted AC speakers".... what an absolute embarrassment...how can you say that it is worth \$10,000 to hear from a man that obviously FAILED miserably when it came to raising his own son?!?!?! assuming of course that he wanted to raise a morally upright, honest, ethical business man..... instead of someone who has been documented as working with thieves, convicted felons and pedophiles! a man that has been caught in lie after lie...

seriously Jack, how can you even look at yourself in the mirror? you should be ashamed of yourself. we are talking about peoples life savings here, Jack!
