one of the people who could best benefit from the ongoing mentoring that we offer at AC, is the person bashing, day and night.

BTW, I decided to build a nutrition company almost 9 months ago when my Mom and others close to me were going through health challenges.

SBM, go be a difference maker and not just a space taker. Please.

Re: Watch Out for 7KAdvantage/Jack Weinzierl is an EVIL Rat! Liar and Scammer!

Jack,

Your arrogance is amazing. How do you know Soapboxmom is NOT out making a difference?

To say we are jealous is laughable! For your information, I live in a Country Club area here in North Texas, am a member of that Country Club, married with a great family. I am very blessed and have nothing to be jealous of.

I have learned very early in life that it's not how nice of a car you drive or how much junk you accumulate in life that makes you successful.

This is not something I'm proud of, but, I too have had the \$70,000 + sports cars and have blown a lot of money on stupid things..

None of which have made me happy as much as my relationship with God.

I personally feel led by God to educate consumers about people like yourself and Tim Darnell.

Why can't you come on here with any proof to prove your side?

Why can't you answer our questions? Why not give that furniture or the money you are generating to the poor?

Jack doesn't know what poor is - it is coming -

Thought Jack started VemmaBuilder in April 2007 - Now he is saying he started 9 months ago.

What is it?

For SBM and all the haters out there:

1) I have never been more excited about what we are doing with and through Advantage Conferences as I am right now. I will be building AC for years to come and SBM your blatant lies and innuendo would also be funny, if they were not so ignorant.

2) SBM is now a real estate expert and knows what I bought and sold for. I have done very well with my last two Texas homes. The source that you are using for what I purchased the home for is in line with what Zillow.com will tell you it is worth, not what I paid.

3) Bankruptcy, now this one is laughable. Those who know me will be laughing as well. Bless those who persecute you. It is just like those writing for the Enquirer or Star. Strike that, I am sure they use their own names and do not hide behind a screen name. I have never and will never claim bankruptcy. We are worth well in excess of \$1 million, have a credit score of above 750, and I have never been late on a payment in my life, not that it is anyone's business on this scarcity-minded board. We are building a nicer home, so that again would fall in line with someone headed for bankruptcy?

4) The estate sale is selling maybe 20% of our household items and yes, my sister is a designer and we will be purchasing items for our new home that fit better. To SBM, I have extravegent furniture and taste. Ha, I have good taste and no, I don't buy my furniture on Aisle 3, SBM.

There is so much jealousy on this board it is very apparent. So very sad, when you could go out and build a business and create value in society. And yes, when you have success, watch out for the SBM's of the world. Broke, tired, fear-filled, scarcity-minded and hate-filled. It is ironic that one of the people who could best benefit from the ongoing mentoring that we offer at AC, is the person bashing, day and night.

BTW, I decided to build a nutrition company almost 9 months ago when my Mom and others close to me were going through health challenges.

SBM, go be a difference maker and not just a space taker. Please.

Jack,

Sure, there may be some on here who are jealous...but, most of us are ones who know the REAL you. I wouldn't trade shoes with you for anything. Look at your above post...so completely arrogant, not that of a humble man before the Lord. You have not answered one question we have asked. In fact, you AVOID and DEFLECT. We are "difference makers" Jack...we inform others of the TRUTH, that you CON people out of money and have the arrogance to call yourself a "success" and an astute/shrewd business man...which you are neither. You are a FRAUD. I know I am not the only one on here praying for you. May God have mercy on your soul! Remember Jack, pride cometh before a fall.

Here's to the Critic. Have a wonderful day of worship tomorrow SBM. Interesting that I post to combat the lies being blatantly spread about me on this board and then I am labeled arrogant. Confidence without arrogance is a key success factor and I know who and whose I am.

It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; who errs, who comes short again and again, because there is no effort without error and shortcoming; but who does actually strive to do the deeds; who knows great enthusiasms, the great devotions; who spends himself in a worthy cause; who at the best knows in the end the triumph of high achievement, and who at the worst, if he fails, at least fails while daring greatly,

so that his place shall never be with those cold and timid souls who neither know victory nor defeat.

Re: Watch Out

By the way, I have answered questions repeatedly about the value proposition and what we offer at AC, only for those answers to be rejected and ignored. People either value ongoing mentoring or they don't. There is simply no way to "win" a debate on a board like this. Do you really think that I would continue to be sold out for AC if I did not believe 100% in what we represented? Silly question on this board, but folks, I have been the president of two prior companies including a medical device company, have my MBA and could be doing many things in the marketplace. It is not my battle and I surely will not fill my days and nights like many here on something that does not produce fruit.

My boy, you are such a twit. AC is going down like the Titanic and everyone knows it. You will not be building a business with AC. It will be a miracle if you goons can pull off this conference. I know how few have booked rooms, you fool. I have posted information from the public record, calculations based on your comp plan and Tim Darnell's shocking numbers, expressed my opinion and of course there has been some interesting speculation on the home purchases you have made with your ill gotten gains.

I do have some experience with real estate and even without an MBA I knew enough not to get an adjustable rate mortgage. Both Taxnetusa and Westlaw gave a sale price for your million dollar mansion. Westlaw even documented the \$926,250 in loans which is exactly 95% of the Taxnetusa purchase price of \$975,000. So, we know from the loan amounts that you paid at least the \$975,000 if not the 1.2 million Westlaw stated. It doesn't take a real estate guru to read those or the tax rolls, lad. I did it all without an MBA. Imagine that!

Jack the supposition that you may end up filing for bankruptcy is not at all far fetched. You were earnings 40-95 grand in the good months. With AC in such serious trouble you must be in desperate straights. The abysmal number of seats at the conference and the disappearance of many of the once top reps tells us all we need to know. 60 reps wasted the time and money to become licensed insurance agents to sell that egregious Hidden Treasures product, that of course no organization or individual in their right mind would get involved with. Mike Napoli declaring that God told him not to sell the Fundraising Advantage/Hidden Treasures product is the delusional rantings of a mental case. It was just another one of Tim's schemes that rightly blew up in his face and caused yet another mass exodus of reps.

I have had contact with many reps, family members of reps and folks very close to this bum venture. I have always respected their privacy and protected their identities. I know a whole lot more about your scam than I can bear to know. The reps have been dropping in droves. Many were not happy with the outcome of the court case and many more are seeing that all you and Tim have done is misrepresent everything. They have lost thousands and know there is no hope of making any money in this scam and most do not want to bring other folks in and see them lose thousands to Timmy's and Jack's Kingdom.

If you are moving again after only 18 months something is terribly wrong. There are tremendous closing costs to buy and sell and no responsible and mentally balanced people would constantly uproot their families. Are you now going to tell us it is good stewardship to move into a more

extravagant dwelling and that a 6811 square feet mansion is not good enough for the likes of Jack W. Are you that greedy and vain? What are you going to upgrade your Mercedes, BMW convertible and Hummer to? How much more can you blow on opulent furnishings and ridiculously expensive clothing?

I know sales at AC have dried up. You and Tim are just desperately trying to pull this last conference off so you can hang on to the money you have raked in since the last conference. You already know the new reps are guaranteed losers in this bum deal with a staggering 98% loss rate from Tim's own figures.

You don't know where any of the scambusters shop. But, I am not vain and greedy like you, boy. Just who do you think you are impressing? Folks can see from miles away that you are a just a well dressed thug out to bilk good, Christian folks out of their life savings.

Folks here are not jealous of you, you delusional fool. We are just determined to see you don't defraud any more good trusting people. How would you know our family is broke or that others on here aren't very happy and successful as well? I am home spending my time busting your scam when I could be out working. Hubby just thinks what I do for my family and my work here protecting the community from you are very important. Your scam is not going to make folks wealthy as you lead them to believe anymore than the fact my hubby works an honest job for a fair salary means we are broke. We live in a nice sensible two story in a country club neighborhood and have 2 very nice late model family vehicles that are the top rated for safety and not egregious gas guzzlers.

You, you arrogant MBA (insert laughter) are not in a position to mentor anyone. Financially savvy folks do not move every 18 months, nor do they burn through money as fast as they make it. They don't get into luxury homes they can't afford or take out adjustable rate mortgages. People who really have money do not spend on homes and cars the way you have. They don't have egos like yours and feel the need to constantly flaunt it. I have no doubt you are in way over

your head and that is why you are moving. You of course could show us the house. You will, I assume, be moving in the next few days. You did say the closing on your mansion was moved up to the 13th so you could make your last conference. You are free to post the pictures of your mansion under construction as it must be ready for move in. A millionaire MBA wouldn't be left with no home between closings!

Oh, please, you joined Vemma because Advantage Conferences was going down the can and you knew it. Tim Darnell has gone from one pyramid scheme and dishonest scam to the next. All his escapades are in the court papers. Tim Darnell is such a complete moron. Why would anybody sue the Better Business Bureau and open up all the company records for discovery and draw so much attention to thier little pryamid scheme. The BBB easily got a summary judgment as the judge refused to let it go to trial. Tim the B@!!ess wonder after proclaiming God had assured victory for AC hasn't filed an appeal. Has he figured out there is no way he will win or is he unable to fund his legal misadventures?

Speaking of legal misadventures----I told you buffoons exactly what to do to sue me. You probably already know my identity because of what I have been up to in an effort to bust your scam. The fact is you have to call me unfindable because, as with the BBB suit, you know there is no way to win and you also know I will post every last bit of information about Advantage Caonferences on every scam site in the universe. You, you con, will never appreciate what kind of heart the reps whose lives you have destroyed have. They want to protect the public from you so no others have to suffer financial hardship that harms their families for no other purpose than to fund your Gatsby like existence.

The truth about your finances can be found in your own earnings statements, the court records, the public records listing your home loans and purchase prices and of course your bragging to your reps who are none too happy that you are living the life of luxury when you have defrauded them out of their life savings. I have linked or documented my sources all the way along. I have commented as I felt appropriate. Since you have chosen to defraud good folks out of their hard earned money with lies and misrepresentations, you can expect much more fact finding to alert the public of your and Tim Darnell's shenanigans.

Jack, you must be on another planet if you think you have answered OUR questions. You have made up answers, spun the Bible to side with your arguments, and dodged our questions as much as possible.

Jack, there is a way to "win" on a board like this. Answer our questions with FACTS.

We have come here with Court Documents, BBB reports, and news articles from a reporter that did extensive research on Advantage Conferences and Tim Darnell.

The Court Papers and personal testimonial from Tim Darnell himself don't lie.

Jack, I am curious. What two companies were you president of? Can you name them for us?

Again here are some questions for you ! Please try the best you can to answer them directly. But, I am sure you will ignore them and just respond to Soapboxmoms or others post.

Why do you think Advantage Conference Lost the Lawsuit against the BBB?

Are you aware of the amount of people whom have filed complaints to the BBB, and the AG and the nature of their disputes?

Why did Tim Darnell make major marketing changes to his website after the BBB mess started?

What do you think in the Houston Press article was printed false about Tim Darnell?

And if Tim Darnell is claiming that Craig Maislow printed anything false. Why does Tim Darnell not sue the Houston Press?

How many people have paid money to attend a conference whom are not a AC Rep?

How many people do you know that have lost their \$10,000+ (BE HONEST JACK!)

Before Advantage Conferences, why has Tim Darnell been in business with so many crooks and been invloved with so many companies that were illigal pyrimids before?

Remember this Bible verse Jack?-"Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves."

This is why you get labeled an arrogant goon. You are not the hero of Roosevelt's profound words. Advantage Conferences is a scam designed to line Tim Darnell's and your pockets. Causing 98% of your reps devastating losses using the Gospel and deeply held religious beliefs as tools to defraud them is beyond despicable.

Re: Watch Out for 7KAdvantage/Jack Weinzierl is an EVIL Rat! Liar and Scammer!

This is a great topic, very entertaining. It appears that Jack really believes in MLM and Advantage conferences. He does not dispute the 98% failure rate in the MLM aspect of the Advantage conferences business. Let's assume he admits this. He still believes in it though.

According to what is written here, I must conclude the following:

- 1) Jack believes MLM is a great way of launching new products. If the product is successful, it will be sold in the mainstream. He uses MLM to launch products he believes in.
- 2) The \$10,000.00 advantage conference is such a great value that people who have been to the conference don't need to sell it since they have become so successful in life with the skills they learned from that conference.

3) Jack believes that the end justifies the means in MLM. Meaning, he can tell white lies about becoming wealthy by selling innovative products online to get these great ideas introduced to the market. He knows only founders and first movers make money in an MLM, but that justifies it, because he made the public know of some great products from MLM.

Is this what Jack is saying?

Tom, Thanks for joining us.

White Lie, purple, red or yellow.. A Lie is a LIE.

He is using that LIE to con people out of thousands of \$.

This is why he can't come on here and give us any valid facts. Only thing he can provide is a testimonial or two from people whom have financial gain to give a testimonial.

For SBM and all the haters out there:

1) I have never been more excited about what we are doing with and through Advantage Conferences as I am right now. I will be building AC for years to come and SBM your blatant lies and innuendo would also be funny, if they were not so ignorant.

2) SBM is now a real estate expert and knows what I bought and sold for. I have done very well with my last two Texas homes. The source that you are using for what I purchased the home for is in line with what Zillow.com will tell you it is worth, not what I paid.

3) Bankruptcy, now this one is laughable. Those who know me will be laughing as well. Bless those who persecute you. It is just like those writing for the Enquirer or Star. Strike that, I am sure they use their own names and do not hide behind a screen name. I have never and will never claim bankruptcy. We are worth well in excess of \$1 million, have a credit score of above 750, and I have never been late on a payment in my life, not that it is anyone's business on this scarcity-minded board. We are building a nicer home, so that again would fall in line with someone headed for bankruptcy?

4) The estate sale is selling maybe 20% of our household items and yes, my sister is a designer and we will be purchasing items for our new home that fit better. To SBM, I have extravagant furniture and taste. Ha, I have good taste and no, I don't buy my furniture on Aisle 3, SBM.

There is so much jealousy on this board it is very apparent. So very sad, when you could go out and build a business and create value in society. And yes, when you have success, watch out for the SBM's of the world. Broke, tired, fear-filled, scarcity-minded and hate-filled. It is ironic that one of the people who could best benefit from the ongoing mentoring that we offer at AC, is the person bashing, day and night.

BTW, I decided to build a nutrition company almost 9 months ago when my Mom and others close to me were going through health challenges.

SBM, go be a difference maker and not just a space taker. Please.

seems like a great successful person one should be proud to know and be placed on the cover of Time magazine.

It is great to hear that by you posting Jack's website that people in this forum are actually getting referred to the Word of God and the truth about Advantage Conferences on <http://jackweinzierl.com>. If someone truly made their decision not to join Advantage Conferences based on the lies propagated on this board, then that is a sad commentary.

Most of these folks below just sent these testimonials to Jack this month. So sad that the people on this board are so deceived. I choose to follow truth and light, not scam.com.

?Jack Weinzierl is one of those rare individuals that comes along who really has it all: talent, humility, professionalism, work ethic, and absolute integrity. Jack, thank you for your inspirational leadership, mentoring, and your continual commitment to help improve the lives of all those around you." Sam and Gina Imburgia, Advantage Conferences Representatives

?Jack Weinzierl is one of the most dynamic people that I have ever had the pleasure to work with. He is an amazing leader and marketer, and gives 110% to each and every project and person that he works with. Even under the most stressful situations, Jack has the ability to calmly create a positive outcome. I could not recommend a person more... as a friend or a colleague.? Barb Kardokus, Advantage Conferences Representative

?Advantage Conferences has many talented and selfless leaders. But each AC Representative owes a debt of gratitude to Jack Weinzierl for his unending efforts in behalf of all of us. He willingly shares his time, expertise, instruction, inspiration, and wisdom with each of us through his training website, training calls, mentoring calls, opportunity calls, 3 way calls, and emails. Jack Weinzierl truly exemplifies servant heart leadership. Thank you Jack.? Illa Bong, Advantage Conferences

"Jack, Thank you for your international support! Advantage Conferences is a truly Christ-centered organization and I am thankful daily for this opportunity in my life. Jack Weinzierl has such humility and is a profound and wise teacher, the inspiration he gives us all is incredible. May you continually be blessed, as you bless others." ? I always considered myself definitely more in the "follower" category. However, because of Jack Weinzierl's leadership, mentoring, training and by his example and encouragement, I now see that each of us is also destined to be a leader and to do great things. I look forward to many years of professional and personal friendship with Jack, as he is the kind of genuine and compassionate person with whom I choose to associate.? Scott Whited, Advantage Conferences Representative

?Jack Weinzierl has provided THE most motivational assistance that one could ask for when beginning at Advantage Conferences. He's prompt, spirit filled, always suggests the best options for all of my concerns in a kind professional way that would please God himself. How

blessed I am to be on his team.? Hamilton Clay, Advantage Conferences Representative

"I know Jack Weinzierl to be a sensitive, caring, Christ-centered individual. His wisdom and influence has had a profound effect on my life and my business. He has been instrumental in helping me develop a close walk with the Lord. He is transparent and he leads by example. I thank God that Jack has become a part of my life." Terry Latimer, Advantage Conferences Representative

?Jack Weinzierl has been very supportive in a time of need. My mentor, Don Goldstein, is battling leukemia and Jack has been wonderfully helpful and shows that this company believes in and lives teamwork. We don't just say that we are Christ-centered, we put that into practice.? Steve Horten, Advantage Conferences Representative

Thank you for your support of Jack, but without evidence and proof of what your saying, your simply yapping away on this board while we assume shotgun Jack's aiming at your pea brain skull.

"For the eyes of the Lord are on the righteous and his ears are attentive to their prayer, but the face of the Lord is against those who do evil. Who is going to harm you if you are eager to do good? But even if you should suffer for what is right, you are blessed. Do not fear what they fear; do not be frightened. But in your hearts set apart Christ as Lord. Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect, keeping a clear conscience so that those who speak maliciously against your good behavior in Christ may be ashamed of their slander. It is better, if it is God's will, to suffer for doing good than for doing evil." I Peter 3: 12 - 17

Now this that Jack posted is Lies. Bigfranky is not one who has ever posted anything that is shameful or of bad character. If your going to state the contrary, you better show proof of what your talking about, otherwise your the fool pointing at others who ain't.

I happen to know for a fact that several of the speakers (Darnell's dad was the conference chaplain not a speaker) are bonafide multi-millionaires. they may all be, but i'm commenting on the ones I know **OF** personally. One of them made millions in insurance. Another is the founder of one of the largest car battery companies in the country. Hardly 'jokes' wouldn't you say!! My point here is that the more you folks bleat on here with personal attacks and groundless ignorant comments like the one above, the less convincing you become. In fact It makes me want to reconsider whether I was right in my criticism of AC at all. While it is my belief that the business model is faulty and you shouldn't put a price tag on God's wisdom, a different perspective is placed on the whole issue when viewed through the lens of Scripture and the Holy Spirit. You folks (wyk, SBM and BF etc.) appear to be using emotion and feelings as your guide without real facts to base them on. You certainly use emotion in your 'prose'!

As to Jack Weinzierl, from what I've been told by people who know him and by reading the posting on here and between the lines, he has others' best interests at heart. In other words,

looking at it through the third lens so to speak, I don't see a scammer. I see someone who is undoubtedly successful and is bent on fulfilling the tasks and grasping the opportunities given him by the Almighty. While I may disagree with him in certain areas, he and I see eye to eye in our commitments to further God's Kingdom. Jack will do it in his way and I will do it in mine.

I am the poster he is referring to and I make no apologies for doing so. I did apologize to him in a PM. We agreed to disagree on the paths we are both taking but I acknowledge him as a brother in Christ and my prayers are with him. I do not believe he is a scammer and neither do I believe that AC was set up as one. I believe they have the best interests of folks at heart.

I don't plan on returning after this post and doubtless my ears will be burning. I'll be the first to admit when I'm wrong about someone and the first to address that person accordingly.

In fact and I know this will stir the pot, I wouldn't mind hooking up with you one of these days Jack, I have a feeling that it would be time well spent - maybe at that Star Bucks WYK was talking about. LOL!!

Have fun amigos,

Adios!!

P.S. BF, I think you came off your medication too early. Sounds like you need to take another sabbatical! LOL!!

you can't find a wiser person on this thread than this sensible polite spirited person, who's held back from the debacle, watching, reading and shaking his head recognizing that both sides are missing the blank.

Jack, we need a couple of things from you:

can you please provide a list of the speakers that have participated in Advantage Conference events?

also, can you please provide us with a listing of speakers that have presented at Liberty League International conferences?

and one more thing please, a listing of the speakers that took part in the All-Star Entrepreneur conference events.

Also, a listing of the people that were speakers at more than one of these events.

thank you so much for helping us out with these requests for basic information. i know that it doesnt seem like much, but i think it would be interesting to cross-reference some of these speakers to see if the same conference speakers have simply been regurgitated over and over since this business model started almost 10 years ago (in the aforementioned now defunct companies liberty league and all-star entrepreneur). those companies ran their course after 2 to 4 years each.... then went bankrupt after the money dried up.... looks like AC is on the same time table.

i want to be sure that it simply isnt an "old boys club" of everyone scratching eachothers backs.

thank you for providing this basic information, as you can see, my request is not hate-filled and is simply something that anyone should be provided with upon performing their due diligence.

thank yo uso much and i look forward to your response.

All are good valid questions, hope Jack answers these vital questions. Page 4, so sure hope to read more on this thread and find out if Jack does answer those questions or continues in his religious scriptural quotation and bashing the posters here.

Didn't know that I had to go to a conference to post on this public (oh maybe this is not a public thread and no proof is required, sorry bout that).

Yes, nobody is forcing you or Bush to prove anything, so long as you state that it's true, then it must be true and Sadaam had weapons of mass destruction and was part of Al Qaida too.

Would it be too much to ask if you gave us just a tad of proof? Just one simple little request that shows the public (if not me, just others please) that this jack whatever his name is has done anything wrong, has lied is a rat has been convicted, or his name is on the BBS, Texas AG's list or anything that can possibly be found from Legit new sources??

For example: Here on scam.com if you would be so kind to look at the thread: Tim romero and Kurt Steele of the Dork and Hippy Productions have ripped us off

The posters there made it very clear that these two scammers did in fact scam many people. How did they prove this? Simple, they used external sources, Court Order documents that court clerk reporters posted on a Gov website. I plead, if you can't post just a tad, then create your smear campaign against Jack by faking data and posting what you call truths or half truths too fuel your fantasies.

Goons? I don't support anyone on this thread, nor do I know anyone on this thread or anyone on scam.com. Now I have learned today that I am a supporter of some goon. That's news to me, and

more shocking is that I don't believe anyone knows who I am and it's nobodies business to know who I am, same as I believe it's nobodies business to know who you are or anyone else here that needs or wants to hide behind an avatar or nick. I respect that, and note who's saying and name calling. It sure don't help you look credible one bit. I was going to ignore your post, but don't care to disrespect you or ignore you, if you have some proof, then please by all means post it like I did above, some proof from another thread that I had nothing to do with, but those people did their work well to uncover a scam.

Re: Watch Out for 7KAdvantage/Jack Weinzierl is an EVIL Rat! Liar and Scammer!

Hi folks,

I have been following this thread and the other related AC threads for some time. While I hate scams with a passion, I also detest, with the same passion, attempts at exposing companies and individuals who, they claim, are scams and scammers, with little or no hardcore evidence to back their claims. I admire SBMs passion for caring about the publics interest, she does herself proud. I sense in WYK some deep hurt felt by him, inflicted (he feels) by AC upon him. Others on these threads and alot of the scam threads are passionate about their desire to bring this or that scam down. Others are on here because they have nothing better to do!!

But there is a massive problem with the criticisms on these threads. They are bourne out of emotion and not logic or first hand evidence!! As such they, the critics, deem themselves irrelevant and worthy of nothing more than the shrug of the shoulders if the reader is armed with a clear mind, a can do spirit does his or her due dilligence and does not harbor grudges against those who are the targets of their diatribes.

The title of this thread says it all. The person who began this thread negated his credibility by inserting such obviously emotional phraseology. If you are going to create a solid case against Jack Weinzierl for goodness sake come on here with facts. All I see here in implied, suggested wrong-doings, nutty comments (like \$140,000 hummers :confused:) and pure suppositions.

Remember, the burden of proof is with the plaintiff not the defendant!! JW tries to defend himself and his company on here. To his detriment, anything he states here will be used in evidence against him by his critics. The more you defend, the more they will attack. Unfortunately Jack, that just adds fuel to the fire and ratings to this site and sends the google entry up the ladder when people search for Christian or business opportunities.

So I thought that I'd come on here and see if I can offer my two cents to decipher whether or not JW is as the title suggests!!

Hi Scamlock,

welcome to the forum.... i just wanted to say that i couldnt disagree with you more. SBM has presented much evidence.... including court papers from AC's horrendous appearance that proved that only a handful of people profited from this obvious scam.

i agree totally that the burden of proof is on the plaintiff, hence SBM, WYK, myself, and others on here still waiting for Jack to back up his claims and his exagerations....which is what we are waiting for.

if you read this whole thread (as well as the other AC threads), you will see that we have

requested time and time again for Jack to back up the claims that he has made on his website... he has not. the burden of proof is on him my friend. he claims that AC is the path to riches.... it is time for him to prove it.... he cant produce anyone besides himself that has made any money!

and i also disagree that the person that started this thread "negated his credibility" by being emotional... that is absolutely ludicrous... that is like saying that a woman that was raped who is crying and emotionally distraught cant produce a credible testimony.... the man that started this thread almost lost his family due to this AC scam that Jack pushes, let alone his savings.... i think that he had every right to be emotional... and if anything, that simply demonstrates how crippling this man and the company he represents can truly be..... which is very important for people to see.

and i honestly cant agree that the bulk of the posts on this thread were emotion-based rather than logic-based..... that is just not accurate. SBM has clearly presented a logical, accurate case against the AC scam (which essentially is synonomous with Jack Weinzierl).

There are more facts on the Advantage Conferences thread and this one regarding the company then any thread on scam.com
Court Papers, Sworn Testimonies from Tim Darnell himself, BBB reports, Tax records, and statements from former reps.

What more do you want?
