Jerry Weinzierl Grace Christian Church AC Pyramid

Jerry Weinzierl, the senior pastor of Grace Christian Church, is the brother of our very own weasel Jack Weinzierl. Jerry Weinzierl, Jerry's son and Alan Tannous, Jack 's father-in-law, were all in Advantage Conferences. They were ground floor entrants and still quickly bailed from this supposed "oasis of integrity"

Advantage Conferences was supposed to be Christ-centered and God ordained. 98% of the Christians that got involved lost money. Many are out thousands of dollars. This bunch got involved in a shady stranger owned life insurance on seniors debacle. They pirated the name of a local parrish in Allen, Texas and used the church's name without their knowledge or blessing. Jack Weinzierl, the top money earner was mentored straight into chapter 7 bankruptcy and allegations of possible fraudulent transfers.

Jerry Weinzierl and Alan Tannous got refunds while hundreds of others suffered financial devastation. Giving Jack's family refunds and not offering the same to all reps is discrimination, predatory business practice and completely unethical. How could these men of God accept these refunds when other folks were going hungry, losing homes, selling possessions, selling homes, facing bankruptcy, drowning in credit card debt and suffering such financial hardship? Many reps were out 15 - 30 grand because of their involvement in Advantage Conferences.

Aaron Weinzierl was alleged to have been brought in for free as Uncle Jack paid to get him in. Aaron apparently was not comfortable pushing this in the church in Michigan much to his credit.

Jack dragged his dear nephew Aaron in as an MMC-IV on 07/27/05.

Jerry Weinzierl was sanitized from the complete rep list as we all can see.

<http://christianbusiness.ning.com/pr...jerryweinzierl>

Jerry is a member of Jack Weinzierl's OPEN group where scammers calling themselves Christian congregate.

Jerry Weinzierl and Al Tannous had both gotten \$7,000.00 commission checks and still demanded an got refunds. See Jack Weinzierl's deposition linked below.

<http://www.scribd.com/people/documen...5/folder/45397>

Jack, otherwise known as SoapBoxDad, said on scam.com that only 2 refunds were given, but I count at least 9 of various description.

I notice that according to Google maps your brother's church, Grace Christian Church in Michigan, is a mere 10 miles from that courthouse. Did your brother, Pastor Jerry Weinzierl have anything to do with this? Did Pastor Jan and her husband Al Tannous, your in-laws have anything to do with this? Was your very honest and forthcoming nephew Pastor Aaron W. involved in this fiasco?

Why was this case ever filed? Why was this case dropped? Who contacted that attorney? Do you realize that there could be sanctions for this? This filing done in Michigan's Macomb County while Tim had an identical case going in Dallas District court is clear abuse of process and just plain dirty.

Re: Jerry Weinzierl Grace Christian Church AC Pyra

Here are some pertinent documents from the suit these Christian scammers filed against the Dallas Better Business Bureau.

<http://mysite.verizon.net/resurlf0/a...ruth/id15.html>

<http://mysite.verizon.net/resurlf0/a...ruth/id34.html>

Tim Darnell , Jack's hero and the owner of Advantage Conferences, publishes a weekly religious rant where he attacks legitimate critics like myself who are exposing the truth.

<http://mysite.verizon.net/resurlf0/a...ruth/id22.html>

That is certainly some sickening garbage. Why Jack Weinzierl and his brother Jerry are supporting this I can't imagine.

Re: Jerry Weinzierl Grace Christian Church AC Pyra

I have sent several prayer requests to Grace Christian Church and asked that the church pray about reaching out to the reps harmed by Advantage Conferences. These so called Christians have not responded in any way. Pastor Jerry Weinzierl and Alan Tannous happily took their \$7,000.00 refunds and \$7,000.00 commission checks and ran while many suffered unspeakably.

They may very well have been behind that 2nd frivolous lawsuit against the Dallas Better Business Bureau. These litigious goons apparently are in favor of the frivolous suit against me as well as Jack Weinzierl is still in Advantage Conferences and claiming that AC will be victorious in His timing.

They apparently only care for you when they can empty your pockets. I think we should pray for Jerry Weinzierl to be removed from the pulpit and replaced with someone who will truly do God's work and look after His flock. I am sure God did not intend for his children to lose 20 - 30 grand to Advantage Conferences and go hungry, lose homes, sell possessions, take out loans, drown in credit card debt face bankruptcy and suffer financially as so many have. It is high time Jack Weinzierl's brother Jerry and his father-in-law Alan Tannous step forward and take responsibility for the calamity in their wake.

Grace Christian Church says:

Quote:

Grace Cares
On Thursday, November 6th at 7:00p.m. in Room 145 a new ministry called "Grace Cares" is being launched.

Grace Cares should reach out to all those in Advantage Conferences that they were instrumental in harming!

Re: Jerry Weinzierl Grace Christian Church AC Pyra

Pastor Jerry Weinzierl of Grace Christian Church ran for office with no party affiliation. Jerry was the candidate and **treasurer** for a failed run at a seat on the city council in Warren, Michigan.

<http://campaignfinance.macombcountym...mmitteeID=4910>

<http://campaignfinance.macombcountym...s/48294403.PDF>

<http://campaignfinance.macombcountym...s/48294656.PDF>

Jerry loans his campaign committee \$1828.86. He collects \$2125.00 in contributions from several individuals and companies as listed in the documents to follow.

<http://campaignfinance.macombcountym...s/48294657.PDF>

<http://campaignfinance.macombcountym...s/48295613.PDF>

<http://campaignfinance.macombcountym...s/48295713.PDF>

<http://campaignfinance.macombcountym...s/48295831.PDF>

<http://campaignfinance.macombcountym...s/48295832.PDF>

He refunded himself \$1346.00.

<http://campaignfinance.macombcountym...s/48296301.PDF>

Jerry used the church's e-mail address, so I take it they were behind this fiasco. He had to find something to do after dropping his repship with Advantage Conferences. It doesn't look like Jack donated for this historic campaign.

Jerry didn't have any time to devote to Advantage Conferences, but found all kinds of time for this nonsense. **Did Jerry discover Advantage Conferences promise that one "must be expecting to make at least \$100,000.00 or more your first year," working 5-10 hours a week is bunk? He received a \$7,000.00 check and a refund of the \$7,000.00 commission on his purchase from earning stud brother, Jack. Funny, he didn't insist that other reps in financial peril receive the same treatment he did. I guess he supports discriminatory and predatory practices in business. I wonder how Jerry feels about the horrific 98% confirmed loss rate? So much for a career in politics.**

Election Results! - The people of Warren have spoken, and November's ballot will reflect these results:

Jerry R. Weinzierl

For City Council he is in place 29 with 1,465 or 1.31% of the votes. Thank God this religious scammer is not likely to ever make it into office!

Tim Darnell is suing me. Are Jerry and Jack Weinzierl behind that as well? Please read Tim's sickening accusations in his frivolous suit. Note that he had his restraining order dissolved and will get no injunction. This is a very twisted rant.

<http://www.scribd.com/doc/8264390/Ti...es-Soapboxmom->

This is who Jerry Weinzierl and Al Tannous chose to do business with. It should be obvious why so many asked for refunds. How could these men of God accept refunds when so many others were financially devastated by this scheme and its founder Tim Darnell? Who is going to reach out to the many victimized by Darnell? Is it Christian to try to threaten truthful consumer advocates into silence with tactics like this?

Re: Jerry Weinzierl Grace Christian Church AC Pyra

<http://www.scribd.com/doc/7847029/Ti...s-and-Stalking>

Jack,

You and Tim made all those sickening allegations. If one types in Tim Darnell in the google search engine Tim's twisted rantings are on page one of the search results and rising to the top. I would think you would be horrified to have those hideous lies associated with your name.

<http://www.scribd.com/doc/7596478/Ti...ters-from-Heck>

Those sickening letters filled with provably false threats are all over the net now as well. You don't find those sickening threats and vicious lies embarrassing as well? There are more of those lovely letters in the hands of the attorneys.

Jason Ciarochi (the lawyer who was involved in the suit against the Better Business Bureau that Tim lost) said the case with the 400 or 405 (depends which disgusting letter one is referencing) grand judgment Timmy claims he won is legitimate, but it is hard to find the case number. Apparently, Jason has been searching for it for over a year now. Why don't you find it and provide the documentation, Jack.

Why don't you, Jack, explain how civil torts such as libel and slander became criminal? Tell about this history making case where someone was indicted (by a grand jury) for one instance of libel or slander. Do you and Tim even understand the definitions of libel and slander? Facts, opinions and personal experience are not it. You boys cannot stop reps from sharing their experiences. I will post and discuss public record and your ridiculous ads and webpages to my heart's content. Are you demanding more apology letters from your financially and spiritually destroyed reps? Do your reps really secretly record calls from other former reps so Tim can threaten and harass more people?

How many more sickening threats and vicious lies are you boys going to be held accountable for? How many more frivolous cases is Darnell going to file? Why don't you call up your brother Jerry Weinzierl at Grace Christian Church and tell him of all the lies and sickening allegations you boys are making. He better pray his involvement in this venture and support doesn't cost him the pulpit. Everyone knows you read frequently and post when it suits your fancy. We expect answers and God is watching!

hey Soapbox Lady!! I just wanted to say thanks for flooding our church website with all your "prayer" requests. the prayer team is so thankful that you have so much time and are so interested in things you know partial truth on.

If that really is Aaron, a former Advantage Conferences rep, he posted here a while back and I would like to cordially invite him to join us. He needs to quote the "partial truth" he references and correct that with verifiable facts. He could also kindly explain why there are predatory and discriminatory business practices in Advantage Conferences and family members get refunds when others in very desperate need don't get one. Jack Weinzierl spoke of these refunds under oath in the suit against the Better Business Bureau of Dallas.

I take it these prayers will morph into action and his fellow reps that have gone hungry, lost homes, sold homes, sold possessions, declared bankruptcy, drowned in credit card debt, taken out loans and otherwise suffered will know God's love through the Christian outreach of this church that was very involved in this scam. Perhaps, Aaron will tell us who filed that abusive second suit against the BBB and Dr. Taylor in Michigan.

Re: Jerry Weinzierl Grace Christian Church AC Pyra

Aaron,

You might also like to share with us why you left Advantage Conferences since AC promised that one "must be expecting to make at least \$100,000.00 or more your first year," working 5-10 hours a week.

I may have submitted 2 or 3 prayer requests in the last 2 years, so if you have been flooded it is the many former reps who are in desperate straights and can't understand why they were not extended refunds as all of you family members were. How could Jerry Weinzierl and Alan Tannous take refunds

when hundreds of others were in extremely desperate need of them?

I have shared facts from the court documents, AC websites and publications, rep's stories and opinions appropriately. What do you have to refute any of that? It is high time for the truth!

This is what we get from one of the goons that was lucky enough to get a refund. Certainly, there is a place in hell for pastors like him that helped rip off his flock and then took his refund and \$7,000.00 check and ran. When will this church and its 3 pastors that got involved in Advantage Conferences do something to assist the many other victims who are out thousands or tens of thousands and never got a refund?

Quote:

OUR VISION

We are a church with a priority for getting the message of Christ out to our generation. We realize that this is the single most important thing we do.

We are committed to seeking out creative avenues of outreach that will show an otherwise skeptical society that the Christian life is relevant to their life in the 21st Century.

We are a family committed to bearing one another's burdens, reaching out to one another unselfishly with the love of God.

How does the Advantage Conferences pyramid scheme fit into that? Why has the church not reached out to the victims of that scam with help? Jerry Weinzierl and Alan Tannous ripped off several folks which got them \$7,000.00 checks and both received refunds as well. What about all those that are still struggling to recover financially? Why has the church not been there with food and money for necessities for those harmed by Advantage Conferences. It looks to me like the church only helps folks when it makes them look good or is in some way to their benefit. They don't take responsibility for those they helped to place in harm's way. Did they actually believe that Advantage Conferences was the way to do outreach and spread the Good News?

Jack Weinzierl, the last Weinzierl in this scheme, has not renewed his repship for 2009. Did God tell him to leave Advantage Conferences? Has God told him to help those harmed? He should come on here again and share with us.

Re: Jerry Weinzierl Grace Christian Church

Heather Dobrott, aka SBM, this is yet another one of your misleading posts. It is interesting that a colleague forwarded a resume of one of your fellow attackers on this site. He knows who he is (even though he uses multiple screen names) and it is interesting that his focus for employment and income has been doing press release submissions and promotion for MLM companies. My colleague has asked me to post this resume here, but out of respect to this person, I am not led to.

Per your recent post, who the heck is the person in this case against the BBB from Macomb County? I don't know who DEJONG, ROBERT is, nor was I, or my family members involved in filing this suit. If AC filed this suit, I am not sure why Macomb County would have been chosen, unless their attorney was located there. I was an independent representative, as you already know.

You are so deceived and filled with hatred and I continue to pray for you. Although I could bring a suit against you, I choose not to. I will continue to walk in love and forgiveness, albeit difficult at times. People have Private Messaged me here on scam with insight regarding you and your family, and I decline the conversation.

Please correct the record and remove your misleading posts and thread regarding your Macomb County allegations and Grace if you are focused on truth. If you do not, it is clear that you believe that the end

justifies the means.. whomever it hurts.

You continue to attack a ministry in Michigan that has seen 1,000 youth come to Christ over the past couple years. You have no idea what kind of seed that you are planting for yourself and I encourage you to go to the Lord and ask for forgiveness. I sure have and do continually as I am not perfect, but forgiven...and saved by grace through faith. I thank God for His grace and mercy every day of my life.

Another note of clarification. You keep referencing that my brother, nephew and in laws demanded a refund and that I gave them preferential treatment. There was never a refund demanded and quite frankly, my brother Jerry was never active with Advantage Conferences. He helped his son get started and saw the value of Christ-centered business mentoring for him. They are both pastors and I simply gave them my profit back immediately to bless them. It was similar with my in laws. I could choose to give my profit to anyone I choose, so your accusations are yet again, false and misleading. For you to attack him personally as well as his church, is inexcusable in the natural, but forgivable, if you take that to the Lord. He loves you.

With that said, let me clarify a few things. As you know, I have not actively promoted AC for probably a year. Yes, you knew that, but continued with your attacks as you needed a target. I did not renew my representative position, but I am a Passport customer and I still plugin on the product side and mindset calls. I will attend the next conference as well. I have a deep respect for Tim Darnell and what he is trying to do with AC. I chose not to continue on the business building side, as I was not adding any value and I was a distraction to the rest of the reps promoting AC, while you continued to attack me. I still support those representatives who need assistance with marketing or general business issues, and will forever assist them, due to our relationships.

Then, I launched TheMarketLeaders.com a year ago and we are approaching 800 members and you continue to attack that. A f*ree social network for Christian business owners, but you attack. 100% free and the hundreds of hours and monies coming from me, but you attack it.

And yes, you have already reported, posted and attacked us for our financial position right now. Again, if I had to do some things over differently, I would. I am sure that millions of households would with the mess we are in right now. I take responsibility for where we are at right now, regardless of circumstances and for decisions that led us here. I have learned some important lessons and you can continue to take great joy in other people's troubles, or you can pray for those you consider to be self-imposed enemies.

You attacked us when we filed for bankruptcy and then attacked us when we were led to ask for a dismissal. You have attacked us as part of marketing AC and continue to attack us today. I believe in what AC teaches and promotes and you do not. I understand that fully.

As for me, I am focused on a traditional career path and our online advertising business. Whether we can save our home is not a concern for me right now. We have the peace of God and we know that ultimately, all will be made whole. We have also gotten back to what truly matters with our faith, family and friends, who have been so supportive over the years. We are serving the Lord every week through our church, but more importantly walking it out the best can every day. You may continue to criticize when we cannot pay our property taxes and if we lose our home, and for that, I am sad for you, not for me.

"It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood, who strives valiantly; who errs and comes short again and again; because there is not effort without error and shortcomings; but who does actually strive to do the deed; who knows the great enthusiasm, the great devotion, who spends himself in a worthy cause, who at the best knows in the end the triumph of high achievement and who at the worst, if he fails, at least he fails while daring greatly. So that his place shall never be with those cold and timid souls who know neither victory nor defeat."

I answered you, Jack. I expect your brother, Jerry Weinzierl, to come on here again and share with us how he is going to bless all those hurt by Advantage Conferences. If he had any maturity or integrity he would be reaching out and ministering to those he helped to harm!!!!

Heather Dobrott, I will continue to pray for you. The people that I worked with over the past several years know of my commitment level and they also have my appreciation for all their prayers of agreement. Your response and your comment regarding my brother is simply ridiculous.

The simple fact that you have misled folks here regarding the suit filed in Macomb county and have attacked one of the best ministries out there, speaks volumes that you believe that the ends justify any means. And yes, the Roosevelt quote is so appropriate for those focused on tearing people down.

Jack Weinzierl, please carefully read the post I linked and tell us again how Treasures for the Kingdom is a registered 501(c)3 as you claimed in June 2006.

Jack said on 6/07/2006:

Quote:

SoapBoxMom, **Treasures for the Kingdom is in fact a registered 501 (c)(3)** You and your minions here need some help. None of you have been to an event, let alone 2 or 3 of them, none of you have been at the Day of Service, none of you believe that faith should be part of one's business and daily walk, enough said. My best to you today.

SoapBoxMom, you are incredible. **Do you think since this is a newer 501 (c) (3) that was put in place in early 2006 that it may not be in the IRS website yet? Yes, people will create a website for all to see, take and make donations and not setup the 501 (c) (3) that is fairly quick and inexpensive to do so?**

Oliver Stone has a new movie coming out and you conspiracy-minded folks will probably be the first in line. You disgust me, but as a believer, I am called to love the unlovable and I will continue to pray for you

SoapBoxMom, a person can read through the threads and see three very long posts that are chock full of your inaccuracies. OpenQuestion refuted that I could not call them lies. I disagree when someone knowingly is spreading untruths just to try to instigate others or to serve their end. Also, **the fact that Treasures is a registered 501 (c) (3)** and many others that AC supports, makes your statements and accusations inaccurate, whether you personally have the documentation or not. I agree with Phinnly for a change that accountability is on the law side too, but as believers it is even more so. **The documentation will be provided to the folks that need it, not to you my friend.** You are receiving a lot of prayer these days.

Jack you are obviously in need of some good advice. Tim Darnell can't keep his stories straight so you need to lose that goof. The fact is the IRS and the Texas Non-Profit Corporation Act require certain records of the charity be made public. I can go to Tim Darnell's home and copy them any time I choose and my attorneys requested those documents as well. I suggest you get the facts and clean up your act. The lawsuits are rapidly moving forward and you and your family are all getting caught in the line of fire.

Re: Jerry Weinzierl Grace Christian Church AC Pyra

Heather, it is amazing that you are now attacking me for "not" suing you. Amazing and sad.

I did not sue you when asked to do so by others. It is also sad that you take joy in getting someone disbarred. If that person wronged you, pray for them, forgive them and move on. Again, you try to associate that with me somehow and also do it as a thinly veiled threat. I have nothing to hide. Our finances have been an open book and we believed in a business that did not produce the results that we had hoped for. We have lost almost everything material standing up for what we believed in. There is enough blame to go around, but I am focused on my job search right now and praying for others such as Zena and Judy on a regular basis. I tried to reach out to Zena over the past 18 months, but any email or my PM to you went unanswered.

Please correct the record and remove your misleading posts and thread regarding your Macomb County allegations and Grace, if you are focused on truth. If you do not, it is clear that you believe that the end justifies the means.. whomever it hurts. I should not and cannot post that you are a child molester (for example only) and when you state that you are not....for me to say, prove it, is irresponsible. That is ridiculous and it is the approach you have taken here with me.

You have no idea what kind of seed that you are planting for yourself and I encourage you to go to the Lord and ask for forgiveness. I sure have and do continually as I am not perfect, but forgiven...and saved by grace through faith. I thank God for His grace and mercy every day of my life. If I have said things that have offended and hurt you, you have my sincere apology. Forgive me.

As you know, I have not actively promoted AC for close to a year. Yes, you knew that, but continued with your attacks as you needed a target. I did not renew my representative position, but I am a Passport customer and I still plugin on the product side and mindset calls. The mindset call last Thursday was a highlight of my week. I have a deep respect for Tim Darnell. Has he made mistakes? Of course he has, as any business owner has and will. I chose not to continue on the business building side, as I was not adding any value and I was a distraction to the rest of the reps promoting AC, while you continued to attack me. I still support those representatives who need assistance with marketing or general business issues, and will forever assist them, due to our relationships.

And yes, our financial picture has been pretty transparent. Again, if I had to do some things over differently, I would. I am sure that millions of households would with the mess we are in right now. I take responsibility for where we are at right now, regardless of the circumstances and for personal decisions that led us here. I have learned some important lessons and you can continue to take great joy in other people's troubles, or you can pray for those you consider to be self-imposed enemies.

You attacked us when we filed for bankruptcy and then attacked us when we were led to ask for a dismissal. You have attacked us as part of marketing AC and continue to attack us today, a year after we stopped marketing AC. I believe in what AC teaches and promotes and you do not. I understand that fully.

As for me, I am focused on a traditional career path and our online advertising business. Whether we can save our home is not a concern for me right now. You will continue to criticize when we cannot pay our property taxes and if we lose our home, and for that, I am sad for you, not for me. I have been about the only person to come on here under my own name to share a different perspective because everyone else has seen how you treat those you disagree with.

Heather, I love you even when that is difficult at times. I forgive you even though you will never ask for forgiveness. Experience His love as we head into Resurrection Sunday. His love is overwhelming and can move mountains in your life.

Re: Jerry Weinzierl Grace Christian Church AC Pyra

My name is **Jerry Weinzierl, resident of Warren, Michigan and pastor of Grace Christian Church in Sterling Heights, Michigan**. Make no mistake who this is. I have been drawn into **Soapbox Mom's** web of deceitful comments and it's simply unfair! My son and I did absolutely nothing wrong except look into and invest in a possible business venture. I have stated in past responses that a short period of time went by & we realized that we didn't have the time to commit to the vision, so we pulled away. We **DID NOT EVER** demand a "refund", we **NEVER** brought suit against anyone. The way you try to smear me and my family through association and innuendo is so misleading and dishonest! I have been married for almost 33 years, have 3 grown children, 5 grandchildren and my wife and I have 25 years of pastoring the same church, operating a K-12 Christian School with 537 students, and have done all with integrity, honesty and godly character. Being on radio Mon-Fri, being on TV weekly, pastoring a church that is growing, reaching people and helping thousands to live a better life through Jesus Christ, will certainly get attention....and it's not always good attention. I have my critics. I have those that don't like the way I preach, **BUT NEVER** have I been accused of the dishonesty that some in this thread attempt to smear my family with. I have a ministry (Trustee) board, dozens of financial checks and balances, my wife and I **NEVER** count or handle the money, we **NEVER** look at giving records, we can't both sign checks, and on and on and on! You even tried to **SMEAR** me through posting partial information regarding my campaign records (Warren City Council, 2007)! The County of Macomb campaign authority **gave me a clean report regarding my finances** and allowed me to close the campaign account. That **ONLY** happens if the account balances and **EVERYTHING** is in order! I operated **COMPLETELY** within their guidelines. I didn't win the primary, (and I'm actually grateful that I didn't!), because we were in the middle of moving into our new church facility at the same time the election process occurred and I couldn't devote the 100's of additional hours it would have taken to win. (I did, by the way, serve my city proudly for 5+ years on the Planning Commission, the last 1 1/2 as it's secretary.) I guess I will have to continually post responses to this silly scam site. The fact that it's been going on for so long and the fact that your accusations have broadened to include **my family** just show that you derive a strange sense of purpose though what you are doing. I suppose you feel justified...so be it. But I will set the record straight regarding **MY Family** from now on.

Jerry,

Tell your friend Tim Darnell to honestly disclose who filed that sickening, identical suit against against the Better Business Bureau of Dallas in the courthouse just ten miles from your church in Macomb county Michigan.

Take your refund, as there were many more in desperate need that were denied one, and help those in desperate straights financially. You know-----those who were harmed by their involvement with your brother, Jack, and his brother in Christ Tim Darnell.

Thank you!

Re: Jerry Weinzierl Grace Christian Church AC Pyra

Jack and Jerry,

Jack, its funny for me to sit and read your post and read that you think Tim Darnell only made a few mistakes..

Have you honestly allowed yourself to beleive that , thats ALL he and you did?? Is make a few mistakes??

Jack, the FACT of the MATTER is YOU and TIM DARNELL LIED to many folks. You advertised deceptively, you flat out lied to good christian people in order to steal \$10k a pop from them in a Pyramid Scheme called Advantage Conferences!!

The FACT of the MATTER is, you got caught in your lie and it has been exposed here on scam.com and in the BBB lawsuit that Advantage Conferences lost and basically got thrown out of court..

Jerry, I pray for you that you can see the reality of what your brother has done and help your brother! He needs to learn alot.. Alot about life and alot about ethics!!

Jack, you are probably going to loose your home because God, does not like to see people make money dishonestly and even worse do so in the name of GOD..

Yes, I know I can't spell. I just type to fast, don't care and don't have enough time to spell check.
So please judge my post on content, not spelling.

Re: Jerry Weinzierl Grace Christian Church AC Pyra

Jack,

You sang the praises of convicted felon, Mike "The Junk Bond King" Milken. Now, you sing the praises of Tim Darnell and hang your own brother and his family out to dry in the process. No decent, honest person with an ounce of integrity will have anything to do with either of you. So, what does Tim Darnell have on you that you are still tangled up with him and defending him???? If you have deep respect for Tim Darnell you are no Christian and have zero integrity.

Do post on here who filed and paid for the sickening filing against the BBB of Dallas, Texas in Macomb County Michigan at a time when you were in Michigan yourself. The fact is that suit was filed 10 miles from your brothers church and 1215 miles from Dallas. Remember that talk we had about personal jurisdiction? That suit couldn't be pursued as that Michigan court could not possibly have jurisdiction as the BBB of Dallas is in Dallas, Texas. It is also abuse of process to file an identical suit to one that is going on elsewhere. Of course, it was obvious Tim Darnell was losing that one, so he filed another sickening and frivolous suit in Michigan. Brilliant business in action!

For a purveyor of truth Soapboxmom you have a lot of goofed up information on your threads. I'm actually amazed at how much research and digging you've done and end up with so much non-sense - Just enough truth mixed with garbage and you end up with...your posts

I don't mean this mean or sarcastically - if you only put part of the time you spend posting into something that reaped benefits like ministering to people for the kingdom of God or even your own small business you'd most likely have a good business in your hands or something you can pass to your kids in the future.

You know your posts on here do little more than make the scam-com site large revenue for their ad clicks as visitors browse the pages you spend hour after hour creating. They love it! keep 'em coming they say - more traffic equals more money for this site. Good thing for them they are hosted out of US jurisdiction or else most of your threads would be pulled down.

so anyways that's it! hey if you are ever in the metro detroit area you are welcome to visit church on Sunday or any of our many life groups that meet on Wednesday night. I have extensively quoted thousands of pages of court documents. If you see any "goofed up information," I suggest you come on here with some facts. Your uncle defrauded folks out of thousands of dollars they couldn't afford to lose. He is a liar and con as the facts conclusively prove.

No Christian could use folks' faith to take their life savings. Folks that joined as MMC-IVs (over half of the reps) were part of the 98% loss rate. Many of them are out \$20,000.00 - \$30,000.00 or more. Folks have lost homes, sold homes, sold possessions, gone hungry, taken out loans, spent retirement funds and drowned in credit card debt. That is what spreading God's word has accomplished with Weinzierls and Tim Darnell involved.

All the Weinzierl's should be removed from the pulpit as The Word is simply a tool you people use to defraud the public. I have a duty to protect the public. Your prayers obviously weren't keeping you away from an adjudicated pyramid scheme that has left a trail of devastation in its wake.

I would love to visit your church and discuss who filed that disgusting lawsuit and discuss how your family is going to use their refunds to help the many others who were denied refunds and have had their lives destroyed by Advantage Conferences.

Re: Jerry Weinzierl Grace Christian Church AC Pyra

I'm trying to decided whether I should respond to your above non sense - spending my quality time or not - um.... ya not worth it!

I have a tv show to produce today and tomorrow - something that actually helps people - you'd probably be surprised to know that we don't ask for money on the show - it's 28 minutes of bible teaching (here is where soapboxmother will reply with "28 minutes of bible teaching, what about how you should give your money to the Weinzierl scam clan...." I just thought I'd beat you to it since you're pretty predictable)

So have a great day and have fun posting garbage with your handle soapbox and wishyouknew - can't imagine why you guys don't post with your real names...hmmm????

Sincerely,

Did you forget that your scumbag uncle, Jack Weinzierl, constantly threatened to sue people on here?? Jack registered with numerous identities and posted with 9 including:

Truthvs.Fiction
LetYourLightShine
All4Christ
SoapBoxDad
Jack_ Weinzierl

ShiningLight
 JackWeinzierl
 Jweinzierl
 Interestingfacts4u

That lying sack of dirt didn't use his name most of the time when he was threatening all of us and when he was totally misrepresenting the Advantage Conferences business opportunity so he could defraud more Christians out of their money!!!!

Did you forget his brother-in-Christ did sue me and waste tens of thousands of dollars on legal bills for a frivolous, harassment suit??? Did you forget that Tim Darnell and your uncle, Jack Weinzierl, fabricated death threat and stalking allegations against me to frighten me into silence and put my family in danger??? They both posted those all over the net, put them in e-mails and spoke about them at the November 2007 conference. The court hearing and deposition transcripts will be put up and you can read for yourself where Tim agrees under oath in front of the judge that he is responsible for everything exactly as it is on the following page that was submitted into evidence by Jason Charles Ciarochi, his clown of an attorney. Tim admitted he had never seen me before and that it was mainly internet stalking by being on scam so all that was lies!!! What kind of sick garbage would make up hideous allegations like that, Aaron????

Report from the AC November 2007 Conference:

Quote:

Tim told ** that you stalk him, sit outside his house all hours of the night and watch his family, and that you have made death threats. He told ** that the speakers who backed out did so because you personally threatened them. He also told ** that they were planning to sue you and they had a iron-clad case against you and that Satan is attacking AC.

From Footspteps of Folly (Faith):

Quote:

...Say the name of Jesus in the marketplace. Do it consistently and watch the demons of hell come out from under the bogs and out of their comfortable cesspools, spewing hideous, wretched venom. Funny thing about those demons - they always prefer to work under the cover of darkness. They're great at espionage and covert, cowardly hit and run tactics. But, boy, do they hate the light.

We've encountered many of those demons on the Internet. They can hurl their lies and hate-filled accusations, saying virtually anything they want about True Believers, their number one targets, because they can denunciate and attempt to destroy with very little fear of reprisal. Virtually all choose to remain anonymous for fear of being exposed! They'll also resort to other methods, like making phone calls to try to malign and destroy a Believer's character, business, and reputation, the content of those messages and calls always being jaded, twisted, and oftentimes, malicious lies...

On the Internet, lies are the essence and substance of the attacks. In my case, one such attacker, a Scambuster, has literally and physically stalked me and my top Representative, Jack Weinzierl, for over two years now....She's made defaming my name and character, including several of our top business associates, a career path. I'm still mystified by her hatred and obsession, but it is indeed the reality we've experienced....

Aaron,

Thats an easy angle for you to take.. Just write us off as a bunch of "nonsense". I can understand you wanting to stick up for your family..

Just for your knowledge, I am myself a God Fearing Christian! I attend a Baptist Church near Tim Darnell's church. I am very active in several charitable organizations (World Visions, Lions Club and

Jerry Weinzierl Grace Christian Church AC Pyramid

Jerry Weinzierl, the senior pastor of Grace Christian Church, is the brother of our very own weasel Jack Weinzierl. Jerry Weinzierl, Jerry's son and Alan Tannous, Jack's father-in-law, were all in Advantage Conferences. They were ground floor entrants and still quickly bailed from this supposed "oasis of integrity"

Advantage Conferences was supposed to be Christ-centered and God ordained. 98% of the Christians that got involved lost money. Many are out thousands of dollars. This bunch got involved in a shady stranger owned life insurance on seniors debacle. They pirated the name of a local parish in Allen, Texas and used the church's name without their knowledge or blessing. Jack Weinzierl, the top money earner was mentored straight into chapter 7 bankruptcy and allegations of possible fraudulent transfers.

Jerry Weinzierl and Alan Tannous got refunds while hundreds of others suffered financial devastation. Giving Jack's family refunds and not offering the same to all reps is discrimination, predatory business practice and completely unethical. How could these men of God accept these refunds when other folks were going hungry, losing homes, selling possessions, selling homes, facing bankruptcy, drowning in credit card debt and suffering such financial hardship? Many reps were out 15 - 30 grand because of their involvement in Advantage Conferences.

Aaron Weinzierl was alleged to have been brought in for free as Uncle Jack paid to get him in. Aaron apparently was not comfortable pushing this in the church in Michigan much to his credit.

Read the source documents here:

[View my documents on](#)**Scribd**

Jack dragged his dear nephew Aaron in as an MMC-IV on 07/27/05.

Jerry Weinzierl was sanitized from the complete rep list as we all can see.

Jerry is a member of Jack Weinzierl's OPEN group where scammers calling themselves Christian congregate.

Jerry Weinzierl and Al Tannous had both gotten \$7,000.00 commission checks and still demanded an got refunds. See Jack Weinzierl's deposition linked below.

<http://www.scribd.com/people/document...5/folder/45397>

Jack, otherwise known as SoapBoxDad, said on scam.com that only 2 refunds were given, but I count at least 9 of various description.

I notice that according to Google maps your brother's church, Grace Christian Church in Michigan, is a mere 10 miles from that courthouse. Did your brother, Pastor Jerry Weinzierl have anything to do with this? Did Pastor Jan and her husband Al Tannous, your in-laws have anything to do with this? Was your very honest and forthcoming nephew Pastor Aaron W. involved in this fiasco?

Why was this case ever filed? Why was this case dropped? Who contacted that attorney? Do you realize that there could be sanctions for this? This filing done in Michigan's Macomb County while Tim had an identical case going in Dallas District court is clear abuse of process and just plain dirty.

Here are some pertinent documents from the suit these Christian scammers filed against the Dallas Better Business Bureau.

<http://mysite.verizon.net/resurlf0/a...ruth/id15.html>

<http://mysite.verizon.net/resurlf0/a...ruth/id34.html>

Tim Darnell , Jack's hero and the owner of Advantage Conferences, publishes a weekly religious rant where he attacks legitimate critics like myself who are exposing the truth.

<http://mysite.verizon.net/resurlf0/a...ruth/id22.html>

That is certainly some sickening garbage. Why Jack Weinzierl and his brother Jerry are supporting this I can't imagine.

Re: Jerry Weinzierl Grace Christian Church AC Pyra

I have sent several prayer requests to Grace Christian Church and asked that the church pray about reaching out to the reps harmed by Advantage Conferences. These so called Christians have not responded in any way. Pastor Jerry Weinzierl and Alan Tannous happily took their \$7,000.00 refunds and \$7,000.00 commission checks and ran while many suffered unspeakably.

They may very well have been behind that 2nd frivolous lawsuit against the Dallas Better Business Bureau. These litigious goons apparently are in favor of the frivolous suit against me as well as Jack Weinzierl is still in Advantage Conferences and claiming that AC will be victorious in His timing.

They apparently only care for you when they can empty your pockets. I think we should pray for Jerry Weinzierl to be removed from the pulpit and replaced with someone who will truly do God's work and look after His flock. I am sure God did not intend for his children to lose 20 - 30 grand to Advantage Conferences and go hungry, lose homes, sell homes, sell possessions, take out loans, drown in credit card debt face bankruptcy and suffer financially as so many have. It is high time Jack Weinzierl's brother Jerry and his father-in-law Alan Tannous step forward and take responsibility for the calamity in their wake.

Grace Christian Church says:

Quote:

Grace Cares
On Thursday, November 6th at 7:00p.m. in Room 145 a new ministry called "Grace Cares" is being launched.

Grace Cares should reach out to all those in Advantage Conferences that they were instrumental in harming!

Re: Jerry Weinzierl Grace Christian Church AC Pyra

Pastor Jerry Weinzierl of Grace Christian Church ran for office with no party affiliation. Jerry was the candidate and **treasurer** for a failed run at a seat on the city council in Warren, Michigan.

<http://campaignfinance.macombcountym...mmitteeID=4910>

<http://campaignfinance.macombcountym...s/48294403.PDF>

<http://campaignfinance.macombcountym...s/48294656.PDF>

Jerry loans his campaign committee \$1828.86. He collects \$2125.00 in contributions from several individuals and companies as listed in the documents to follow.

<http://campaignfinance.macombcountym...s/48294657.PDF>

<http://campaignfinance.macombcountym...s/48295613.PDF>

<http://campaignfinance.macombcountym...s/48295713.PDF>

<http://campaignfinance.macombcountym...s/48295831.PDF>

<http://campaignfinance.macombcountym...s/48295832.PDF>

He refunded himself \$1346.00.

<http://campaignfinance.macombcountym...s/48296301.PDF>

Jerry used the church's e-mail address, so I take it they were behind this fiasco. He had to find something to do after dropping his repship with Advantage Conferences. It doesn't look like Jack donated for this historic campaign.

Jerry didn't have any time to devote to Advantage Conferences, but found all kinds of time for this nonsense. **Did Jerry discover Advantage Conferences promise that one "must be expecting to make at least \$100,000.00 or more your first year," working 5-10 hours a week is bunk? He received a \$7,000.00 check and a refund of the \$7,000.00 commission on his purchase from earning stud brother, Jack. Funny, he didn't insist that other reps in financial peril receive the same treatment he did. I guess he supports discriminatory and predatory practices in business. I wonder how Jerry feels about the horrific 98% confirmed loss rate? So much for a career in politics.**

Jerry R. Weinzierl

For City Council he is in place 29 with 1,465 or 1.31% of the votes. Thank God this religious scammer is not likely to ever make it into office!

Tim Darnell is suing me. Are Jerry and Jack Weinzierl behind that as well? Please read Tim's sickening accusations in his frivolous suit. Note that he had his restraining order dissolved and will get no injunction. This is a very twisted rant.

<http://www.scribd.com/doc/8264390/Ti...es-Soapboxmom->

This is who Jerry Weinzierl and Al Tannous chose to do business with. It should be obvious why so many asked for refunds. How could these men of God accept refunds when so many others were financially devastated by this scheme and its founder Tim Darnell? Who is going to reach out to the many victimized by Darnell? Is it Christian to try to threaten truthful consumer advocates into silence with tactics like this?

Re: Jerry Weinzierl Grace Christian Church AC Pyra

<http://www.scribd.com/doc/7847029/Ti...s-and-Stalking>

Jack,

You and Tim made all those sickening allegations. If one types in Tim Darnell in the google search engine Tim's twisted rantings are on page one of the search results and rising to the top. I would think you would be horrified to have those hideous lies associated with your name.

<http://www.scribd.com/doc/7596478/Ti...ters-from-Heck>

Those sickening letters filled with provably false threats are all over the net now as well. You don't find those sickening threats and vicious lies embarrassing as well? There are more of those lovely letters in the hands of the attorneys.

Jason Ciarochi (the lawyer who was involved in the suit against the Better Business Bureau that Tim lost) said the case with the 400 or 405 (depends which disgusting letter one is referencing) grand judgment Timmy claims he won is legitimate, but it is hard to find the case number. Apparently, Jason has been searching for it for over a year now. Why don't you find it and provide the documentation, Jack.

Why don't you, Jack, explain how civil torts such as libel and slander became criminal? Tell about this history making case where someone was indicted (by a grand jury) for one instance of libel or slander. Do you and Tim even understand the definitions of libel and slander? Facts, opinions and personal experience are not it. You boys cannot stop reps from sharing their experiences. I will post and discuss public record and your ridiculous ads and webpages to my heart's content. Are you demanding more apology letters from your financially and spiritually destroyed reps? Do your reps really secretly record calls from other former reps so Tim can threaten and harass more people?

How many more sickening threats and vicious lies are you boys going to be held accountable for? How many more frivolous cases is Darnell going to file? Why don't you call up your brother Jerry Weinzierl at Grace Christian Church and tell him of all the lies and sickening allegations you boys are making. He better pray his involvement in this venture and support doesn't cost him the pulpit. Everyone knows you read frequently and post when it suits your fancy. We expect answers and God is watching!

LM--this is getting crazy--it looks as if this "morn" person is really trying to harm the "mom" person. Not good. (As much as I think "mom" is a person unnaturally obsessed with a single issue that the rest of the world doesn't care about--she doesn't deserve this from the "morn" person.)

hey Soapbox Lady!! I just wanted to say thanks for flooding our church website with all your "prayer" requests. the prayer team is so thankful that you have so much time and are so interested in things you know partial truth on.

If that really is Aaron, a former Advantage Conferences rep, he posted here a while back and I would like to cordially invite him to join us. He needs to quote the "partial truth" he references and correct that with verifiable facts. He could also kindly explain why there are predatory and discriminatory business practices in Advantage Conferences and family members get refunds when others in very desperate need don't get one. Jack Weinzierl spoke of these refunds under oath in the suit against the Better Business Bureau of Dallas.

I take it these prayers will morph into action and his fellow reps that have gone hungry, lost homes, sold homes, sold possessions, declared bankruptcy, drowned in credit card debt, taken out loans and otherwise suffered will know God's love through the Christian outreach of this church that was very involved in this scam. Perhaps, Aaron will tell us who filed that abusive second suit against the BBB and Dr. Taylor in Michigan.

Re: Jerry Weinzierl Grace Christian Church AC Pyra

Aaron,

You might also like to share with us why you left Advantage Conferences since AC promised that one "must be expecting to make at least \$100,000.00 or more your first year," working 5-10 hours a week.

I may have submitted 2 or 3 prayer requests in the last 2 years, so if you have been flooded it is the many former reps who are in desperate straights and can't understand why they were not extended refunds as all of you family members were. How could Jerry Weinzierl and Alan Tannous take refunds

when hundreds of others were in extremely desperate need of them?

I have shared facts from the court documents, AC websites and publications, rep's stories and opinions appropriately. What do you have to refute any of that? It is high time for the truth!

This is what we get from one of the goons that was lucky enough to get a refund. Certainly, there is a place in hell for pastors like him that helped rip off His flock and then took his refund and \$7,000.00 check and ran. When will this church and its 3 pastors that got involved in Advantage Conferences do something to assist the many other victims who are out thousands or tens of thousands and never got a refund?

OUR VISION

We are a church with a priority for getting the message of Christ out to our generation. We realize that this is the single most important thing we do.

We are committed to seeking out creative avenues of outreach that will show an otherwise skeptical society that the Christian life is relevant to their life in the 21st Century.

We are a family committed to bearing one another's burdens, reaching out to one another unselfishly with the love of God.

How does the Advantage Conferences pyramid scheme fit into that? Why has the church not reached out to the victims of that scam with help? Jerry Weinzierl and Alan Tannous ripped off several folks which got them \$7,000.00 checks and both received refunds as well. What about all those that are still struggling to recover financially? Why has the church not been there with food and money for necessities for those harmed by Advantage Conferences. It looks to me like the church only helps folks when it makes them look good or is in some way to their benefit. They don't take responsibility for those they helped to place in harm's way. Did they actually believe that Advantage Conferences was the way to do outreach and spread the Good News?

Re: Jerry Weinzierl Grace Christian Church

Heather Dobrott, aka SBM, this is yet another one of your misleading posts. It is interesting that a colleague forwarded a resume of one of your fellow attackers on this site. He knows who he is (even though he uses multiple screen names) and it is interesting that his focus for employment and income has been doing press release submissions and promotion for MLM companies. My colleague has asked me to post this resume here, but out of respect to this person, I am not led to.

Per your recent post, who the heck is the person in this case against the BBB from Macomb County? I don't know who DEJONG, ROBERT is, nor was I, or my family members involved in filing this suit. If AC filed this suit, I am not sure why Macomb County would have been chosen, unless their attorney was located there. I was an independent representative, as you already know.

You are so deceived and filled with hatred and I continue to pray for you. Although I could bring a suit against you, I choose not to. I will continue to walk in love and forgiveness, albeit difficult at times. People have Private Messaged me here on scam with insight regarding you and your family, and I decline the conversation.

Please correct the record and remove your misleading posts and thread regarding your Macomb County allegations and Grace if you are focused on truth. If you do not, it is clear that you believe that the end

justifies the means.. whomever it hurts.

You continue to attack a ministry in Michigan that has seen 1,000 youth come to Christ over the past couple years. You have no idea what kind of seed that you are planting for yourself and I encourage you to go to the Lord and ask for forgiveness. I sure have and do continually as I am not perfect, but forgiven...and saved by grace through faith. I thank God for His grace and mercy every day of my life.

Another note of clarification. You keep referencing that my brother, nephew and in laws demanded a refund and that I gave them preferential treatment. There was never a refund demanded and quite frankly, my brother Jerry was never active with Advantage Conferences. He helped his son get started and saw the value of Christ-centered business mentoring for him. They are both pastors and I simply gave them my profit back immediately to bless them. It was similar with my in laws. I could choose to give my profit to anyone I choose, so your accusations are yet again, false and misleading. For you to attack him personally as well as his church, is inexcusable in the natural, but forgivable, if you take that to the Lord. He loves you.

With that said, let me clarify a few things. As you know, I have not actively promoted AC for probably a year. Yes, you knew that, but continued with your attacks as you needed a target. I did not renew my representative position, but I am a Passport customer and I still plugin on the product side and mindset calls. I will attend the next conference as well. I have a deep respect for Tim Darnell and what he is trying to do with AC. I chose not to continue on the business building side, as I was not adding any value and I was a distraction to the rest of the reps promoting AC, while you continued to attack me. I still support those representatives who need assistance with marketing or general business issues, and will forever assist them, due to our relationships.

Then, I launched TheMarketLeaders.com a year ago and we are approaching 800 members and you continue to attack that. A f*ree social network for Christian business owners, but you attack. 100% free and the hundreds of hours and monies coming from me, but you attack it.

And yes, you have already reported, posted and attacked us for our financial position right now. Again, if I had to do some things over differently, I would. I am sure that millions of households would with the mess we are in right now. I take responsibility for where we are at right now, regardless of circumstances and for decisions that led us here. I have learned some important lessons and you can continue to take great joy in other people's troubles, or you can pray for those you consider to be self-imposed enemies.

You attacked us when we filed for bankruptcy and then attacked us when we were led to ask for a dismissal. You have attacked us as part of marketing AC and continue to attack us today. I believe in what AC teaches and promotes and you do not. I understand that fully.

As for me, I am focused on a traditional career path and our online advertising business. Whether we can save our home is not a concern for me right now. We have the peace of God and we know that ultimately, all will be made whole. We have also gotten back to what truly matters with our faith, family and friends, who have been so supportive over the years. We are serving the Lord every week through our church, but more importantly walking it out the best we can every day. You may continue to criticize when we cannot pay our property taxes and if we lose our home, and for that, I am sad for you, not for me.

"It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood, who strives valiantly; who errs and comes short again and again; because there is not effort without error and shortcomings; but who does actually strive to do the deed; who knows the great enthusiasm, the great devotion, who spends himself in a worthy cause, who at the best knows in the end the triumph of high achievement and who at the worst, if he fails, at least he fails while daring greatly. So that his place shall never be with those cold and timid souls who know neither victory nor defeat."

Heather Dobrott, I will continue to pray for you. The people that I worked with over the past several years know of my commitment level and they also have my appreciation for all their prayers of agreement. Your response and your comment regarding my brother is simply ridiculous.

The simple fact that you have misled folks here regarding the suit filed in Macomb county and have attacked one of the best ministries out there, speaks volumes that you believe that the ends justify any means. And yes, the Roosevelt quote is so appropriate for those focused on tearing people down.

Jack Weinzierl, please carefully read the post I linked and tell us again how Treasures for the Kingdom is a registered 501(c)3 as you claimed in June 2006.

Jack said on 6/07/2006:

Quote:

SoapBoxMom, **Treasures for the Kingdom is in fact a registered 501 (c)(3)** You and your minions here need some help. None of you have been to an event, let alone 2 or 3 of them, none of you have been at the Day of Service, none of you believe that faith should be part of one's business and daily walk, enough said. My best to you today.

SoapBoxMom, you are incredible. **Do you think since this is a newer 501 (c) (3) that was put in place in early 2006 that it may not be in the IRS website yet? Yes, people will create a website for all to see, take and make donations and not setup the 501 (c) (3) that is fairly quick and inexpensive to do so?**

Oliver Stone has a new movie coming out and you conspiracy-minded folks will probably be the first in line. You disgust me, but as a believer, I am called to love the unlovable and I will continue to pray for you

SoapBoxMom, a person can read through the threads and see three very long posts that are chock full of your inaccuracies. OpenQuestion refuted that I could not call them lies. I disagree when someone knowingly is spreading untruths just to try to instigate others or to serve their end. Also, **the fact that Treasures is a registered 501 (c) (3)** and many others that AC supports, makes your statements and accusations inaccurate, whether you personally have the documentation or not. I agree with Phinnly for a change that accountability is on the law side too, but as believers it is even more so. **The documentation will be provided to the folks that need it, not to you my friend.** You are receiving a lot of prayer these days.

Jack you are obviously in need of some good advice. Tim Darnell can't keep his stories straight so you need to lose that goof. The fact is the IRS and the Texas Non-Profit Corporation Act require certain records of the charity be made public. I can go to Tim Darnell's home and copy them any time I choose and my attorneys requested those documents as well. I suggest you get the facts and clean up your act. The lawsuits are rapidly moving forward and you and your family are all getting caught in the line of fire.

Re: Jerry Weinzierl Grace Christian Church AC Pyra

Heather, it is amazing that you are now attacking me for "not" suing you. Amazing and sad.

I did not sue you when asked to do so by others. It is also sad that you take joy in getting someone disbarred. If that person wronged you, pray for them, forgive them and move on. Again, you try to associate that with me somehow and also do it as a thinly veiled threat. I have nothing to hide. Our finances have been an open book and we believed in a business that did not produce the results that we had hoped for. We have lost almost everything material standing up for what we believed in. There is enough blame to go around, but I am focused on my job search right now and praying for others such as Zena and Judy on a regular basis. I tried to reach out to Zena over the past 18 months, but any email or my PM to you went unanswered.

Please correct the record and remove your misleading posts and thread regarding your Macomb County allegations and Grace, if you are focused on truth. If you do not, it is clear that you believe that the end justifies the means.. whomever it hurts. I should not and cannot post that you are a child molester (for example only) and when you state that you are not....for me to say, prove it, is irresponsible. That is ridiculous and it is the approach you have taken here with me.

You have no idea what kind of seed that you are planting for yourself and I encourage you to go to the Lord and ask for forgiveness. I sure have and do continually as I am not perfect, but forgiven...and saved by grace through faith. I thank God for His grace and mercy every day of my life. If I have said things that have offended and hurt you, you have my sincere apology. Forgive me.

As you know, I have not actively promoted AC for close to a year. Yes, you knew that, but continued with your attacks as you needed a target. I did not renew my representative position, but I am a Passport customer and I still plugin on the product side and mindset calls. The mindset call last Thursday was a highlight of my week. I have a deep respect for Tim Darnell. Has he made mistakes? Of course he has, as any business owner has and will. I chose not to continue on the business building side, as I was not adding any value and I was a distraction to the rest of the reps promoting AC, while you continued to attack me. I still support those representatives who need assistance with marketing or general business issues, and will forever assist them, due to our relationships.

And yes, our financial picture has been pretty transparent. Again, if I had to do some things over differently, I would. I am sure that millions of households would with the mess we are in right now. I take responsibility for where we are at right now, regardless of the circumstances and for personal decisions that led us here. I have learned some important lessons and you can continue to take great joy in other people's troubles, or you can pray for those you consider to be self-imposed enemies.

I have been about the only person to come on here under my own name to share a different perspective because everyone else has seen how you treat those you disagree with.

Heather, I love you even when that is difficult at times. I forgive you even though you will never ask for forgiveness. Experience His love as we head into Resurrection Sunday. His love is overwhelming and can move mountains in your life.

Re: Jerry Weinzierl Grace Christian Church AC Pyra

My name is **Jerry Weinzierl, resident of Warren, Michigan and pastor of Grace Christian Church in Sterling Heights, Michigan**. Make no mistake who this is. I have been drawn into **Soapbox Mom's** web of deceitful comments and it's simply unfair! My son and I did absolutely nothing wrong except look into and invest in a possible business venture. I have stated in past responses that a short period of time went by & we realized that we didn't have the time to commit to the vision, so we pulled away. We **DID NOT EVER** demand a "refund", we **NEVER** brought suit against anyone. The way you try to smear me and my family through association and innuendo is so misleading and dishonest! I have been married for almost 33 years, have 3 grown children, 5 grandchildren and my wife and I have 25 years of pastoring the same church, operating a K-12 Christian School with 537 students, and have done all with integrity, honesty and godly character. Being on radio Mon-Fri, being on TV weekly, pastoring a church that is growing, reaching people and helping thousands to live a better life through Jesus Christ, will certainly get attention....and it's not always good attention. I have my critics. I have those that don't like the way I preach, **BUT NEVER** have I been accused of the dishonesty that some in this thread attempt to smear my family with. I have a ministry (Trustee) board, dozens of financial checks and balances, my wife and I **NEVER** count or handle the money, we **NEVER** look at giving records, we can't both sign checks, and on and on and on! You even tried to **SMEAR** me through posting partial information regarding my campaign records (Warren City Council, 2007)! The County of Macomb campaign authority **gave me a clean report regarding my finances** and allowed me to close the campaign account. That **ONLY** happens if the account balances and **EVERYTHING** is in order! I operated **COMPLETELY** within their guidelines. I didn't win the primary, (and I'm actually grateful that I didn't!), because we were in the middle of moving into our new church facility at the same time the election process occurred and I couldn't devote the 100's of additional hours it would have taken to win. (I did, by the way, serve my city proudly for 5+ years on the Planning Commission, the last 1 1/2 as it's secretary.) I guess I will have to continually post responses to this silly scam site. The fact that it's been going on for so long and the fact that your accusations have broadened to include **my family** just show that you derive a strange sense of purpose though what you are doing. I suppose you feel justified...so be it. But I will set the record straight regarding **MY Family** from now on.

Re: Jerry Weinzierl Grace Christian Church AC Pyra

Jerry,

Tell your friend Tim Darnell to honestly disclose who filed that sickening, identical suit against against the Better Business Bureau of Dallas in the courthouse just ten miles from your church in Macomb county Michigan.

Take your refund, as there were many more in desperate need that were denied one, and help those in desperate straights financially. You know-----those who were harmed by their involvement with your brother, Jack, and his brother in Christ Tim Darnell.

Thank you!

Re: Jerry Weinzierl Grace Christian Church AC Pyra

Jack and Jerry,

Jack, its funny for me to sit and read your post and read that you think Tim Darnell only made a few mistakes..

Have you honestly allowed yourself to beleive that , thats ALL he and you did?? Is make a few mistakes??

Jack, the FACT of the MATTER is YOU and TIM DARNELL LIED to many folks. You advertised deceptively, you flat out lied to good christian people in order to steal \$10k a pop from them in a Pyramid Scheme called Advantage Conferences!!

The FACT of the MATTER is, you got caught in your lie and it has been exposed here on scam.com and in the BBB lawsuit that Advantage Conferences lost and basically got thrown out of court..

Jerry, I pray for you that you can see the reality of what your brother has done and help your brother! He needs to learn alot.. Alot about life and alot about ethics!!

Jack, you are probably going to loose your home because God, does not like to see people make money dishonestly and even worse do so in the name of GOD..

Yes, I know I can't spell. I just type to fast, don't care and don't have enough time to spell check. So please judge my post on content, not spelling.

Re: Jerry Weinzierl Grace Christian Church AC Pyra

Jack,

You sang the praises of convicted felon, Mike "The Junk Bond King" Milken. Now, you sing the praises of Tim Darnell and hang your own brother and his family out to dry in the process. No decent, honest person with an ounce of integrity will have anything to do with either of you. So, what does Tim Darnell have on you that you are still tangled up with him and defending him???? If you have deep respect for Tim Darnell you are no Christian and have zero integrity.

Do post on here who filed and paid for the sickening filing against the BBB of Dallas, Texas in Macomb County Michigan at a time when you were in Michigan yourself. The fact is that suit was filed 10 miles from your brothers church and 1215 miles from Dallas. Remember that talk we had about personal jurisdiction? That suit couldn't be pursued as that Michigan court could not possibly have jurisdiction as the BBB of Dallas is in Dallas, Texas. It is also abuse of process to file an identical suit to one that is going on elsewhere. Of course, it was obvious Tim Darnell was losing that one, so he filed another sickening and frivolous suit in Michigan. Brilliant business in action!

For a purveyor of truth Soapboxmom you have a lot of goofed up information on your threads. I'm actually amazed at how much research and digging you've done and end up with so much non-sense - Just enough truth mixed with garbage and you end up with...your posts

I don't mean this mean or sarcastically - if you only put part of the time you spend posting into something that reaped benefits like ministering to people for the kingdom of God or even your own small business you'd most likely have a good business in your hands or something you can pass to your kids in the future.

You know your posts on here do little more than make the scam-com site large revenue for their ad clicks as visitors browse the pages you spend hour after hour creating. They love it! keep 'em coming they say - more traffic equals more money for this site. Good thing for them they are hosted out of US jurisdiction or else most of your threads would be pulled down.

so anyways that's it! hey if you are ever in the metro detroit area you are welcome to visit church on Sunday or any of our many life groups that meet on Wednesday night. I also have a college group I teach at every Saturday night - depending on your age. you can find our info online if you want more information.

sincerely,

Aaron Weinzierl

Aaron, did you notice that Tim Darnell lost again in his suit today againts Soapboxmom!

Do you not understand what Pyramid scheme is? Can you honestly tell me that Advantage Conferences was not a Pyramid? Lets talk so truth here.. Mr. Sunday School teacher!!

Yes, I know I can't spell. I just type to fast, don't care and don't have enough time to spell check. So please judge my post on content, not spelling.

I have extensively quoted thousands of pages of court documents. If you see any "goofed up information," I suggest you come on here with some facts. Your uncle defrauded folks out of thousands of dollars they couldn't afford to lose. He is a liar and con as the facts conclusively prove.

No Christian could use folks' faith to take their life savings. Folks that joined as MMC-IVs (over half of the reps) were part of the 98% loss rate. Many of them are out \$20,000.00 - \$30,000.00 or more. Folks have lost homes, sold homes, sold possessions, gone hungry, taken out loans, spent retirement funds and drowned in credit card debt. That is what spreading God's word has accomplished with Weinzierls and Tim Darnell involved.

All the Weinzierl's should be removed from the pulpit as The Word is simply a tool you people use to defraud the public. I have a duty to protect the public. Your prayers obviously weren't keeping you away from an adjudicated pyramid scheme that has left a trail of devastation in its wake.

I would love to visit your church and discuss who filed that disgusting lawsuit and discuss how your family is going to use their refunds to help the many others who were denied refunds and have had their lives destroyed by Advantage Conferences.

Re: Jerry Weinzierl Grace Christian Church AC Pyra

I'm trying to decided whether I should respond to your above non sense - spending my quality time or not - um.... ya not worth it!

I have a tv show to produce today and tomorrow - something that actually helps people - you'd probably be surprised to know that we don't ask for money on the show - it's 28 minutes of bible teaching (here is where soapboxmother will reply with "28 minutes of bible teaching, what about how you should give your money to the Weinzierl scam clan...." I just thought I'd beat you to it since you're pretty predictable)

So have a great day and have fun posting garbage with your handle soapbox and wishyouknew - can't imagine why you guys don't post with your real names...hmmm????

Sincerely,
Aaron Christopher Weinzierl
