I had a lovely time with the attorney from the Department of Justice that I assisted in investigating your uncle. Did your uncle Jack tell you that I was at the bankruptcy hearing seated with the attorneys? Read that bankruptcy thread and share you thoughts with us please.

The estate sale is selling maybe 20% of our household items

<http://www.scam.com/showpost.php?p=383873&postcount=261> If we total all those items except the backyard playset, the total is exactly \$25,000.00. That is the garage/estate sale value Jack assigned those items.

When filing for bankruptcy he claims \$7,630.00 total for household items/furnishings. Using his original figure of that \$25,000.00 for 20% of their household items means the household items are actually worth around \$125,000.00. Funny how Jack's stories change to suit his purpose!!!!

He also valued a \$10,000.00 - \$14,000.00 piano at a fraction of its costs on the bankruptcy filing. He lumped it in with golf clubs, video camera, digital camera and bikes for a paltry \$4,750.00 for all of those items.

Re: Jerry Weinzierl Grace Christian Church AC Pyra

a word of warning to Jerry, Tim, Jack & Aaron:

A Tax Court Rules a Pastor's Pass Through Gifts as Taxable Income !

The IRS told a pastor that the love offerings given to him by members of the church were taxable. In disagreement, he sued the IRS in tax court stating that they were voluntary gifts given by members of the church. The tax court disputed with the pastor stating that the members were motivated to give the love offerings because they believed him to be a good minister and they wanted him to be rewarded. While the court agreed that gifts are not taxable, it also ruled that when a love offering is given to a minister by a church member because the church member is motivated by his/her leadership or services as a minister, then that love offering is not a gift, but rather, compensation that is taxable.

This is a case where members gave pass through gifts directly to the pastor because they loved him and wanted to reward him for the work he was doing in the church and for them. The tax court ruled that even if the members wanted him to receive it as a gift, it cannot be ruled as a gift because of his relationship with the members as a minister of the gospel.

(i got the above in an industry email that i receive monthly)

how anyone could possibly try to exploit loopholes in tax law, and then claim to be living a Christian life is beyond me. c'mon boys! read Mark 12:13-17!!!! you guys should know better!

hypocrite scum....

Re: Jerry Weinzierl Grace Christian Church AC Pyra

Pete, I am not sure who you are, but you were spot on in your response. The fact that I had immediately given back ANY representative part of my commission to help them with their business or ministry is my business. If I am sell cars and give my commission back to my brother who buys are car from me, that is my right and there is nothing underhanded about that.

Aaron, I am proud of you and your commitment to Christ. You guys are making an incredible difference in the lives of thousands and for those to attack you here, speaks volumes as to where their hearts are at.

First off, I have not, do not, and will not cheat on my wife. That is very sad that someone would stoop to that level and post that. We have been happily married for almost 20 years and she is the love of my life. If that is Mike B. with another screen name, it is time for someone to post your resume and the racist phone call from you that was recorded and posted on youtube. People will see those who attacking others on these threads.

For the people who worked with me personally where I was their mentor over a 3 year period, they know that I did everything possible to help them with their businesses and in many areas of their lives. I worked until 11-12 pm most nights assisting them with marketing and training. If they are truthful, they will also acknowledge that I never sold, convinced or coerced anyone to purchase the mentoring products at Advantage Conferences. I frequently talked people out of starting with us where I knew there was not

a good fit, or where they were not in a financial position to market their business. My heart breaks for anyone who goes through financial challenges. The constant attacks on this site for the better part of 3 years only made it more difficult for many of these same individuals to market their businesses.

For those critical of AC on this thread, we will always disagree concerning the product and value offered at AC. We can agree to disagree. I am forever thankful for what I learned and the contacts I made through AC. You have your opinion and I have mine. The difference is my opinion is based on first hand experience having attended 6 Mindset Mentoring Conferences over a 3+ year period.

As a believer, one is supposed to go directly to the person where there is a problem. A couple people over a 4 year period did this. One was Zena who I still pray for and tried to reach out to. I never spoke with Zena before she had joined Advantage Conferences and if I had, I probably would have advised her not to proceed. I feel bad for Zena, but she requested a refund a year or so after starting with AC, without having ever attending a mindset conference. I misunderstood an email that she has sent to Tim Darnell with a subject line of FU, and she intended that to mean follow up. For that, I am sorry that I assumed that meant something else.

I would like to reach out to anyone who believes that I truly misled them in this business. If I was your personal enroller and you believe that I intended to mislead and harm you and that I am the reason for your business failing, please email me your details. I will do what I can to help you. Financially, we have lost almost everything material, but I will figure out a way to help this next year.

People on this thread contend that I have stashed away funds. Do you really think we would be facing losing our home right now and not being able to pay property taxes, if I had money stashed away? My finances were an open book from what was posted in our filing. I was advised that I should not go through bankruptcy and I prayed about this and followed after peace to ask for a dismissal. The "with prejudice" stated was to ensure that I would not file another year, which I agreed to. I am trying to turn our life around financially. I surely do not blame Tim Darnell or Advantage Conferences for my business failing.

It is unfortunate that businesses fail and we are paying the price right now with our finances. Again, I am thankful for those I was able to train and learn from over that period. I have been one of the few people to come on here to answer questions and share our experiences. I was an independent representative just like the hundreds of other independent representatives.

Re: Jerry Weinzierl Grace Christian Church AC Pyra

Hi Jack,

Good to see you.

First off, will you please post a link to the youtube posting you just referenced.

Secondly, how do you feel about Tim Darnell's horribly vitriolic and evil posts toward SMB made under other names...? Hateful, evil, un-Christian remarks.

DO you condone that behavior when it suits you, but condemn those that are against you? One or the other Jack, you cant have it both ways.... be not like the wind!

you know better Jack - Matthew 12:30-37!!! One or the other!

Jack, you cant honestly think that what has happened with AC is godly.... dont get me wrong, God can obviously use this disgrace of an organization for good.... and He certainly has done that in some ways,

with respect to people coming together, supporting each other nad the like.... but anything that either Tim Darnell or yourself has done has brought upon heartache and pain to others, ripped families apart, bankrupted innocent trusting Christians, and have shamed yourselves and your families.

the fact that you have the audacity to perform this horrific scam in the name of God is absolutely hideous and evil. it gives new meaning to bringing out the worst in people.... and what you have done has contributed to some people turning their backs on God and their faith..... people like you are one of the reasons that people doubt sincere Christians.

shame on you....

you are in my prayers.

Jack, you truly are a weasel hiding behind religion. I'd say that I would pray for you, but I don't believe in that crap and I sure don't think you can be saved.

I do have one question for you. Just one. Have you ever had a real job, you know, a conventional job that pays you by the hour or you get a salary and benefits or have you always been one of the scamming weasels that lives off of other people?

Re: Jerry Weinzierl Grace Christian Church AC Pyra

Franky from your attacks on my nephew, it is clear that we disagree on much. I am not here to defend Tim Darnell, only he can do that. I love Tim Darnell and I have seen people come to Christ through this business. For that, I am grateful. I do not like that harm comes to anyone in any business.

I know that my heart was right and I only contended for the best. No, I will not post his youtube video, but you can do a search and find it easily. It is a sickening recording and I will not post it. No, the enemy comes to steal, kill and destroy. I don't have all the answers Big Franky, but I have been as transparent as I can be and have been about the only independent rep to do so and have been piled on. I serve in ministry several hours each week and my walk has never been closer. With that said, I have learned a lot and will continue to be refined.

And yes, I have helped a lot of people. I never intended to hurt anyone, nor did so out of any kind of intent. I have my MBA and there were many ways for me to make a living. I simply loved the mentoring that we represented.

Here are recommendations from customers and business owners trained and mentored By Jack Weinzierl. These were received in August 2008.

I have known Jack Weinzierl now for four years. Jack's level of commitment, mentoring, and helping others has never been exceeded by anyone. I am honored to be on his team!
Phil Orr TX

Jack Weinzierl is one of the most dependable mentors I have come to meet in any business. Whether I am actively working or not, he always stays consistent, providing great marketing ideas, encouragement and support...almost daily!!
Jay Stock Wisconsin

I have never met Jack Weinzierl personally face to face. It truly amazes me how he portrays himself in his emails and on the phone. You can sense his genuine character of caring by how he talks with you in his emails and over the phone. This makes you want to know more of what he has to offer, not only in his training and mentoring for business, but also what he has to offer from his heart. You can honestly perceive his commitment to help someone is for real. Thank you Jack!
John Beard Kansas

I have a great appreciation in the leadership example that Jack Weinzierl sets. First, as a leader, Jack is willing to serve others. Jack is also willing to share information and to teach others. I personally believe that is another requirement of a good leader. A leader must be willing to promote others and see others grow and become the most that they can be. Thanks Jack for your faithful service.
Duane Schultz TX

I would like to state that I have appreciated Jack Weinzierl's mentorship and encouragement over the last two months. He has provided me with sound advice and is always available to respond to my questions or general statements. You lead with integrity, which is so important and key in building long-term personal and business relationships.
Arthur Rego Bermuda

Jack Weinzierl is a true mentor. He has helped me immeasurably in the past few weeks. Jack's support and commitment as a friend and mentor is worthy of praise. I would highly recommend Jack Weinzierl to anyone who is looking for a mentor that cares and is committed to his team. Bless you Jack and thanks again.
Catherine Mc Lean England

I just have to say a big Thank You to Jack Weinzierl for not only introducing me to an awesome opportunity, but in addition to this, pointing me to the most amazing training opportunities I could ever hope for. Jack you are such a fantastic example and leader! I look forward to working with Jack Weinzierl for years to come!

This is Teresa Williamson from Yulee, Florida, I must say that Jack Weinzierl has been such an inspiration

to me in the start of my business. Jack has been there for me every step of the way. I am very thankful that I have Jack mentoring me through this wonderful journey. Thank you Jack. God Bless.

Teresa Williamson Florida

Jack Weinzierl has had a great impact on our lives through his ongoing, outstanding example and integrity, personal and professional mentoring, business training, advice, and excellent attitude. We deeply appreciate all that he has shared with us and the many hours of sacrifice he selflessly gives to genuinely help others. Jack Weinzierl sets the mark for what we both shoot for as a Christian professional.

Michael & Lisa Ferrin Florida

Your enthusiasm is endless, every time I hear you speak you are on fire, you are a natural teacher. Thank God for you brother.

Doc St. Clair MN

Jack Weinzierl is an endless source of free training by either pointing us in the right direction or actually sending us material. He is committed to not only his success but ours, his team and the company he represents. We also appreciate the encouragement - it seems to come just when we need it the most. Jack Weinzierl is not only our business partner but we consider him a very good friend.

Todd and Martha Sparks TX

Jack Weinzierl has been my friend, my business partner and my mentor for more than six years. During that time, I have had countless contacts with him by email, by phone, in person at events and as a guest in his home. I have never seen one instance of anything other than insightful, intelligent, enlightened and helpful thoughts and deeds. I know Jack, I know his wife and I know his sons and daughter. I consider Jack Weinzierl to be one of my closest and most trusted friends and mentors. He is a wonderful man, husband, father and an example to all. My life is richer in many ways because of Jack Weinzierl. Thank you Jack.

Michael Bartlett Panama

Jack Weinzierl's mentoring skills are second to none. He is a great motivational speaker. Every time I have a conference call with Jack, I am re-motivated about the company. Also, I appreciate how available Jack makes himself to me.

David Stasie Kentucky

The first mentoring help would be that Jack Weinzierl told me to pray about starting a business. Jack personally helped me get setup and operational with several tools my first week. Thanks Jack for your help!

Kimmer Mulonet CT

Thank you Jack Weinzierl for your unwavering commitment towards the mentoring of me and all of the members of our team.

Tony Brown Illinois

What can I say...I've been totally floored by the amazingly consistent, selfless, and focused guidance and ***** Jack Weinzierl has provided. Thank you for your leadership, but more importantly, for your friendship.

Kevin Lynds Florida

Jack Weinzierl has been, and continues to be, a daily encouragement to me. When we met Jack at the two Conferences we attended in Dallas, we found him to be very personable, who was ready and willing to share his testimony for Jesus Christ. Each phone call; each email just lifts me up and tells me, "Don't give up, Bob...you can do it". May God richly bless Jack as he continues serving Him in whatever he does.

Bob Gehman

Jack Weinzierl's assistance has been invaluable since day one. He talked with me personally several times walking me through the set up of my site and has been there to answer all my questions. Being new to the Internet, this has proven to be especially valuable. Jack has the experience and expertise to help me to avoid some of pitfalls in starting a new business and shortening the learning curve. Marketing is the most difficult part to learn and am grateful for Jack's training and mentoring.

Asa B Collins GA

I have known Jack Weinzierl for at least three years and met him personally in 2006 in Dallas. I have been personally impressed with his Christian testimony and outstanding character. One outstanding

characteristic of Jack is that before he directs how to do something, he will go out and do it himself to make sure there are no bugs in it. If there are, he'll work the bugs out to make sure it works before passing it on. I know of Jack working way into the night to complete a project that he has started. There are certainly are not many men of that caliber and I look up to him greatly even though I am his senior by many years.

Darrell Martin North Carolina

Jack Weinzierl has been a unique and consistent influence that we have drawn from for years now. His personal example is extraordinary. Jack's efforts have enabled our vision both on and offline in the areas of posturing, branding, marketing strategy and most importantly the proper mindset in regards to true success. I call him a friend and mentor.

Mike Melvin, Florida

Jack Weinzierl Is not only a "Man of God" but also shares his inspiration, love and is a source of strength & support for small business owners. He really knows how to lift you up when things are down!

Morna McGann FL

Jack Weinzierl is dedicated, intelligent, and has the highest ethical standards of any person with whom I've had the pleasure of doing business. His expertise in so many areas of business is top-notch, especially regarding Internet marketing. I count it a true honor to be a business associate and friend of Jack Weinzierl's.

Yeah, but jack... you cant possibly think it is fair to give your brother a refund, but not everyone else... its just not right.

Think about right and wrong here.... to do the right thing is to treat everyone equally. You would agree with that assertion, correct? Why did your brother recieve a refund, and not others? (and lets please not mince words here on technicalities... refund=unearned commission=money period)...

And Jerry - concerning that notion... how could you accept money back, knowing the situation? lets not play dumb here... surely for you to accept any money from AC when you were exiting the company as a rep, you knew that that was preferential treatment in some way... that is just common sense.

Big Franky, that was 2-3 years ago and it was immediate. It has nothing to do with anyone else and he is my brother and if I had wanted to give him anything, I would. It was not a refund from AC, it was money I gave to him.

Jack,

from what i gather, i assume you are referring to me with respect to anything having to do with Jerry and Aaron's ministry, as SBM hasnt really addressed it in the same fashion that i have. i dont speak for her, so please dont rope her in with my comments.

and i didnt address it directly either though.... my checklist was generic... and was intended to help those that may be quesitoning things in their church... all of that info was from personal experience... if anyone from Grace Christian Church (or any other church for that matter) has any concerns regarding my "checklist" (posted above) please feel free to contact me, as maybe i can be of help.... having gone through the experience of attending a church that had questionable leadership and underhanded management of funds, i may be able to provide some counseling and guidance...

and i stand by my statements.... ask any IRS investigator that specializes in ministry investigations and they will be the first to tell you that the vast majority of crooked churches are run by a "team of family members" its just not healthy... and again, that statement (including the reference to the IRS agent) comes from having experienced a horrendous situation.

i stand by my statements.... and Jerry - we are still waiting for you to address my specific questions... thanks and we look forward to your reply.

Jack,

Mike Brommell did not make those posts discussing your possible infidelity. I can promise you that as a moderator. I have never mentioned that myself or involved myself in that discussion in any way. I am here with the facts and my opinion on things directly related to the business venture Advantage Conferences.

As to your most recent diatribe plastered all over numerous threads, I can tell you the information to refute much of that nonsense is already on here. There are also a number of e-mails that you and Darnell authored already submitted into the court record that will be quite illuminating.

If one rep gets \$7,000.00 back that should be available to any rep that asks. What you did is discriminatory and predatory business practice. Showing favoritism to family members like that and them accepting it when others are suffering horrificly just clearly shows how unethical all of you are!

BigFranky, AKA Frank Thomas, why not use your real name? I know we disagree on quite a lot and I am fine with that. The fact that I gave my brother money, months and probably a year before they decided not to build it as a business is not even a point to debate. Again, what I did with my commission is not relevant in your witch hunt. And from Heather Dobrott's comments about my salvation, it demonstrates much too. Heather we are not saved by works and yes, I am saved and know where I am going and I am thankful for that. Frank, for you to believe that Soapboxmom is justified with her name calling and treatment of me and others because you agree with her goals, is not honorable. The end do not justify the means.

The fact that I gave my brother money, months and probably a year before they decided not to build it as a business is not even a point to debate. Again, what I did with my commission is not relevant in your witch hunt. And from Heather Dobrott's comments about my salvation, it demonstrates much too. Heather we are not saved by works and yes, I am saved and know where I am going and I am thankful for that. Frank, for you to believe that Soapboxmom is justified with her name calling and treatment of me and others because you agree with her goals, is not honorable. The end do not justify the means.

Jack, just so i know.... your reference to Frank Thomas, was that a play on the baseball player? or do you actually think that is my name?

No one has been as vitriolic as Tim Darnell in these threads my friend... some of the stuff (the lies, innuendo, false accusations, threats, and downright evil demon-filled remarks have come from him under hiding behind false identities...) that has been proven and is irrefutable.

I am not doubting your salvation, as only God can judge and only He knows your true heart... i cant help however but to doubt your sincerity as well as your motives.... there is just no conceivable way in my mind (or anyone's rational mind for that matter) that you "fell into" this position that you now find

yourself in. what has happened with AC was calculated and meticulously planned.... and it wouldnt have fallen apart so readily if not for the courage of SBM, WYK and others.

thank you Lord for working through these people to shed light on this darkness....

Jack, lets not forget yours and Tim Darnells track record here.... there is no better predictor of future actions than ones past behavior in most cases!

Re: Jerry Weinzierl Grace Christian Church AC Pyra

BigFranky, thanks for the referencing of my track record prior to AC. I have my MBA and had about a 3.9 average there. I had committed a large portion of my career helping children in our nation's schools. I am proud of the work I had been involved with and again, I am not here to defend something Tim may or may not have said. He is an adult. For you to endorse and state that what Heather and others here have said attacking a ministry in Detroit is proper and a Christian behavior is simply not correct.

Jack, with all due respect, no one cares about your MBA.... and that is coming from someone that has one. i can tell you that MBA's are a dime a dozen, and some of the most wicked people i have come into contact with have an MBA.... so why you are always referencing your MBA as if it adds credibility to either your judgement, character, or experience... i just dont understand. when i was involved with MLM, no one knew i had an MBA... i didnt hide it or anything, it just didnt come up... i dont define myself by it like you seem to do.

and c'mon Jack... SBM did NOT attack Grace Christian Church... to be honest, the worst comments on this thread in my estimation seem to have come from Aaron, who seems to have a struggle wrestling with his ego, though that is only my opinion... he was displayed as attacking and rude as anyone else....

BIGfranky,

Thank you for your kind remarks, friend. I too find Aaron's attitude and demeanor on here very disturbing. I have never seen an ordained minister or trained pastor who exhibited so little compassion for folks in dire straights and need of help. I can't imagine why the Treasures for the Kingdom charity was established if not to aid those that are hungry, unable to pay their bills and struggling to save their homes. Advantage Conferences didn't create one millionaire, but it did certainly create an army of paupers! Just where is that alleged charity????

Heather, you attack his father, him, and our work for the Lord and you wonder why people are frustrated with you? You believe that the end justifies the means and you don't know any of us. You have taken your battle with Tim out on so many.

Since you are a moderator and I saw your post on another thread about the rules, it appears that you have violated the #1 rule, "posting people's personal information"

I am sorry that you have contempt for me. I would actually like to have coffee with you this next week. I know we are not going to change each other's opinions on the value of mentoring or the business, but you can hear my heart. Anyway, the offer stands and I hope you have a blessed Sunday.

QUOTE]

Jack,

What can you do to help those who you misled? Are you able to refund them their money?

Jack, back before the BBB hearing, Advantage Conferenced advertised that Independent Reps could make \$7,000 over and over again. Tim Darnell could not come up with 10 names that had actually made \$7,000 over and over again..

There were only a few that did!

Jack, correct me if I am wrong. But no sales of a conference were made outside of anyone who was a Independant rep?

This means the majority of people did not/ and would not have purchased the product alone with out the ability to make money off of others! Thus, the product did not have value alone!

The BBB suit, proved that Tim and yourself not only lied to many, but advertised unethically and againts the law. It is againts the law to say that something is copy righted when it is not.

Not only that, Tim Darnell said he was a member of the BBB in a few e-mails when of course he was not!

I pray for you Jack!

Jerry and Aaron... still waiting and looking forward to your responses to the above info requests.

I noticed that when Jerry and Grace Christian Church are googled, this scam-dot-com thread is the first thing that pops up.... Jerry, if you please address the above issues, that wont always be the case...

(i.e., if there is no reason for you to be associated with your scamming brother, Tim Darnell, and the fraudulent mis-management of funds, address the info request forthrightly and honestly.... clear yours and the Church's good name!)

Heather and BigFranky, I do not have any business relationship with Tim Darnell. I am no longer a representative with Advantage Conferences and have not been for a while as you are well aware, nor am I a representative with WorldVentures. I will not denounce Tim or the effort that he put forth trying to produce a conference and education company that we believed in.

The fact that a company does not grow does not make it a scam. Millions in corporate America are experiencing massive slowdowns and shutdowns. We can agree to disagree there and will continue to do so. I have been transparent, offered assistance to those that believe that somehow I misled them, and have offered an apology to anyone who I offended. You have the right to your opinion and I have the right to mine. Your attacks on a ministry and a family are very sad.

Hi Jack,

No one here is attacking a ministry, or a family for that matter.

Concerning this thread, and my requests... any information i asked for would be readily available at a transparent church.... there is no reason for Jerry or Aaron to withhold it or not present it if they werent hiding something. if they have nothing to hide or be ashamed of, i look forward to them coming forward with the requested info.

and Jack, just so you know, the reason to question this ministry in the first place is their involvement with you, Tim Darnell, and AC. if i were a member of their church, and found out about their relationship with AC and Tim Darnell, then i would certainly expect more than a simple explanation... i would expect transparency.

Re: Jerry Weinzierl Grace Christian Church AC Pyra

Jerry Weinzierl bailed on us. He has neither the guts or the integrity to address any of the issues raised here.

Jerry Weinzierl, Aaron Weinzierl and Alan Tannous (Stephanie's dad and Jack Weinzierl's father-in-law) all got \$7,000.00 refunds. The other reps in Advantage Conferences should have gotten the same! When are you boys going to use that money to do God's work and help the victims of Jack Weinzierl and Tim Darnell. That adjudicated pyramid scheme cost its victims tens of thousands of dollars. They went hungry, sold homes, sold possessions, lost homes, refinanced homes, drowned in credit card debt, took out loans, tapped their retirement funds and suffered financial devastation. You all sat back and did nothing.

Aaron, the arrogant little punk, comes on here and answers us in a way no true man of God would. He and Jerry should not be allowed to preach as they have no concern for God's children that they helped to defraud. Money grubbing, manipulative pastors such as these are what have driven so many from God's house. It is high time they be held accountable for participating in this scheme and for accepting refunds in what is nothing more than predatory business practice and sinfully preferential treatment. God loves all His children and all should be treated equally.

That sickening court filing is still up for discussion. That suit was identical to the one Tim Darnell was losing here in Dallas. No one wants to share the truth about the party that is responsible for that fraudulent, abusive and frivolous filing made a mere ten miles from Jerry's church, Grace Christian Church, when scammer Jack Weinzierl was in town. Why is it Pastor Jerry and Pastor Aaron have no regard for the truth?

Why is it they support Tim Darnell, who fabricated death threat and stalking allegations against me, to frighten me into silence. Why are they supporting Tim Darnell crafting hate-filled, threatening letters to his reps again filled with lies in order to frighten them into silence.

<http://www.scribd.com/doc/7847029/Tim-Darnell-and-Stalking>

<http://www.scribd.com/doc/7596478/Tim-Darnell-letters-from-Heck>

This sickening garbage is a fraction of what the real Tim Darnell has been up to as he spreads The Word. If the Weinzierls are going to support Tim Darnell and Advantage Conferences, then they will all go down with his Titanic.

Jerry, I saw you lurking and reading today. Why is it you are not honestly addressing any of the issues here. God is watching and we are waiting!

Soapboxmom

all excellent points SBM....

Jerry, wouldnt you rather address these issues here than to wait for it to come up in your church? i am sure something like this would be a much bigger fire to put out should church members start seeing things like this written about in your local paper, correct?

Jerry - you of all people should know thta you can run, but you cant hide.... meaning that God will shed light on what has happened here... He will be sure that the truth is known:

Can anyone hide in secret places so that I cannot see him?" declares the LORD. "Do not I fill heaven and earth?" declares the LORD. (Jeremiah 23:24)

burying your head in the sand doesnt make this go away... God delivers justice.... whether using a site such as this, a call to the IRS, or a call to the local media enquiring about you, the church, and its invovlement in AC (particularly after Jack's trial).... light will be shed. now i dont know if anyone from this forum or participates in discussion on this site will do such things or not... but if it were to happen, if i were you.... i wouldnt be surprised. like God says... justice will be served.

Re:

I have learned a lot over the past several years. I will not market our faith, but will not hide from it either. I desire to reach the saved and unsaved in my business. I do believe that the marketplace is ministry. I have removed videos with lifestyle pictures, as people will believe what they want to believe, regardless of what you tell them. I have manually removed hundreds of my videos throughout the internet without anyone asking me to do so.

I know that I have never misled anyone who spoke with me about our business. People who have done

business with me personally and who know me, will tell you that as well. I also know that there are hundreds of real scams out there online. For people to lump good businesses in one pile because they leverage a network marketing model of distribution is simply irresponsible. I encourage you to go after the gifting schemes and true scams out there, if that is your true passion and calling.

I will admit, most of the online marketing world makes me sick to my stomach these days with promises of riches, luxury and little work. Any real business requires a lot of work and diligence. Most take many years to develop and mature.

It is also disturbing that most of the people attacking businesses as "scams" online now are doing so to convert them to their own home based business. That is about the lowest form of marketing out there. I know that is not Heather, as she feels that all network marketing companies are scams and she is entitled to her opinion, however much I disagree with it. I disagree with those who continually attack and tear down a business, individuals and ministries. The end does not justify the means in my opinion.

For Heather and BigFranky to accuse and imply my brother and his ministry is irresponsible as well. Jerry helped his son get started with me and I chose to give them back my commissions immediately upon his purchase. They never asked for a refund, although you continue to present it as such. A business owner can choose to do that for any customer, family member or friend. My in laws also attended a Mindset Mentoring conference in Dallas and enjoyed it thoroughly. I am very thankful for the 6 MMCs over a 3 year period that I attended, regardless of what happened to the business opportunity.

Tim can defend himself on the corporate side of the equation, but I am thankful for the education and experience that I have had as part of AC, as an independent representative. Yes, I removed his testimonial from my sites, as it referenced he and I being colleagues and we are not involved in any business together. In fact, Heather knows that I have not built AC for well over a year now, but I make an easy target because the bad decisions that I made when it comes to our finances. I do not blame Tim Darnell. I am not a victim. I blame myself for my bad decisions and I also know that the enemy comes to steal, kill and destroy.

I have admitted these bad decisions. I have been one of the only folks to come on here to do so. I have apologized for those who I offended in any way, and I have offered to help any of my personal folks who truly believe that I have wronged them. Since I have lost most everything, it will take some time, but I have offered to help them. I lost most everything standing for something that I believed in. I do continue to believe that one should not separate their faith from their business. With that said, I do not believe anyone should do business with someone just because of one's faith.

I am focused on consulting traditional business owners these days and on teaching people about debt and wealth, not chasing luxury. I am using this experience to help others. Most of America is dealing with the negative savings rate, overspending, etc. All I can do is start at home and help other couples to not make the same mistakes that we made.

With that said, my biggest regret is that through our lifestyle example, others made similar buying decisions thinking that was the norm. Multiply that by millions of people, and we collectively mortgaged our futures. There is a lot of blame to go around, that is for sure. We have to start at home and begin to shift to a culture of savings and true wealth creation, not luxury. I was part of the problem, not the solution and I have repented for that. Although we have been faithful in our giving over the years, God wants to know that we will be good stewards of the rest and that is my focus going forward. I believe that God wants us blessed so we can be a blessing, but that is so much more than just money, but it does include finances too. Many here disagree on that too, which I am sure they will. I won't post dozens of scriptures on this topic.

Have a wonderful Resurrection Sunday, as those who believe, reflect on His incredible sacrifice and that we serve a risen Savior.

Jack, please dont twist words.... as that is not true and you know it. I am sick and tired of hearing how no one ASKED for a refund.... THEY STILL RECEIVED IT!!!! in my eyes, to even accept it is wrong.... that is a problem. and that speaks volumes of ones integrity... of course motives should be questioned in such a case! c'mon man, seriously think about it!

besides, concerning Grace Christian Church, I made some basic info requests that no pastor would shy away from if the church was being run transparently.... why wont Jerry reply? that to me is shady.

**Re: Jerry Weinzierl Grace Christian Church AC Pyra**

Wow, the ignorance and jealousy of soapboxmom and bigfranky is astounding.

Lets get this straight. You guys believe because you were screwed over by Jack that you should now attack his family members for getting refunds? Not only that, but now you want those family members who RECEIVED refunds to give refunds to others? What a joke!

I've said here before, the AC fiasco was wrong of anyone to get in to in the first place, and as Jack said here, he's learned from that and doesnt use his Faith to promote any ideas anymore.

But lets face reality here guys. This happened, what, 3 or 4 YEARS ago? This subject has been beaten to death and now all we have a 1 or 2 people who obviously have NO social life and instead spend their time whining about how stupid they were to fall for something like AC and now want those who DID receive refunds to give money back to those who didn't. How absolutely pathetic!

OH, and I'm not quite sure where SBM gets her info but I dont see anything anywhere about Jerry Weinzierl charging \$10,000 to preach anywhere.

Honestly, I cant wait until some of the sensorship laws come into effect for slanderous threads like this one. Its one thing to gripe about a legitimate complaint, and you guys DID have a legitimate complain 4 years ago. But its a completely different thing to drag peoples' family members into it, 4 years later.

Absoultey pathetic.

Talk about grasping at straws. You are attacking Jerry for receiving a refund of \$7,000 (if this is actually true that he did even receive it)????? What exactly is unbecoming of a person to accept a refund? Isn't that the VERY thing you and SBM are complaining about here in this thread, that some people did not receive a refund?

Maybe it has to do with the fact that if Jerry had to respond to every NUT like yourself, he wouldn't have any free time left. He already explained in his other post that he has more checks and balances in his church than one can think of and has NEVER had ANY accusations made against him like those which you have here.

Furthermore, even if your assumptions were correct (which they obviously are not), I'm not quite sure why it concerns you in the first place. You seem to be on a witch hunt here.

Our AC involvement - first off I don't believe AC was a scam. I never heard Tim or any person from the business tell anyone that they were sure to make any money. in fact they always stressed that there were no guarantees. I did make a commission also. We stopped with the company not because of ill feeling but because we didn't want to put money into advertising anymore and we were increasingly busy with our new church facility - come by and see it, its beautiful and our church is growing every week....

Jack - he's doing great - just talked with him yesterday - anyone may have hard times and go thru ups and downs - the real question is where they end up. Jack is blessed and loves his family and the Lord and has a true heart to help people grow and succeed. So you can take all your anecdotal crap and stories of people being duped by all the scam artists and stop wasting your time. **Also, is telling me that he threatened to sue people supposed to make me think less of him? I'd sue the crap out of you too for the non-sense you've done as would any other normal person - but like I said the internet is still young and these laws aren't in place - but that will change eventually - what will you do with all your time?** 🤔

Lies? - Jerry did not abuse funds from his campaign so you can fix that one, we are not suing whatever it is you said we were involved with, the church has nothing to do with AC, we did not complain to AC and receive refunds, and I'm sure there's more if I cared to dissect thru your garbage but I don't

if anyone lost 20-30K on AC they should be slapped - don't blame other's stupidity on Tim D or Jack - they never "conned" anyone into the company nor did they tell them to waste money. I could go invest everything I own in the stock market and loose it tomorrow - if I did then I'm the dumb one for doing that. If people spend their life savings on AC or charged up credit or mortgaged their life - they should stay far away from business and go get hired for someone that knows what they are doing.

enjoy spending more of your time trying to discredit everything we say when we answer you - you are really beating a dead horse here.

so anyways enjoy the spring - it's nice here in MI and I can't wait to go riding in my maserati convertible! (that was a sarcastic joke about the car)

Lets get this straight. You guys believe because you were screwed over by Jack that you should now attack his family members for getting refunds? Not only that, but now you want those family members who RECEIVED refunds to give refunds to others? What a joke!

I've said here before, the AC fiasco was wrong of anyone to get in to in the first place, and as Jack said here, he's learned from that and doesnt use his Faith to promote any ideas anymore.

But lets face reality here guys. This happened, what, 3 or 4 YEARS ago? This subject has been beaten to death and now all we have a 1 or 2 people who obviously have NO social life and instead spend their time whining about how stupid they were to fall for something like AC and now want those who DID receive refunds to give money back to those who didn't. How absolutely pathetic!
