still waiting for those cold, hard facts to back up this thread SBM...I have a feeling we will be waiting for a long time!

ya thanks snorg - she doesn't know how IP addresses work I guess - and beyond that she doesn't have much of an imagination when it doesn't prove what she wants to prove - otherwise her imagination is amazing!

I just can't imagine how two people could post from the same IP? hmmm....

You guys really have no clue, do you? I live in Sterling Heights and my IP address shows as coming out of Troy.

Please, stick to something you are good at, like spreading lies and mis-information.

And No Moron Here has just proven himself to be a liar because as I said, there is no way to determine if an IP address is coming from a residential address or business address. You cant even get down to the ADDRESS level. You can track down to the nearest node. In my case, its Troy, even though I live in Sterling Heights.

Yes, SoapBoxMom and Wishyouknew, you should be very careful about that which you write, especially when it is knowingly false. Keep up with the evidence. You will not be able to hide behind, well I thought that was the truth, well I was just sharing my opinion acting as if I had a competency in this industry, blah, blah, blah.

As for me, I have great peace as everything that I have written can be backed up and is truthful. Unlike those on this thread where they feel the end justifies their means, they will be accountable in more than one way. Good luck to you with that.

AS for credibility, I have my MBA, have built mutiple million dollar businesses and we have attracted fellow millionaires, pastors, doctors, entrepreneurs, and people from various professions and stay at home Moms and Dads.

I am proud of the folks that we attract into our business and I pray every day that the right people are attracted to AC and that the wrong people--you know who you are, stay away from Advantage Conferences. Life is too short to work with folks like you, WishYouKnew, Renloyx and Phinnly.

Business is great and enjoying time with the family while it builds. Praise the Lord and there is no other business I would rather be building right now. Reading through this thread over the past week, I did not see one post even worth the time to respond to.

It is a shame you folks cannot get paid by your inaccuracies or the size of your lies. Maybe you should try the Star or Enquirer.

I do continue to pray for you.

10) Please do explain to us how those lying goons at AC are part of a Christ centered company. Here are some selections from Jack W's bogus press releases of spring 2005.

Quote:

Jack Weinzierl is Currently Reviewing 3,278 Candidates for Their Advantage Conferences Team of Christian Entrepreneurs.....I am currently reviewing 1249 professionals that have submitted their profiles, since we launched in March 2005. Our selection process focuses on a person's vision, drive to realistically earn 7 figures in the next 18 months, and a commitment to coach others in our Millionaire Mindset program. Only 12 people have been selected for my team, as of May 1, 2005. If you would like to be considered, visit:

He certainly didn't reject 99% of the prospects. AC will take any poor slob that can beg, borrow or steal the 10 grand. If that scenario were true we would have folks on here complaining that they were turned down for this opportunity.

Once again, the numbers were already shared and are in line with our process. Candidates fill out the form and 9-10% go through the 3 steps, then a certain percentage request their interview, send it and a then a certain percentage actually get started as a representative. I have already posted the fact that we have and do turn down folks and writing a check is not a prerequisite.

I have known Jack Weinzierl and there was nothing bogus in any of his releases. His reputation is unblemished and I knew him when he was the president of his last two companies as well. Your statements about his press releases being bogus signifies to the world that you are not interested in the truth.

Someone can do a google search on Jack Weinzierl to learn more. Your note about rejecting 99% is also without merit and you are losing credibility with each point. If you had taken the time to do research before reaching for your key board to bash another company, you would know that more than 90% of folks do not go through all 3 steps and even then about 1 in 9 interviews are declined. Advantage Conferences is one of the only companies out there that do not take someone's money unless they understand that they are purchasing the Millionaire Mindset Conference and mentoring. Every candidate has to be approved before getting started with AC. And, anyone can start as a representative for \$59.95 and plug into all the training and mindset calls. Once again, you are incorrect painting with your wide brush.

11) Don't hand us that ridiculous crap that millionaire mentors donate their time either. Real successful qualified people will only work for free for a legitimate charity. Cons like you would not be getting anyone with any education, experience or business savvy worth listening to for free. We have noticed that AC does not list the credentials and bios of these supposed millionaire volunteers.

This was already addressed and the 6 Christian millionaires do donate their time freely. AC gives them a donation as a thank you to the ministry of their choice. It is amazing when you build wealth by serving others how giving of your time you can be then. You obviously don't understand that.

12) We want degreed folks, certified financial planners, business executives with proven track records, successful investors and stock analyst and the like. Who is speaking at your horrendously priced conferences?

Who is we? We are surely not going to give the likes of you a list of our speakers. In fact, all of our attendees get the agenda and bios on each speaker.

Horrendously priced conferences? **Please.**

Here is just some of what a rep who decides to purchase the MMC-IV receives. Thanks letyourlightshine. It is important as a legal test that there is NO purchase ever required. I too would have paid several times the cost of the conference for what I have already received value wise.

- MMC-IV conference ticket that includes a spouse at no additional charge
- MMC Advantage Program where they can attend all subsequent MMC's for 90% off
- Over 100 Hours of training calls annually
- 52 Millionaire Mindset Conference Calls annually
- A turnkey website and 3 Step System
- A Rep Resource Center for training and access to archived calls
- Full Distribution Rights to Slay Your Giant
- Ongoing mentoring and training

13) You were taken by serial professional scammers. They have made it their life's work to take people by using thier Christian values as a wedge. **This is a downright humorous lie, but lying is never funny to those looking for the truth. SoapBoxMom also included Jack in this statement and his life's work was in the medical industry in screening children's vision and hearing. I guess that is a scam as well from SoapBoxMom's definition. To question Tim or Jack's integrity is irresponsible as I know both men well.**

14) That scammer promised his recruits 1 million (7 figure income) in 18 months. He is the top rep under the founding scammer Tim and he has just cleared half that. We all know almost every poor slob recruited has lost their 10 grand. **Actually, no most all of the folks including me have received more value out of the conferences and training, not to mention some very good commissions well in excess of \$100,000. Another lie.**

15) If Tim is so wanting to glorify God's Kingdom than why is he putting his reps in financial peril. One lady lost her home and many others are suffering great financial hardship as Tim conned them into refinancing their homes. **This is probably one of the most irresponsible posts and lies that I have read on this thread. This is simply not true and it keeps being thrown**

about as truth. Sickening.

What is irresponsible is the one person who decides not to join AC because of the lies shared on this board and you are robbing them of an opportunity change, learn, grow and build their own business. That is probably the saddest part of all your lies.

Oh well, that is why we have 3 steps and the interview process. Our business has never been stronger so once again, another weak attempt by you to discredit people and a business you know so little about.

Opinion and probably a fact.

And I will tackle your lack of math skills yet again. There are two parts of the compensation plan 70% on the direct sales side--1 sale 1 commission, and there is a team bonus paid out that is \$600 per MMC-IV sales which is 6% which makes the payout 76%. Nice try and like I said, I will tackle your other garbage and inaccuracies later.

It sure helps when one has first hand experience vs all your conjecture.

We can look at Jack and AC's ACtestimonials.com site logs to track every incoming clicked upon link and tie it with the time just before and after a post. Yes, IPs can be looked up and you can do a search on IP lookup if you care to.

Articles come out daily that contain slander, accusation, and some of the most preposterous lies I could ever imagine. But I'm not complaining. I am in no way guided by the roaring lions of the accuser / the enemy (see Hebrews 11:33-38). Why? Simply because I'm guided "BY FAITH". I'm not guided by circumstances or what other people think about me. And I'm certainly not guided by fear – no, faith is the compass, and 100% trust is the fuel that carries us through another day in full expectation of VICTORY!

Advantage Conferences has taught us life changing principles that can be applied to every area of our lives and has given us a vehicle to generate more income than ever before. We have learned how our ministry, family life, relationships and financial situations are directly affected and a result of how we think. We are blessed to be a part of this team and are very thankful for this opportunity.

Pastor Aaron C. Weinzierl
and Family

Aaron,

These are just a few of the arrogant rants by your Uncle Jack. He used you pastors and your phony testimonial every chance he got to sucker in warm marks. He delighted in bragging about all the pastors in Advantage Conferences and how tremendously successful they were. It allowed him to claim Advantage Conferences was "God ordained" and "Christ-centered." You Weinzierls happily had your bogus, lie-filled testimonial all over the net to serve Jack's devious purpose of defrauding fellow Christians in an obvious scam. I never attacked anyone's faith. I have worked tirelessly to protect Christians. To say I attacked Christianity is another of Jack Weinzierl's blatant lies.

His lawsuit threats ended with Tim Darnell producing not even one single false statement by me and both Jack's and Tim Darnell's reputations completely destroyed! Your reputation is on its way down the toilet as well! Jack's constant threats of litigation / accountability are coming to fruition. Tim Darnell, Jack Weinzierl and Jim McHugh are being sued for fraud, conspiracy and violations of the Texas Deceptive Trade Practices Act and their own shady attorney has dumped them. There will be accountability on that front as God has always seen that the truth prevailed in the mess. Remember the BBB and I won!

Jack Weinzierl, the lying sack of \$hit sang his own praises endlessly and denied his real identity until I caught him bragging about billing out at \$2,300.00 a day. He was forced to admit that he was SoapBoxDad. Jack Weinzierl as SoapBoxDad, ShiningLight and his 7 other IDs endlessly worshipped himself! Narcissistic goon!

Quote:

My Personal Perspective by Jack Weinzierl

The Millionaire Mindset Conference is of great value and I believe what we offer goes so far

beyond that. Think of how many individuals invest \$100K+ in a franchise to hopefully get a proven business system and they are buying themselves a job, often a very low paying one. Well, at Advantage Conferences, we provide a proven system, a highly differentiated product, and ongoing training and coaching to help people succeed long term. We don't just give people a seminar, we provide them a system and continuous coaching with very successful entrepreneurs and advisors to put that knowledge into practice.

You know the one key thing that the summary does not address is the value for our new partners from the coaching and training they get from me and other successful entrepreneurs and business advisors.

I say that without arrogance, but with confidence. In my first 6 months in networking 4 years ago, I invested approximately \$35,000 on leads and various marketing campaigns to build my business. It was a disaster in terms of ROI, but it was the best failure I ever had. I was then able to leverage that knowledge in terms of what works and what doesn't and direct my team members, so they did not have to make the same mistakes I did. In my consulting profession, **I used to bill out at \$2,300 a day for that coaching, mentoring and training, while I was with Michael Milken and Larry Ellison's consulting firm, Nextera.** In addition to the Millionaire Mindset Conference, the ongoing training and coaching is invaluable to your success.

Where else can you partner with MBAs, successful entrepreneurs and advisors who have a vested interest in YOUR success?

To Your Success,
Jack Weinzierl

Again, you couldnt be more wrong! Seriously, where did you learn how to trace an IP cause you arent very good at it.

Aaron lives within 5 miles of the church. Therefore, if both Butler and Aarons posts were coming from the same area that is because they ARE IN THE SAME AREA! That does not mean they are in Aaron's home. And how the heck do you know where Aaron lives in the first place to say that they came from the same "town" and "area"? Well guess what? Like I said, both Grace Christian Church and Aaron's home are in the same "area" and practically the same "town".

Aaron,

Your dirty dog, Uncle Jack, is still trying to tangle me up in the lawsuit he is facing for fraud and conspiracy. Jack is trying to blackmail me into removing my posts and completely silence me. That is

certainly Christian and honest, isn't it? What a total dirt bag he is!

Read the excerpts / notes from your Uncle Jack's deposition and tell us how involved Jerry Weinzierl and Alan Tannous were in this scam.

Weinzierl Deposition February 10, 2006

Publish at Scribd or explore others: [Law & Government Fiction alan tannous jerry weinzierl](#)

Jerry Weinzierl and Alan Tannous got their \$7,000.00 refunds so they could have lots of money to market this trash. They were "blessed" while countless others were ruined financially and went hungry. Jerry's name was sanitized from the rep list. And, even though Stephanie Weinzierl made thousands in matrix commissions none are listed on the documents turned over to the BBB in the lawsuit. All lies and subterfuge!

Then notice how Jack treats the pastor who almost lost his life due to his involvement with Advantage Conferences. He forced that guy who had been hospitalized to write an apology letter and never checked up on him knowing he nearly died. Jack cares only for folks whose pockets he can empty. It is obvious the only God in Jack's life is the Almighty Dollar!!!!

Re: Jerry Weinzierl Grace Christian Church AC Pyra

does anyone else see SBM problem with coming up with an answer to my question?

I'll type it out real clear for you -

Why are you defaming Jerry Weinzierl on this site. Please give us proof of how he lied, cheated and stole and ruin people financially.

we aren't looking for name calling or rants and raves about my uncle's lawsuit against you - we simply want you to provide a reason you are attacking a pastor of a good church. That's all

here are a couple nuggets of info for you to help in your truth seeking (that's sarcastic for anyone that doesn't know me, she's not a truth seeker by any measure or definition of the term)

- Jerry's name wasn't scrubbed from the rep list - he was never a rep. Aaron Weinzierl (that's me) was a rep. fancy info huh? but you probably won't remember that I just told you that since it's actually true - you prefer to stick to the other stuff

- We were never given a refund as if to say we were angry with AC and wanted our money - you compare the poor souls that lost their life savings and asked for refunds to us - sorry poor comparison truth buster mom (that did sound punky didn't it)! we got a check back from Jack within days of our conference purchase because he wanted to help us with our business start up costs. afterall he is my uncle - I do things for my family I wouldn't do for anyone else - very unreasonable I know. in fact that's practically insane - or better yet that's a scam!!

(everyone please note that I answered this now for the 3rd time - she will bring this up again as proof of our scammery - funny I know)

- next point I would love to make on this amazing thread of pure truth...I would like to draw your attention to the fact that she has amazingly once again posted stuff that has nothing to do with Jerry or myself. is anyone else confused?

here we go again - QUESTION - is this the information you'd like to stand on as a reason to defame my dad Jerry Weinzierl on the internet?

.....silence, waiting for a direct answer...its a simple question

Here are actual word for word excerpts from the depo of Jack Weinzierl dated 2/10/06

Quote:

There was a big movement about three years

22 There was a big movement to have a multiple stream of
23 income, which means you'd have three or four different

01:46 25 It was -- it was not the correct way to
20

01:46 1 build a business because your focus -- you really need --

2 I focus -- this is all I do with Advantage Conferences.

3 I focus all my efforts. When your focus is stretched
4 like that, you just -- you can't service your -- you

01:47 5 can't mentor people. You can't coach your team members,

21 I have my MBA. I'm very involved in our

22 ministry. **I wouldn't do -- my brother's on TV and radio**

23 with his ministry. I wouldn't do anything that would

24 jeopardize that -- our -- our name and reputation, so I

01:49 25 had to buy into Tim Darnell before I bought into anything
22

01:49 1 else.....

All right. When you joined in -- Advantage

24 Conferences in February of 2005, you joined as an MMC-IV?

01:55 25 A. Correct.

01:55 1 Q. And that's -- you paid \$9,995?

2 A. For the conference, correct -- the upcoming
3 conference in April.

4 Q. And did you pay cash? How did you pay for it?

01:56 5 A. **I paid, I believe, with a Visa check.....**

I also focus on sharing with

02:05 20 people -- my brother, who's a pastor of 21 years in

21 Detroit, is an MMC-IV with us. His name is Jerry

22 Weinzierl. My in-laws, who are both pastors, my wife's

12 definitely would not represent something to somebody I

13 have to live with for the next 50 years or 40 years if I

14 didn't believe in it.

02:07 15 Q. Okay. What other persons in the warm market

16 have you recruited to Advantage Conferences?

17 A. I don't -- I take offense to the word

18 recruiting. We don't -- we're not recruiters, so could

19 you use a different word or --

02:07 20 Q. No, that's my question. What other of your

21 warm market have you recruited to Advantage Conferences?.....

A. Okay. I've introduced Advantage Conferences

2 and I've introduced the Millionaire Mindset Conference to.....

A. And that's a lion's share of my budget as well.

18 When you look at my expenses for last year, that's the

19 lion's share of my budget.

02:10 20 Q. What is -- what is your budget?

21 A. I'm right at about 6,000, \$7,000 a month in

22 marketing.....

Q. What is Michael Bartlett Co-op Marketing?

11 A. It was a -- also another leads. I've been in

12 business with Michael Bartlett for about three years.

13 He's -- he's another warm market one I was trying to

14 figure -- remember -- warm market individuals. He's

02:53 15 somebody I've known for about three years, great guy in

16 South Florida, and we just did another campaign co-op to

17 try to generate interest forms....

Q. **I see Alan Tannous. He's a relative, right,**

02:56 15 in-law?

16 A. Correct. Yeah.

17 Q. And what -- there's a entry on here for

18 commission rebate. What is that for?

19 A. I gave him help with his marketing. Just like

02:56 20 if I owned a restaurant, I would give him discounted

21 meals.

22 Q. Okay. Jerry Weinzierl, refund on commissions,

23 \$7,000, what is that?

24 A. He's a pastor, and I gave that back to him to

02:56 25 help him.

64

02:56 1 **Q. Is he still in the business?**

2 A. Yes, they are. They're also qualified, and

3 they've earned at least one \$7,000 check.

4 Q. When did that happen?

02:57 5 A. Probably three, four months ago.....

3 a couple folks that I've known in the past, Barbara

4 Kardokus is one I've known, good friend for the last

02:08 5 three years or so up in -- up in Enid, Oklahoma. Josh

6 Peak is another gentleman that I introduced the business

7 to that I've known for about three years, also a good

8 friend of Barbara Kardokus's....

We've got good short-term testimonials.....

Aaron,

Thank you! You just accused your Uncle Jack of lying under oath. That was so Christian to take that \$7,000.00 when the other hundreds of honest, trusting Christians that got burned in this scam were not offered the same opportunity. The attorneys and enforcement agencies that follow these threads will find that very interesting!

Re: Jerry Weinzierl Grace Christian Church AC Pyra

Ok folks - SBM is acting like she just busted another scam - she's really excited right now.

you were saying that Jerry was scrubbed from the rep lists - this accuses us of lying and deceit - in fact it

wasn't cause the repship was in my name not Jerry's. that's all

you will also notice that SBM likes to play any side that suits her - on one hand she says Jerry got a refund (this is provable by legal docs - so yes he did get a refund 3 days after we purchased a ticket - this was money to help us get started and was from my uncle's commission not AC) but then she gets all excited when she 'proves' Jerry wasn't a rep at all and now she caught Jack lying - it would be funny if it wasn't so so so pathetic ☹️

keep trying soapy! I know you are working hard at answering my question - lets refocus here -

is this the information you are using to defame my dad? all I ever see or hear is your rants against my uncle and Tim Darnell

anything? anything at all??

remember people that read this thread are watching...waiting for an answer! so far not so good SBM!

Crap from Jack:

Turn up your speakers and click on the image above
Do not conform any longer to the pattern of this world.....
but be transformed by the renewing of your mind... Romans 12:2

Warm Mark, several team members commented that they had not received this *****ful email that Michael Bartlett put together. I encourage you to cut, paste, and EDIT this message in your Outlook to send to any prospects, and especially warm market--folks you know. Please make sure to change the links, of course delete the picture and make the email yours. Also, take the names "Jack" out of the email and either do it with no names, or add your prospect's name individual there. Thank you Michael!

See you on the team call at 2 pm Central today!

Dear Jack,

I wanted to share a message just sent out to Advantage Conferences Reps by Tim Darnell our CEO.

Hi Team!

Computing individual Pro Rep commission tallies for the month of July revealed the fact that many of our Reps are making huge incomes! How gratifying it is to see our product - the Millionaire Mindset ConferenceSM moving at super velocity.

I am proud to announce the Top Producer for the month of July is Pro Rep IV - Jack Weinzierl of

Flower Mound, Texas with \$95,564.49!

This, in anybody's estimation, is a formidable month's income. But there is more to the story than just the number. Here is a letter from Jack. It illuminates other important aspects of Jack's business that should be understood by all Reps.

"We have 60 people on our team, but here is the real *****ful part, 32 are from the past month ALONE. It took us 4 months to reach 28 and 1 more month to more than double that number. That is momentum folks and we are really just scratching the surface. 23 of the 32 were enrolled by other team members and approximately 50% were from team members sharing with those they care about—their warm market.

You either believe in what we are doing or you don't—there is no in between with belief. You are not able to "kind of" believe. If you believe in the lives we are changing with our products, coaching and mentoring, and business vehicle, you will share it. If you are in the desert and you know where the ***** is, you share it with those you love and care about!"

"Tim, thank you, thank you, thank you for providing a Christ-centered business that changes lives. I thank God every day for the opportunity to be building a business with integrity and centered on Him with each and every one of you! I know that it's not Jack Weinzierl as my best month in online marketing was \$4,400 prior to Advantage Conferences. We are blessed so we can be a blessing to others."

Blessings,

Jack Weinzierl
MMC-IV Pro Rep
Advantage Conferences

FYI - Jack's results precede a radio campaign that is just now being launched. Also, as you can see, referral sales are really beginning to kick in for Jack, accounting for more than half of the commissions. This is the "***** of 2" we talk about, an incredible feature of the comp plan that you should really comprehend.

Jack with family, including his in-laws,
Alan and Jan Tannous, brand new MMC-IV Reps

Other notes:

1. Jack took leadership in our Company without being asked. He volunteered for service from day one. By his own admission, Jack has felt uncomfortable speaking on teleconference calls or live meetings (he is now much more confident and smooth), but diligently practiced and prepared for his \$7,000.00 Calls, the Mindset Calls, and live training at our Strategist Meetings. He overcame the discomfort by doing what was uncomfortable until it became comfortable.

See Yourself as a Leader Now
It's Your Business

2. Jack "makes things happen", rather than sitting around "hoping" things might happen.
3. Jack's attitude is 100% positive all the time. He is constantly looking for "solutions" and sees no situation as an obstacle, simply something to figure out.
4. He invests in his business monetarily and without hesitation, and then pays attention to every lead with diligent follow-thru.
5. He has total positive expectancy for himself and all candidates, but also knows that not every candidate will go thru the 3 Simple Steps, or is qualified to be a Rep at AC. He doesn't "fall in love" with or chase candidates, but nurtures them along thru steady correspondence.
6. He believes in the ***** of prayer – constant prayers of thankfulness for the success of his Reps.
7. Jack is laser focused. He's not taken on a host of other responsibilities (although he maintains a busy family and church life). He gives his business the attention it deserves to create stellar production. How much attention? Whatever it takes!

Great lessons to learn from a very bright star at Advantage Conferences!

Oh, and by the way – Jack will be the first to tell you that YOU can have great success here as well.

Success is a decision. You've got to make the decision to quit going about life the same way you always have and do the "new things" that will create the results you really want.

Congratulations to Jack Weinzierl and the entire Rep Team at Advantage Conferences for an incredible July!

In His service,

Tim Darnell

Jack accepting several MMC-IV commissions in person at the 'Strategist' in Dallas

Hi Jack, it's Michael Bartlett back again with an added thought - Jack is my sponsor into Advantage Conferences and a good friend. What Tim didn't mention, was that July was Jack's 5th month as an Advantage Conferences Rep! Impressive results for 5 months, don't you think?!

Could you do that with Advantage Conferences? I don't know - But I DO KNOW NOW that it's possible.

Jack, what if it took you 12 months? Or two years to get to that income? Would you be as thrilled as I will be when it happens for me?

My phone number is below if you have any questions for me - or for Jack, I'll be happy to get him on the line with us.

To your success,

Michael Bartlett

I must admit I'm disappointed! maybe you are confused -

we would like some information that pertains to Jerry not everyone else - that's all, real simple stuff - unless you don't have any

(get it guys, she doesn't have any)

Oh and one more questions - since you are the moderator:

If my wife would like to post on this site should I send her to Panera to use their free wifi since if she posts from my house or the church she will get blocked?

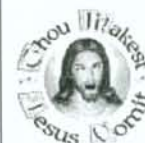

wait here's a good test - I'll have her post something that agrees with you - then she can use the same IP address.

Oh no! Panera wont work either - what if someone else posts on here from there, they will have the same IP address!! but your sluethery will dig and find the truth right??

sorry Butler but maybe next time use an anonymizer for your log in - the moderators (correction moderator: SBM) of this site will block you if they disagree with you. ☺

If butler is your wife any Mod here would be happy to unban her. I will do it immediately. You yourself may only use one ID. One dog in the fight is the rule. As old Uncle Jack had 9 it was not a stretch to believe you had multiple as well. You were both at the same IP from your hometown. Your wife is welcome, of course.

nice of you to all the sudden realize that there may be more to the IP story - shouldn't jump to conclusions so easily

this speaks to the rest of your posts on this thread - just go with whatever suits you to smear someone you still don't know. just pretend to know what's happening and then talk real big like you know!

You are correct that you cannot get the physical address but it specifies if it's a business or organization. You might want to check that out sometime. So much for you being an IT expert.

Game playing, subterfuge and lies is how the Weinzierls operate. You are making yourself look like a complete dirt bag. You don't carry yourself like any other pastor I have ever met.

If butler is another individual the rules say their posts are welcome. Multiple IDs are not allowed. A person with integrity and certainly a man of God would do things above board and honestly. It has been shown on dozens of threads here how Jack Weinzierl conducts himself. Just what part of the Bible have you been reading????

gosh a whole page of requests and not once can she find anything - watch everyone she's about to give us a bunch of links and scribes to law suits that have not one thing to do with Pastor Jerry. SoapBoxMom,

I think this thread has run its course and so has your ability to prove what you claim here in this thread.

You have not been able to produce one single shred of evidence to back up the many accusations you have made against Jerry Weinzierl, and therefore, I'm going to ask you to please delete this thread as is doing nothing more than defaming a person you know nothing about.

Again, to clarify, I'm asking you kindly to please delete this thread since you have been unable to post a single shred of evidence to back up your claims against Jerry Weinzierl.

Jack Weinzierl was in Michigan when this was filed. It is high time you Weinzierls tell the truth about who is behind the filing. David Myers spoke to Dejong. That filing was abuse of process and sleazy as hell since Tim Darnell was losing the identical case in Dallas and Michigan did not have jurisdiction over the *Dallas* BBB. So, I suggest the Weinzierl pastors start sharing the truth about their involvement in this scam.

Soapboxmom

Again, I dont see what any of this has to do with Jerry Weinzierl or Grace Christian Church. All you did was post some sort of lawsuit taken out in Michigan and then post Grace Christian Church's address and how far it is from the courthouse.

Thats quite a conclusion to jump to given you have no evidence! Just like your claim that Aaron was posting from multiple accounts. Just like your claim that Jerry and Aaron used their positions as pastors to cheat people out of thousands.

I'm starting to see a pattern here. Again, I'm going to have to ask you to post PROOF of the claims you make, or remove the thread. Without proof, this thread is just defamatory.

Call your Uncle Jack Weinzierl and brother-in-Christ, Tim Darnell, and seek the truth for once in your life. If you and Jerry weren't involved then Jack and Tim should clear your names. If all of you are so Christian that shouldn't be a problem.

Thats quite a conclusion to jump to given you have no evidence! Just like your claim that Aaron was posting from multiple accounts. Just like your claim that Jerry and Aaron used their positions as pastors to cheat people out of thousands.

I'm starting to see a pattern here. Again, I'm going to have to ask you to post PROOF of the claims you make, or remove the thread. Without proof, this thread is just defamatory.

If there were any defamation in this thread it would be a cinch for you to expose it. Find a false statement of fact and refute it. Good luck with that!

You see, you are the one here making the claims, so the burden of proof is on YOU.

YOU claimed that Aaron is posting under multiple accounts, but you have been unable to prove it. In fact, you've actually been proven wrong on that one.

YOU claimed that Jerry and Aaron were using their positions as pastors to lure people into AC. Yet, you still have not posted a single shred of evidence to back it up.

YOU claim that Grace Christian Church and Jerry Weinzierl brought a suit against someone in Texas over Advantage Conferences, yet you have not been able to PROVE anything.

In all 3 of my points here, you have made HUGE jumps to make conclusions you have no evidence to prove.

Again, YOU are the one making the claims here against Jerry, Aaron and Grace Christian Church. Therefore, the burden of PROOF is on YOU!

Again, I'll ask you to PROVE your accusations or delete this thread.

Re: Jerry Weinzierl Grace Christian Church AC Pyra

she also said a few other things about Pastor Jerry - all things she doesn't have proof of and people have seen it - this calls into question the integrity of people - and worse for her, public figures that rely on their character for their profession. this is why I said the longer this keeps going the funnier it gets

Re: Jerry Weinzierl Grace Christian Church AC Pyra

could you please take a moment to highlight what your last post was trying to prove - ??? no one ever said Jerry wasn't involved with AC - you in one of your truth busting trips were trying to say that Jerry was SCRUBBED from the rep list (as if to infer that there was sneakery going on) I simply pointed out that my name (Aaron) was on the rep list cause I was the official rep. we were a team in the business. I did most of the email answering and phone stuff so I was the official rep - but to say that he wasn't involved is nothing I ever said.

note to readers - you will see this often with SBM: she takes things out of context often. she will take one simple point and if it works for her argument she will turn it around and use it - if it doesn't work then she will ignore it. and if all else fails she will use old links and junk that have nothing to do with the person she is smearing. and if she has nothing else left she will call me a punk or dirtbag, etc

I know I often make light of her posts and this thread but honestly it's very sad that she feels the need to smear people she doesn't know just to make her point - ends justify the means I guess??

Jerry and Aaron Weinzierl's Income Opportunity page:

Quote:

Too Good to be True?

Not at all!

Simply Good, True, and Certainly the Most Ingenious and Achievable Business Opportunity Ever Made Available for Common People Like You and Me!

Introducing...

\$7,000

Over & Over & Over Again...

Imagine tomorrow morning seeing a Federal Express truck pulling up to your door. The driver hurries to your doorstep, rings your doorbell and hands you a Fed Ex letter containing a crisp **\$7,000.00 Check** with my signature on it.

We often call the Federal Express vehicle, "The Happy Truck", and I think you can see why. Imagine being taught a system designed for you to experience the thrill of having the Happy Truck pull up to your house or apartment **OVER and OVER AGAIN** delivering \$7,000 checks on a regular basis!

Introducing...

The

\$7,000.00

in Your Bank Account

Over and Over Again

Strategy!

Could that kind of income change things around your house? Hey, the first time that check comes in, you will be hooked. You'll never be able to look seriously at another way of making income. Once you truly understand the **Millionaire Mindset Income Producing System™**, everything else will look boring, too difficult, or just not profitable enough!

You may have made that kind of cash before. You may do it all the time. But, whether you do or not, if you would like to have a dynamic, automated method that is 100% legal, legitimate, ethical and most importantly, **effective** at bringing strong cash flow in on a consistent regular basis, then you will want to understand and implement our simple process known as the **Millionaire Mindset Conference Income Producing System™**!

This System has been specifically designed to make you **SERIOUS MONEY** – ethically, legally, professionally and absolutely uniquely!

Four Simple Essentials

In Place for You

1. The Life Changing, Highly Unique **Product** that pays a whopping **\$7,000 Commission** on every transaction!
2. *****house **Company** that has created and orchestrates all aspects of the **Millionaire Mindset Conference Income Producing System™** and is willing to pay you a higher commission on each transaction (Reverse Margin™) than received by the Company. In other words, your commission is higher than the wholesale amount taken in by the Company!
3. Our exclusive, cutting edge, trademarked **Marketing Method**, called the Millionaire Mindset Conference Income Producing System™ that locates thousands of highly interested candidates for you inexpensively and quickly - those of like mind and purpose – while delivering EVERYTHING, all the information they need to know without you having to say a word to a single person!
4. **Transactions Finalized** with your eager candidates by the professionals at Advantage Conferences FOR YOU!

You Provide

A. Absolute Belief in Yourself. Doubters, Skeptics, Low Self-Image individuals need not apply

B. Teachability – Your Commitment to Follow Simple Instructions

C. Resourcefulness and Desire to get your business started quickly

Hi. My name is Tim Darnell, President and Founder of Advantage Conferences, and I have an observation. If I can show you a simple and easy method for creating significant cash flow (\$7,000 a month, a week, and eventually every few days and more), could you get excited about that kind of income and what it could do for your life?

How many times would you like to have that happen for you? I would assume you would like to see those kinds of checks as often as possible!

Your Personal Financial Situation

is the

One that Really Matters!

Even if you were a multi-millionaire, I think you would agree that **\$7,000 checks** arriving at your doorstep on an ongoing basis, would be exciting for your personal economic situation. Your wife or your husband – heck, your entire family – would all think you were a genius wouldn't they?

But when the Happy Truck begins visiting your house over and over again, your friends and neighbors are going to want to know what you are doing and how **they can start getting the same results!**

How Most People React

to Genuine Opportunity

Most people have a rush of excitement when they think about the possibility of having \$7,000 checks in their name come to their house. *BUT due to Negative Programming* that many people experience from an early age, they quickly *dismiss* a totally legitimate concept and opportunity as "**too good to be true**".

That assessment would, unfortunately, be a **MAJOR MISTAKE**. It would be absolutely wrong! And the worst part of making that mistake would be the loss of a Life-Changing Income Stream in your own financial life!

And so I urge you to take the time to review Advantage Conference's **Millionaire Mindset Income Producing System™** with a fine tooth comb. Having been an entrepreneur for the past twenty years, I can tell you, without question that this particular concept is the VERY BEST the market place has ever witnessed!

Re: Jerry Weinzierl Grace Christian Church AC Pyra

again guys - this is what we get from SBM!

I've already answered this. So once again here goes (this gets old) I'm guessing you are trying to tarnish Pastor Jerry by showing the AC website and since he was involved he is now a scam artist.

So if that is the rationale to your post ... why do you not hold the hundreds and hundreds of others that were involved with AC responsible also? I can answer that for you - because you are on a smear campaign and witch hunt. You ignore the fact that hundreds of people including the poor victims you like to talk about also had this same website! So then when are you going to put up a thread about the poor victims since they must also be lying, cheating scam artists also!!

And in case you would like to pretend that Pastor Jerry made thousands at AC while others lost their life savings "due to him" - let's be up front about what you do know but continue to ignore (guys she does this when things don't prove her point). Pastor Jerry only introduced 2 people to AC and sold conference tickets. (actually this was Aaron, me, since he was the one that did the business) One was a long time friend whom he is still friends with and has lunch with regularly and the other was a relative who he also talks with all the time. So don't act like the TWO parties involved were scammed by Pastor Jerry. They are still and have always been on great terms.

So please either tell us how your pointless posts relate to Pastor Jerry or better yet I would encourage you to start threads on everyone that was involved with AC so you can smear them - even the poor destitute, elderly poor poor folks that lost their entire life savings. (we should start a thread about 90% of stock investors in the same boat - oh wait most of them aren't crying since they knew they were

risking money to make money - duh! (yeah kinda punky right?)

SBM I will ask you along with snorg to please remove this thread unless you can show exactly how Pastor Jerry lied, cheated and stole as you have said

You are in fantasy land if you think I will remove the thread. Anything that you can quote and refute feel free to do so. Otherwise, I suggest you pastors post who is responsible for the abusive lawsuit filing, speak out against that scam you promoted and do everything humanly possible to reach out to the victims of that Advantage Conferences scam!

we stilllllll don't know anything about that case - (guys she thinks if she says it over and over it's true)

SBM give us facts or you will surely want to remove this thread (guys I don't expect her to give us facts since we've been asking for facts for two whole pages on this thread and she keeps posting stuff that has nothing to do with her smearrrrry campaign)
