Re: Advantage Conferences BS (Merged)

Folks,

Please stay tuned for a major announcement concerning the conference. The only question is will Tim be honest about what is going on or will I personally have to make this announcement. God does work in mysterious ways and through people in very unexpected ways. God answered one of my prayers today and I cried tears of great joy!

May God bless all who visit our humble thread!

Timmy and Jack,

Now you know who the unstoppable Soapboxmom is. I will tell Mr. Robert FitzPatrick and Dr. Jon Taylor their expertise is needed again. They were the experts that helped the Better Business Bureau triumph against you when you losers filed that frivolous suit against them. I will let those fine attorneys at Jackson Walker L.L.P. know their superb legal talents are needed as well. I guess that Writ of Garnishment didn't teach you your lesson. How about another Writ of Garnishment compliments of Mom here!

By the way I spoke with headquarters for Penn Mutual Life Insurance and the bankruptcy filing and many of the court papers from your frivolous suit against the BBB are on the way snail mail as they requested hard copies. I am sure they will find that stuff educational reading, lads.

I would like to specifically address some of the issues Timmy raised in the preceding. Tortuous means twisted and devious. That you are Timmy boy! Our befuddled lad meant tortious. He wanted our friend to think she would face legal consequences and have to pay damages for her statements about his scam.

Now, as to that "harsh and severe penalty," that is absolute nonsense. If libel is proven in court, which is impossible in this case, the penalty is civil and not criminal. Indictments are used for

criminal cases that are felonies and they are issued by grand juries. What a buffoon you are Timmy.

I can find no evidence of any court case that resulted in our lying goon Timmy being awarded \$405,000. I am sure Jack will be happy to come on here with all the facts surrounding this, such as the court, year, docket number and title if it did occur. We would love to hear that Texas sized tall tale again. Time to prove it you silly boys.

Soapboxmom

Are you boys suggesting a repeat of this. I have spent days down at the courthouse and still I can find no evidence this lawsuit took place. Jack and Tim, I demand you provide the details about this case. Your reading public has a right to see what it is you have planned for me!

SBM,

Thanks for the front row seat viewing the demise of AC! This has all just made my day. I just LOVE how tim's automatic response to anything that does not go his way is to SUE. How Christian is that?!? Or for that matter, how is that good business? We've seen how well it worked against the BBB - and how it ended up backfiring and costing him dearly financially. Can you see someone like Bill Gates (who actually IS a millionaire many times over) suing anyone and everyone who ever said anything "bad" about him?

I also love how he thinks his bully tactics will work on you. He just can't stand the thought that there are people out there that he can't control! (OOPs - I used the word "can't", I guess I'm just a homeless bum going straight to hell :cry:)

I am writing to you because I have devoted the last 2 years of my life as a poster at Quatloos.com and Scam.com. I have spent countless hours and dollars to see the public is protected from serial scammers like Tim Darnell. I am going to briefly outline some very vital information for you in the hopes that you, as many reps have, will come to know the truth and perhaps you can see to it Tim Darnell and Jack Weinzierl are not able to harm anyone else with their pyramid scheme Advantage Conferences.

I have posted the court documents from Tim Darnell's frivolous lawsuit against the Better Business Bureau and thoroughly exposed his scam. Tim Darnell and Jack Weinzierl have my name and are making a career out of threatening me and many other good honest people with lawsuits for sharing the truth.

You are probably unaware of the real Tim Darnell and Jack Weinzierl. I wish I had the time to share all the information I have with you, but this volunteer work is becoming very expensive and is taking away time from my precious family. I would ask that you begin by reading the

fine Houston Press article. The tone reflects the young market this paper is directed to, but it is 100% factual. I have almost all the court papers he refers to in my possession.

<http://www.houstonpress.com/2006-12-...ndsetters/full>

Jack Weinzierl was employed at Nextera working with the convicted felon and "junk bond king" Michael Milken.

Tim Darnell is a serial scammer of the worst kind. He has been involved in Nu Skin, Liberty League International and Global Prosperity.

The post that follows gives some pertinent info about LLI.

<http://www.scam.com/showpost.php?p=2...postcount=1945>

Quatloos.com has an excellent article <http://www.quatloos.com/groups/gpg.htm> that a brief perusal of should suffice. The next link is a summary of the document I have attached for you. All Star Entrepreneur, that Tim Darnell was founder, president, registered agent and 33% owner of from his home address, went bankrupt to the tune of 1.3 million. It was a virtually identical scam to Advantage Conferences and left almost 100 reps out \$12,995.00 for a conference that never happened and many hotels and businesses out substantial sums. All the reps in that deal lost because it was a pyramid scheme that folded quickly and there was no chance to sell the bogus conferences and thousands of dollars were likely lost in advertising as well.

<http://www.scam.com/showpost.php?p=397038&postcount=69>

You may not be aware that Timmy filed a frivolous lawsuit against the Dallas Better Business Bureau and ran around claiming in e-mails and in his silly Slay Your Giant book that God had assured him victory. If you will go to the following page on Quatloos.com the second post made by wserra has links to several of the court documents including the Judge's order in response to the BBB's Motion for Summary Judgment. Timmy's suit ended with the BBB getting all court cost paid involuntarily on Timmy's part with a Writ of Garnishment practically emptying AC/Timmy's bank account. <http://quatloos.com/qforum/viewtopic...04c5d3f2de5a0b> The Plaintiff's Original Petition and Application for Injunctive Relief is on page 61 of the scam.com thread with a number of other court documents I scanned and posted.

<http://www.scam.com/showthread.php?t...tition&page=61> I can certainly send it and any other documents that would be helpful by snail mail. Tim's Affidavit which you can see on

Quatloos.com I summarized here. <http://www.scam.com/showpost.php?p=3...postcount=2015>

<http://www.scam.com/showpost.php?p=3...postcount=2016>

<http://www.scam.com/showpost.php?p=3...postcount=2023>

I should also point out that the scammers ask folks to sign up to make 100 grand, 250 grand, or 500 grand a year (In 2005 they promised a cool million). Jack promises a minimum of 100 grand with the potential to make much more. The court papers from Timmy's frivolous suit show a greater than 98% failure rate as of June 2006 and some of those are MMC IVs (reps that paid \$10,000.00 to join the money making opportunity) out 20 grand or much more. The financial devastation is only getting worse.

<http://www.scam.com/showpost.php?p=3...postcount=2419>

As one can see in the court documents Timmy also sued Dr. Jon Taylor for this:

<http://www.mlm-thetruth.com/EvalsA-D.htm>

<http://www.scam.com/showpost.php?p=3...postcount=2389>

After a year of games Timmy dropped the suit against Dr. Taylor in order to keep Taylor's superb deposition secret and Dr. Taylor put Tim's 2 latest scams back on the list to protect the public.

Tim's Advantage Conferences' promotional rag Givers Magazine and the King's Conferences with Arch Bonemma came and went this past summer. Arch Bonemma is a Dallas resident and millionaire who is known for going to Iran to search for Noah's Ark. Tim's sickening third party insurance policies on seniors, which 60 reps got licenses to sell also bombed quickly. The court loss and all these shenanigans have caused a mass exodus of reps. If this scammer isn't stopped we will just have more marks at the bottom of the pyramid lose everything. I wish I had the time to put together a more formal and organized summary. The thread on Quatloos is only 3 pages and a good read. <http://quatloos.com/qforum/viewtopic.php?t=450> Scam.com has excellent threads and all the court documents are there on pages 60, 61 and I believe 66, but you must wade through many superfluous posts including hundreds by Jack Weinzierl, the biggest and almost only money earner under 5 different identities.

These men are using Christianity and faith to defraud folks out of their life savings. I am communicating with reps who are emotionally and financially ruined because of Tim Darnell. I believe God called me to expose this scam so no more good trusting folks would have their lives destroyed by these serial scammers. Tim Darnell hosted a conference this past June and he had none other than Mrs. Sam Caster of Mannatech as a featured speaker.

<http://www.dallasnews.com/sharedcontent/h.35a7c98.html> I invite you to contact me with any questions or concerns.

Tim Darnell/ Advantage Conferences is hosting a conference in Dallas. He graciously invited Craig Malisow to attend one a year ago so he could write that lovely article. Please ask Tim Darnell to extend all of you an invitation to his conference sponsored by his company that is Christ centered has God as its guide. http://www.advantageconferences.com/...first_time.pdf

Re: Advantage Conferences BS (Merged)

Tim,

Let me explain something to you.

When you lost the BBB court case and the Judge gave a one page summary judgement againts you. This is called a Legal Precedent.

Let me define the word Precedent for you--

precedent

1) n. a prior reported opinion of an appeals court which establishes the legal rule (authority) in the future on the same legal question decided in the prior judgment. Thus, "the rule in Fishbeck v. Gladfelter is precedent for the issue before the court in this case." The doctrine that a lower court must follow a precedent is called stare decisis 2) adj. before, as in the term "condition

precedent," which is a situation which must exist before a party to a contract has to perform.

This basically means you do not have a leg to stand on in court in the future.

\$7,000 Profits to You?

We call the Federal Express vehicle, ?The Happy Truck?, and I think you can see why.? Imagine being taught a system designed for you to experience the thrill of having the Happy Truck pull up to your house or apartment OVER and OVER AGAIN delivering \$7,000 checks!

Could that kind of income get you excited?? The first time that check comes in, you will be hooked.? You?ll never be able to look at another way of making income.? Once you ?get? the Millionaire Mindset Income Producing System?, everything else is too involved, boring, or just not profitable enough!

You may have made that kind of cash before.? You may do it all the time.? But, whether you do or not, if you would like to have a dynamic, automated method that is legitimate, ethical and effective at bringing strong cash flow in on a consistent regular basis, then you will want to

understand and implement a simple process known as the Millionaire Mindset Income Producing System?!

This System is designed to make you serious money ? ethically, legally, professionally and absolutely uniquely!

Four Simple Essentials
In Place for You

1. A Legitimate, Extremely Valuable Product that pays a whopping \$7,000 Commission on every transaction!
2. A Company that supplies and orchestrates all aspects of the Millionaire Mindset Income Producing System? and is willing to pay you a higher commission on each transaction (Reverse Margin?) than received by the Company.? In other words, your commission is higher than the wholesale amount taken in by the Company!
3. An ?A to Z? Marketing Method, called the Millionaire Mindset Income Producing System? that locates thousands of income opportunity seekers for you inexpensively and quickly, and then delivers a concise communication that identifies those of like mind and purpose!
4. Closing Calls and Three Ways for your prospects by the professionals at Advantage Conferences that finalizes each transaction!

You Provide

- A. Absolute Belief in the Process ? ?doubters?, ?skeptics? need not apply
- B. Commitment to Follow Simple Instructions
- C. Resourcefulness to get your business started

Hi.? My name is Tim Darnell and I have an observation.? If I can show you a simple and easy method for creating significant cash flow (\$7,000 a month, a week, and eventually every few days and more), could you get excited about that kind of income and what it could do for your life??

How many times would you like to have that happen for you?? I would assume you would like to see those kinds of checks as often as possible!

Your Economic Situation
is the
Only One that Really Matters!

Even if you were a multi-millionaire, I think you would agree that a \$7,000 check arriving at

your doorstep tomorrow, would be exciting for your personal economic situation.? Your wife or your husband ? heck, your entire family - would all think you were a genius wouldn't they?

But when the Happy Truck begins visiting your house on a regular basis, your friends and neighbors are going to want to know what you are doing and how they can start getting the same results!

How Most People React to Opportunity

Most people have a rush of excitement when they think about the possibility of having a \$7,000 check in their name come to their house.? BUT due to Negative Programming that many people experience from an early age, they quickly dismiss legitimate concepts and opportunity as ?too good to be true?..?

That assessment would, unfortunately, be a MAJOR MISTAKE. ?It would be absolutely wrong!? And the worst part of making that mistake would be the loss of a life-changing income stream in your own business!

And so I urge you to take the time to review Advantage Conference?s Millionaire Mindset Income Producing System? with a fine tooth comb.? Having been in the conference production industry in one phase or another for the past twenty years, I can tell you that this particular concept is the best the market place has ever witnessed!

Yes, Mr. Darnell.? I would like to know more about being part of Advantage Conferences and the Millionaire Mindset Income Producing System that provides \$7,000 commissions with each transaction!

Timmy,

This is what the majority of your reps signed up for. Genuinely Serving Others....

Tuesday, July 17, 2007 at 01:43PM

It is amazing how fulfilling serving and helping others really is. And yet, I see very few people who really understand this concept, and even less who take the initiative to put it into practice.

In a world of self-centered takers who wake up every day asking the question, "what's in it for me?", wouldn't it be refreshing to hang around service oriented "givers", people who are **genuinely concerned about your, and other peoples' needs, concerns, and well-being?**

Serving and giving are major themes at AC. When these concepts become a more ingrained

way of life, you'll find fulfillment like never before.

Imagine introducing AC's powerful income opportunity to another person who begins earning \$7,000.00 checks on top of their current income. That's one of the many ways you can provide value to other peoples' lives.

How about helping someone you know grow in their faith in Jesus Christ like never before? Would that be valuable to their life? AC's Christ-centered training and mentoring for entrepreneurs is unlike anything else in the marketplace, material rarely, if ever, addressed in churches.

You can add tremendous value to peoples' lives through the AC initiative. The campaign is ongoing and the impact is expanding world-wide!

You can provide genuine value, be humbly proud of what you're doing, and add those \$7K checks to your bank account all at the same time - a powerful win - win for all!

In His Service,

Jack Weinzierl

Look at Tim Darnell's list of 10 from the court documents and then check the earnings he submitted. The BBB asked for folks who made the advertised \$7000 Over and Over and Over Again--- \$21,000 as of June 2006.

When are you boys going to refund the many that need the money. There is a trail of devastation in your wake, boys. Why don't your charitable hearts reach out to the many reps who are suffering because of your deceit?

These folks all spent ten grand plus untold thousands more on this scheme. Out of 600 or so (last official number from Jack was 500) it appears a whopping 2 made the 100 grand goal since June 2003 when this scam originated. Has even one more rep scaled that height in the last year????

Soapboxmom

P.S. This is why I will never rest until no others can be harmed by this AC nonsense. The truth must be out there. Many reps must now just be discovering it as I see an unusually high number of reads. I can't imagine why that is happening. God works in such mysterious ways, huh, boys?

My love to each of you this morning! We are full-steam ahead and anticipate an excellent, exciting conference weekend after next!

See: Titus I:15 “To the pure, all things are pure, but to those who are corrupted and do not believe, nothing is pure. In fact, both their minds and consciences are corrupted. 16 They claim to know God, but by their actions they deny Him. They are detestable, disobedient and unfit for doing anything good.”

With business, we have wonderful times of fulfillment, fellowship, and reward. We also have times where we have to deal with unsavory situations and even ‘dark’ characters. This communication is for internal use (Advantage Conferences Reps) only. You have a non-disclosure responsibility regarding all postings from corporate to the field. Please read the following carefully.

Many of you are aware that we have faced opposition from loosely organized attackers, people vehemently opposed to our concept and growth – determined to do everything possible to undermine every aspect of our ministry and business. They have anonymously demonized, mischaracterized, and found fault with virtually every single announcement, initiative, and direction we’ve taken, and through a barrage of communications, have been effective in thwarting our efforts to some extent. However, that situation has taken on an interesting and significant development this week.

We are pleased to announce that the identity of one of the most vocal ‘belligerents’ to AC has been uncovered. Operating anonymously, an outspoken individual who has called herself, Soapboxmom, has organized an ongoing, destructive assault on the AC business. She has also assassinated the personas and character of myself and several AC leaders and our families for over two years now with inflammatory, disgusting, always completely negative blogs, messages, and phone calls. She has been identified as a **Scambuster** in Texas. This, to say the least, ‘misguided’ woman has been quite vigorous in her attacks, and while I don’t mind disagreement regarding our being a Christ-centered company, how we market, or the validity of our concept, products, opportunity, and compensation structure, etc., her efforts have far

exceeded the boundaries of civil discourse. Her opposition has now crossed the line, turning to legal, actionable events.

Here is where you come in. Several Representatives and Mindset Mentors (guest speakers) have been contacted by her. If you have had any contact with this person, you are obligated to provide a complete, comprehensive, and detailed report regarding any aspect of “soapboxmom” contact and/or communication in writing. You will need to send those via e-mail to office@AdvantageConferences.com. Please include dates and the nature and content of her communication(s) with you. While we regret the inconvenience, we are thankful for the opportunity to put a stop to the incessant and vitriolic poison that this woman has spewed over the last two years.

While I have, personally, for the most part, ignored most of her efforts, which have actually included her literal stalking of our homes, my attendance at recreational events, and our public conference events, the time has come to deal decisively with this self-appointed enemy to our company and cause.

Again, I apologize for having to even bring this up, but we can’t ignore these ridiculous assaults any longer. **IMPORTANT:** your participation is not optional. You are obligated to issue a full report regarding any past, present or future dealings with “soapboxmom” via e-mail, phone, personal meetings, or any type of communication – in detail. I am also compelled to state that withholding, or not fully complying with this request – not reporting any information of this sort could indicate complicity on your part and create further problems for you personally. Even if your involvement has simply been to look up postings on one of the negative blogs, you must report what, when, where, and the effect the postings had on you personally and/or on your Candidates.

Forwarding any internal AC communications to other non-AC parties, other than the Messenger, Company approved public broadcasts, or a generic “ministry oriented” communiqué is strictly prohibited. While this should be understood without an announcement to that effect, forwarding, disclosing, or sending messages that are private to our company, staff, or Representative team is a serious violation of corporate trust and unfortunately could require action against any Representatives who have been engaged in such activity.

On the positive side – let’s make MMC, Number Six, the very best event possible! I am highly encouraged and excited, and I look forward to seeing each of you there. I’ve got a special hug

just for you!

Blessings,

Nice, Tim!

Tim, Again your facts are wrong.

Soapboxmom and I are not the same person.. Nor have I stalked you at personal events. I often attend Cotton Wood Creek Baptist Church with friends. It has nothing to do with you.

I took my wife to the Rascall Flats Concert and happen to see you there with your wife.. Again, not stalking you..

Researching you and digging up your background is DIFFERENT then Stalking.

I am glad we have been effective in thwarting your efforts..

Tim, is this a threat? Sounds like one to me! **Threatening people is not a good Christian thing to do!!!** What if these reps don't do what you tell them?

How are you going to complicate their lives or create futher problems for their lives? **Revenge is not a Good Christian Thing to do!!!** I think God helped you with that lesson with your lose to the BBB!

Tim, I have a honest question for you? Do you think of yourself as a David Koresh type of person? Having mental control over people? I think you do. I think you feel as though you can control your reps and ask them to jump and they say, yes sir Tim, how high???

Well, the fact that someone has already sent your e-mail/letter to us here at scamDOTcom is evidence that you have **MANY** reps whom are unhappy with you.. You know about some reps whom are not happy with you, but, many are either too scared to say anything publicly or don't want to get enovled with any further law suits you decide to drum up.

This letter sounds very much like the one you sent out before your attempt to unsuccessfully sue

the BBB... How did that work out for you?

Oh wait, It did'nt.. :conehead:

Is all of this worth it Tim? Why don't you stop your fight, give up and get a real job..

I encourage all former reps, to join together with a Class Action Lawsuit againts Tim Darnell and Advantage Conferences..

If you feel called by God to put a stop to Tim Darnell and Jack, then I encourage all of you to pray about it and take action if you feel God has called you to put a stop to this.

Any Class Action Lawsuit would be a "slam dunk" in court.. There is so much evidence available and past court cases involving Mr. Darnell.

There are plenty of Former Reps whom have logged on to scamDOTcom .
This could be a great forum to connect with each other on..

The fact that you have multiple people paying legal fees makes this not as expensive if you went about this yourself.

Sometimes what God calls you to do is not the EASY thing to do.
Participating in a Class Action Lawsuit againts Tim Darnell would no doubt be stressful and mentally draining.

But, it is the Ethical, Christian, Morally right thing to do!

I hope you look out your window from your desk at your home office wondering if that last car that drove by was a police car, stalker or FBI agent..

Demand your refunds! Timmy assured the Better Business Bureau he would happily give you one! Remember the rep you sold a conference to that couldn't fly. If you sold it knowing that rep couldn't travel they should benefit from the same policy. You had no business taking that money or refusing a refund. You knew full well they were unable to attend and no doubt they are dissatisfied with the content.

Texas law states:
Quote:

Involuntary Bankruptcy

Unlike the types of situations described above, in which the debtor decides whether to file bankruptcy, in an involuntary bankruptcy creditors force the debtor into bankruptcy. Under certain conditions, creditors can petition the bankruptcy court to initiate a Chapter 7 (but not a Chapter 13) bankruptcy against a debtor. The court will accept such a petition only if it is signed by at least three creditors who are owed a total of at least \$5000 in unsecured debt. If a debtor has fewer than 12 unsecured creditors, however, just one unsecured creditor owed at least \$5000 may file an involuntary bankruptcy petition.

Re: Advantage Conferences BS (Merged)

Hey you good people who have been scammed in this AC opportunity :

TIMING IS EVERYTHING IN THIS WAR AGAINST CHRISTIANS SCAMMING CHRISTIANS OUT OF THEIR MONEY!!!!

The crucible moment has arrived.

Many Reps have left Advantage Conferences in droves. Timing is everything!!!!

If you are a dissatisfied Rep or a former Rep with Advantage Conference, come forward and share your experience on scam.com. People searching for an opportunity need to know your experience and facts about AC.

Now why would I encourage dissatisfied reps to come out of hiding? The right action at the right time results in a victory.

Remember your American history! President Abraham Lincoln recognized the timing was right to end the war between the north and south. The Union army could crush what was left of the Confederate army. However, the war dragged on for almost two more years following Union victory at Gettysburg. **General Meade did not seize the moment when the time was right. Guess what happened? Hundreds of thousands more troops died because the Union army did not seize the moment.**

President Lincoln knew the timing was right. Lincoln sent communication from Washington DC, to General Meade by General Halleck on July 7, 1863. The message was:

Quote:

I have received from the President the following note, which I respectfully communicate:
“We have certain information that Vicksburg surrendered to General Grant on the 4th of July. Now, if General Meade can complete his work so gloriously prosecuted thus far by the literal or substantial destruction of Lee’s army, the rebellion will be over.”

We are beginning to learn that Reps are leaving in a drove from the Advantage Conferences opportunity. **Why?** We want to hear your why. You know who you are and it’s time to come out of hiding and share your experience so no one else will be hurt. You now have the opportunity to win this victory.

I am a Rep speaking my experience. Why? Because I do not want to witness more people hurt by this unrealistic opportunity & being bullied by Tim Darnell’s e-mails. He doesn’t own us. We paid a PRICE for AC Rep ship. He ought to be treating us with utmost dignity. It’s been a costly scam folks. A special hug from Tim Darnell is waiting for you next week at the conference! How come we didn't get the "special hug" when we bought the \$10,000 conference????
That would have been a more fitting time for Tim to give each Rep a "*special hug*"!

Let’s not be like the Union army and let this thing drag on and on and on. You **dissatisfied Reps** know from your experience after 2-3 years doing this business that you did not make the income or no income from this (federally trademarked) compensation plan as you expected. It cost most of us well over 20K+ for advertisements, conferences, CD’s, 800 Link and the list goes on that were not effective in the growth of building a networking. The (suggested) leads company produced junk leads and we spent hundreds of thousands of dollars working this business and using those useless leads. What a SCAM! I do not recommend Traffic Oasis leads company. I am not certain if it is / was connected to any of the top Reps in AC or not. I do know that 99.9% of the TO leads were junk leads.

We were told there would be no selling or cold calling involved in this business opportunity. It was a internet business and let the system do the work for you. **WRONG!!!! LET’S TELL IT LIKE IT IS!!!** Come on out of hiding people and share your experience now. **You can love your neighbor as yourself. YOU took courage and LOVED YOURSELF FIRST IS WHY YOU ARE NOW "INACTIVE" OR NO LONGER A REP WITH AC!!!!** You don’t want your neighbor to go down the AC pathway. **You've been on the pathway and it's called LOSER LANE! You took your detour from LOSER LANE.** Let's eliminate Loser Lane from anyone else entering it. **STOP AND CLOSE DOWN LOSER LANE NOW!!!!**
And, who is your neighbor? The person in need! The person in need of your advise about unsound & unwise financial opportunities.

I have absolutely no love to build (2) Reps business before I built my own. Folks that’s just the way it is. **This is why we all failed in this Advantage Conferences opportunity.** Love your neighbor as yourself! I gotta love myself first before I love my neighbor! **So that I CAN HELP**

MY NEIGHBOR!!!! Sorry folks but that's advise from Jesus Christ. No I am not sorry! I can not be sorry for telling the truth! Jesus knows I cannot help someone else before I help myself first!!!!!! Keep this in mind when you are building a business. Tim Darnell loves himself first. He takes \$3000 from every \$10,000 conference sale and I suppose he takes ALL of the \$995 for a return conference sale. What a deal!

LOVE YOURSELF FIRST PEOPLE!!!!!! AC president Tim Darnell is a good example of loving self first!!!!

Soapboxmom SEIZED THE MOMENT THIS WEEK!!!!

REAL AND HARD FACTS ARE BEING EXPOSED!!!!

The timing is right for victory.

COME OUT OF HIDING AND SHARE YOUR EXPERIENCE.

We do not want other people hurt financially, emotionally and spiritually.

SEIZE THE MOMENT!!!!!!

Do not let fear keep you from sharing your experience. Tim taught us to slay that giant. It's gone it's not a giant any longer in your life.

I would suggest Tim Darnell **"SURRENDER" NOW** and not hurt his family further by the media attention this upcoming conference will bring to him next week. How ugly can it get!!!

This is a Christian company owned by a man who preaches to his Reps and he does not bat an eye when it comes to suing another for his own gain. What a shameful act for a Christian to engage in. So let him sue all his former Reps. What's he got to gain!!! He has no leg to stand on. So speak up! It's your God-given and American right to do so!!!!

Proverbs 19:5 says, "A false witness will not go unpunished, nor will a liar escape."

Proverbs 19:1 says, "It is better to be poor and honest than to be a fool and dishonest."

Out of love for everyone involved; this battle must show victory now!!!! **SEIZE THE MOMENT!!!!!!!!!!!!**

Re: Advantage Conferences BS (Merged)

Texas law states:

Quote:

Creditor Scrutiny

One of the first events in a bankruptcy is the creditors meeting. At this meeting, the creditors and a court-appointed trustee are allowed to examine all of the debtor's financial records, such as bank statements and loan documents, and ask questions about how money has been spent. For anyone with anything to hide, such as gambling debts with a bookie, a bankruptcy proceeding can be incriminating.

Fraudulent Conveyances

The Uniform Fraudulent Transfer Act is designed to remove any temptation a debtor may have to hide property before declaring bankruptcy--by giving it to a relative, for example. Any transfer of the debtor's assets made within 90 days of filing bankruptcy, or within one year if a relative or business associate is involved, is carefully scrutinized by the bankruptcy court. If the court determines that the debtor attempted to defraud creditors by selling property at a below-market price, the court can order the property or other assets be given over to the trustee. Anything that was sold at a reasonable market value before a bankruptcy filing, however, cannot be recovered by the court under the rules of the Uniform Fraudulent Transfer Act.

Preferences

A preference occurs when a debtor treats one creditor more favorably than another. For instance, suppose a debtor with only \$100 owes creditors A and B \$100 each. If the debtor pays the \$100 to A, leaving nothing for B, A has received a preference and B has been harmed by the preference. Bankruptcy condemns preferences if the following conditions exist:

The transfer is for the benefit of a creditor

The transfer is made for a debt owed prior to the initiation of bankruptcy

The debtor is insolvent at the time of the transfer

The transfer is made within 90 days before filing bankruptcy or within one year before filing if it is made to an insider such as a relative or director of a corporate debtor

Creditors receiving preferences can be forced to return them to the debtor's estate.

Raphy,

Your post was so beautifully written. Thank you for sharing!

Modern Day "Indiana Jones" Featured at Conference WEBWIRE – Wednesday, October 31, 2007

Contact Information Rick Reece

AC Representative

Advantage Conferences

1-877-853-4795

rlr@advantageconferences.com Dallas, Texas, USA, October 31, 2007 - Advantage

Conferences is preparing to host its 6th Mindset Mentoring Conference (MMC) November 9 & 10 in Dallas, Texas at the Doubletree Hotel Market Center. Specifically designed for Christian entrepreneurs and utilizing the "marketplace ministry" model, Advantage Conferences' Mindset Mentoring Conferences are unique. Not a run-of-the-mill rehash of business plans and strategies, or typical "rah-rah" motivational sessions, the MMC information occurs in a low-keyed, fireside chat format. Attendees are not up-sold into more expensive products, coaching contracts, etc, as with other conference models.

Instead, MMC participants experience the privilege of group and one on one interactions with successful Christian entrepreneurs. Each mentor brings to the conference a wealth of experience and knowledge backed by their financial success as well. This fall's Mindset Mentoring Conference has a line-up of Christian individuals whose names may not be recognized in many business circles, but whose impacts have been felt in their communities and beyond.

Tim Darnell, founder of Advantage Conferences, had this to say about the conference speakers on the agenda for this MMC. "The Fall Mindset Mentoring Conference - November 9-10 in Dallas, Texas features six fascinating Christian success stories - individuals who have powerful content by virtue of their experience and contributions to society. I consider myself truly honored to introduce all six individuals to our attendees"

In addition, Mr. Darnell offered this brief preview of one of the speakers. "For example, we are excited to host a gentleman who has traveled the world searching for Biblical artifacts - a real life Indiana Jones explorer who, unlike the fictional movie character, truly has searched for the 'ark'. He's been featured on many television newscasts due to his extensive discoveries as a world traveler and investigator. He's one of the leading authorities on the location of Noah's Ark, The Ark of the Covenant, Mount Sinai, and the anchors from the boat that shipwrecked the Apostle Paul, just to name a few.

This modern day Indiana Jones is Bob Cornuke, a lecturer that even the greatest of skeptics find to be a truly fascinating man. Attendees will be fully engaged and intrigued as he discusses his journeys in vivid, exciting detail. His presentations shed a new light and perspective on Biblical literature. He will discuss the business aspect of his ministry in detail as well, and explain how

he has funded, operated, and guided his ministry over never-ceasing obstacles. Bob continues to pave the way as an investigative researcher revealing new insights into Scripture from a different perspective.”

Advantage Conferences provides faith-based, ongoing training for entrepreneurs and those considering owning their own business. In its fifth year of operation, this training is designed to supplement standard business school curriculum with a more personalized, less-formulaic approach to business that, according to Mr. Darnell, is "Christ-centered" The intangibles of belief, character and fortitude, among many others, that long-term business success requires are deemed to be as important subject matters, if not more so, than business models and "how-to's".

Case studies of embezzlement, fraud, and bad partnerships - the negatives of business are openly analyzed as well in order for participants to recognize and avoid destructive elements that could occur as they build their business.

<http://www.talkshoe.com/talkshoe/web...d=25533&cmd=tc>

Tim claims in this audio (at the 30 minute mark) that there was collusion and embezzlement to the tune of \$400,000 on the part of his partners over a 2 and 1/2 year period. All-Star incorporated in September 2001 in Arizona and dissolved there in May 2002. Several days later All-Star appears as a corporation in Texas in May 2002. Tim resigned as President and CEO of the company he says he founded in June 2003, but remained a registered agent and 33% owner. So, there was no 2 and 1/2 year period for this embezzlement to take place. Timmy boy happily incorporated with these ladies in Texas in May 2002.

In March 2003 Elizabeth Knudson the other 33% owner left giving or selling her shares to Claudia Cawley, so she wasn't there long enough to have been involved in that 2 and 1/2 years "collusion and embezzlement." Poor little Timmy whines that he was outvoted, but as Tim's home address was the address of the business until he resigned as president in June 2003 and presumably the money was in his hands. Glenn Green was the president after him for a whopping 4 months until October 2003, but was not a shareholder at any time. Green asked for a financial statement in June 2003 when he started his 4 month run as president. If he had already embezzled the \$400,000 as Tim describes in the audio below and had access to the accounts and money he wouldn't have needed the financial statement.

<http://www.youtube.com/watch?v=vuX59K4xM2E>

Tim makes a claim in the amount of \$7686.62 for advances in the bankruptcy filing, which is disputed. He doesn't care that almost 100 reps suffered catastrophic losses---many of them out \$12,295.00. Claudia Cawley makes a claim for \$101,247.46 which is not disputed. That says it all. Tim never makes any claim relating to the fictional \$400,000 grand embezzlement. Tim can't keep his lies straight. Did the ladies embezzle the money over a 2 and 1/2 year period or did the infamous Glenn Green come in as President and CEO after Timmy left and claims he was not involved at all and steal the 400 grand while Claudia Cawley cheered him on and herself didn't

bother to mention it? Tim is desperately trying to justify why he left after pocketing much of that 1.3 million that disappeared and started his new scam Advantage Conferences. He has to justify complaining about the Better Business Bureau linking the records of the Titanic All-Star he also founded and was president and CEO of as is the case with Advantage Conferences. He doesn't want folks to know he pocketed money and ran. Tim just never dreamed that all the documents that would impeach him would end up on the world wide web.

Glenn Green has a colorful past and tim claims the background check came out clean. He should just ask Craig Malisow to check people out. Criag Malisow's superb article is linked so please enjoy it again.

Here is what one pastor wrote:

"The problem with many Christians today is that they are not "Biblical" thinkers... but merely "saved" humanists! (They follow the world's principles more than Biblical principles).

The Gospel is NOT for Sale!

The Conducts of a True Christian: When Tim Darnell treats one REP more favorably than another. For instance, suppose Tim has Rep A that requested a refund and Rep B requested a refund.

Tim gives Rep A a refund because of a medical problem.

Tim does NOT give Rep B a refund because he could not attend the Conference because a different problem/burden .
That is called "discimination" Tim Darnell gives refunds only to people that make them sign a paper stating that they will NOT reveal that they received a Refund or state the amt.
That alone is NOT a Christian way to do things.
The Refund should be given to any Rep that asks for it if there is a disagreement between the AC and the REP or dissatisfaction.
How many \$10000.00 was given to Tim on a "Silver Platter"? without lifting a finger?
That is wrong!!!!

I personally know former AC reps who are embarrassed by the losses they experienced in the program.

As I am writing this in the background someone is singing: London Bridge is falling down.
falling down , falling down. London Bridge is falling down. falling down , falling down my fair " ???"

If you have not been told this, you should seek immedaite legal counsel for your upcoming legal challenges that will be be quite costly for you to defend and when you lose.

I actually think that this will be Darnells first legal victory and because of the overwhelming evidence against you (your posts) it will be a iron clad.

The majority of your posts have been libelous in nature and only recently have you started quoting from legal documents and even when you did you added statements that were clearly liable.

You have not simply posted legal documents here but have added your own liblous comments with it.

But do not take my word for it.. talk to your attorney right away.

Your have bragged about being a Milionaire here on this board so finding legal counsel should not be a problem... this will cost you BIG bucks to defend.

I think that Darnell will argue that being a bad businessman does not make him a con man and regardless of former reps who think his business is now a scam they are no different than a millions of other people who start business's and fail and then blame the company.
