Jack also made an announcement at the group site that all photos and archived files were purged. No wonder there, these guys are running scared, I'm sure there will be some of this that has been saved by reps before the purge. These guys are bafoons.

I completely Agree Bigfranky Wishyouknew and soapboxmom have been a major reason why the A.C. scam is now beginning to Crumble.....i would also like to thank Craig M for his invaliable article in the Houston Chronicle....because of his article many people will know to be wary of A.C.

I was truthfully in Vemma in the summer of 2005. After Failing and told by my upline that it was my fault (when i was working my hiny off doing Cold Calls Etc) because i wasnt working th "business" properly...i decided to do a little research. My research showed that i was not alone....95%-99% of MLMERS fail. i also found that many MLMS are not honest. (i also In December 2005 joined Scam.com to tell my story about the Vemma thread). Vemma is also not an honest Company here is the following transcript:

Quote:

I am a very honest person and i would want to show these earning tables to my potential recruits,

my response from vemma was:

Thank you for submitting your inquiry. We are unable to send you the company's earnings however we can tell you that we pay out 50% of our earnings back to our members for commissions. We do not guarantee success in the Vemma business but we do have many members that come on top with great results. If you have any questions regarding the business or product and also how our compensation plan works please get with your VemmaBuilder coach.

If you have any questions or concerns please let us know.

Memberservices@vemmma.com

i then responded to them with:

thank you for your response. I guess i will move to a different MLM. The fact that your company won't provide an honest earnings disclosure of its members tells me that the earnings must be very pitiful. I am looking for an honest MLM company that is not afraid to hide the truth from its members. I want to be able to show my potential recruits what the average member is making in the company so that the potential recruit i bring in can make an ethical and informed decision on whether they want to join or not. If you know of an honest company that provides an annual earnings table to its members please let me know!! thank you

P.S. There have been members on a forum called Scam.com who have asked about whether VEMMA is a legit company which is why i e-mailed you and asked for an earnings table. I wanted to be able to show them what the average rep was making in VEMMA so they can make an informed decision on whether they want to join or not. I am assuming since your company has refused to provide an honest earnings disclosure i will have to report to them that VEMMA is not an honest and Ethical company because they have refused to provide an honest earnings disclosure to its potential members

Its great having you back on the forum Bigfranky!!!

Thank you Spanky and Big Franky for your kind words.

Yes, like I have said, I feel obligated to keep this up and warn others about the evils of Tim Darnell and Jack W.

I found another website produced by our friend Jack W. <http://www.MyAdvantageTraining.com>

Gosh, there is too much garbage to digest on Jacks site to handle in one night..

Now I don't see him say that each one is THE answer to all your prayers, but let's face it, the inference is definitely there wouldn't you say. Bravo JW, you've taken the 'plug and play' network marketing concept to the next level.

Then there are these two for your edification:

We, therefore, are now in the process of litigating against the north Texas chapter (an independent for-profit franchise) on several counts.....

Our case is iron-clad and we are well represented.....

More importantly, God is absolutely in control, and we will prevail (as plaintiffs).....we were left with no other choice than to seek enforcement of our requests via the courtroom.....

We have excellent legal representation and have been excited and committed to continually meeting any and all opposition head-on.

Re: Advantage Conferences BS (Merged)

Attorney General Abbott Shuts Down Pyramid Scheme That Marketed Bogus Fuel Pill
BioPerformance ordered to return more than \$7 million to victims of pyramid scheme

AUSTIN - Texas Attorney General Greg Abbott today stopped a Dallas-based pyramid scheme from illegally marketing the so-called "top secret gas pill" that it falsely claimed would increase fuel efficiency in automobiles. The Attorney General's settlement with BioPerformance and its owners, Lowell Mims and Gustavo Romero, prevents the defendants from continuing to deceptively market their products and ends the State's eight-month legal action against the company.

A combination of the defendants' frozen assets and the dissolution of two trusts created by Mims and Romero will provide more than \$7 million in compensation to deceived consumers. Mims and Romero may continue to operate any legitimate enterprise, but may not deceptively market BioPerformance pills or similar fuel additive products.

"Swift legal action stopped this cynical, brazen scheme to defraud consumers," said Attorney

General Abbott. "With gasoline prices hitting record highs, these defendants aggressively marketed their worthless product as a wonder-cure. Sadly, these do-nothing pills were merely the tools of an elaborate pyramid scheme that enriched the sellers while buyers were left with empty hands and empty wallets."

Attorney General Abbott added: "Texans will not tolerate con artists who prey upon unsuspecting consumers. Though we will continue aggressively cracking down on fraudulent pyramid schemes that profiteer from worthless products, consumers should always be dubious when offered 'miracle' products that are long on hype but short on credible proof."

Last May, the Attorney General filed a lawsuit against BioPerformance that accused the company of violating the Texas Deceptive Trade Practices Act. According to court filings, BioPerformance repeatedly and falsely claimed that its fuel pills could improve vehicular fuel efficiency by as much as 30 percent while also reducing engine emissions by 50 percent. BioPerformance also sold its fuel additive in powder form.

The Attorney General further alleged that the worthless product, combined with the defendants' downline marketing scheme, constitutes a product-based pyramid scheme, which violates the Texas Pyramid Promotional Scheme statute. By the defendants' own admission, they recruited 50,000 participants within six months of their scheme's inception.

Just months after BioPerformance's creation in 2005, the Office of the Attorney General received reports that Mims and Romero were making false claims about their product.

Appearing before standing-room-only crowds at seminars they organized across the country, Mims and Romero touted their products' capacity to significantly increase fuel efficiency and reduce vehicle emissions. At the seminars, the defendants' true purpose was to recruit product resellers who were charged several hundred dollars to join the scheme. Those newly minted resellers were subsequently instructed to recruit additional resellers and thus create a "downline" from which they could derive commissions.

BioPerformance's extensive Web site made similar unsubstantiated claims about product's capabilities, often referring to it as a "top secret formula" that was only available through company resellers. The site also reiterated defendants' sales pitches, promising potential resellers that selling the pills and recruiting others to do the same would reap them substantial fortunes.

To aid its investigation, the Office of the Attorney General retained respected scientific experts whose chemical analysis not only revealed that the defendants' pills did not significantly reduce fuel consumption, but also exposed naphthalene, a substance also used in moth balls, as their main ingredient. Although the defendants claimed that the pills were "non-toxic," "good for the environment," and "extremely safe...in all aspects of use," naphthalene is a toxin.

The State also determined that BioPerformance resellers credited with recruiting additional downline sellers were paid substantially higher commissions than were those who actually sold the company's products. Such a marketing and recruitment scheme is often indicative of a pyramid scheme.

Further evidence of a pyramid scheme was provided by Romero, the company's Vice President and Co-Founder, who admitted to selling BioPerformance for as much as \$50 a bottle, despite its comparatively low \$4 manufacturing cost. The defendants' dramatic markup on their worthless product, coupled with their downline marketing strategy, indicate they were organizing an elaborate, illegal, and unsustainable pyramid scheme.

At the end of the Videotaped Press Conference AG Greg Abbot says hopefully this sends a CLEAR message to those who LIE and CHEAT texas consumers. IF you do so there will be a HIGH price to be paid!

Is Tim Darnell and Advantage Conferences next?

wish you knew (what a great name for you too), I have seen your version of a debate attack. Yes, if you do any homework, you will see the quality or lack thereof of that Houston paper and that article. I am not here to debate or convince anyone on this thread. I witnessed dozens of emails going to that reporter answering questions and his inquiries, and he had his agenda on day 1. He attended one session of one conference and made his fair judgement. Also laughable. Not very well hidden either since he posted on scam.com to try and discover the "truth." That is downright laughable. The author, who does not even deserve to be named here uses the "f" word in his anti-networking, anti-Christian article. Hopefully the classifieds in their paper have more facts than their stories. He is entitled to his opinion as well as all of you are, however misguided it is.

Curious, I have read your posts as well and you are not looking for a fair debate. A debate with people who already have their minds made up serves no purpose. Everyone keeps focused on one conference and they truly do not understand the extent of the products or ongoing mentoring provided. There are a lot of scams in the marketplace, and this is not one of them. Good luck to you both.

Shinninglight,

Of course your not here to debate or convince us...??? You would lose! You have zero facts to back up any statements you make.

Craig Maislow, also interviewed Tim Darnell himself, the Attorneys for the BBB, Mary Lou Starnater, Brett Flagg, (the Dallas attorney who represented Darnell's disgruntled client) and the Attorney General.

It is 100% fact that Tim Darnell, tried to claim that he was not a US citizen!

Mr. Maislow evidence to back up ALL of his statements.

How can you at all discredit this article as being false?? THIS IS LAUGHABLE!

Shinninglight,

If this is not a scam, how come so many people have filed complaints with the BBB and AG?

How come many in Tim's own Church won't speak to him..

How Come Tim Darnell has MANY enemies of people he has lied to and taken advantage of?

Tim Darnell has a LONG history of scamming people and this article just brought it all to light!

Re: Advantage Conferences BS (Merged)

Curious and those who keep attacking AC on the value proposition offered, you continue to not recognize and understand the breadth of product offerings, but that does not surprise anyone. I doubt there is a an entrepreneur in the bunch. This is ongoing mentoring, not a one conference, one event product. Many keep referencing the MMC-IV as simply a conference and the president's package is listed below. The bias here and the name of this site and who posts on it tell the story for any discerning individual. There is no sense debating people who already have their minds made up.

I understand that few here understand, nor will recognize the value of this product offering an ongoing mentoring and you can have that opinion. To call it is scam and to level personal attacks on everyone who disagrees with you including hundreds who love the mentoring in their lives is simply ignorant and irresponsible. We won't even get into the legality of such claims on this board.

Shininglight,

There is no need to cut and past things from the website. We have already read them. We have already reviewed the stupid Testimonials.

Testimonials are a joke of a way to market trust. Of course these fools will say something positive. They are trying to get their \$10,000 back!

This does seem like Jack W. Like last time you pick and choose who you respond to in your post.

Is Scam.com costing you money?? Not able to make the lease payments on your Hummer?

Obviously others believe what we say.. They have logged on and Thanked us for preventing them from wasting their money. They have vowed that WE were sent by god. What about the testimonials we have from those who have logged on scam.com??

Also, you can get Christian Mentoring for FREE at many local churches.. Again, no need to pay \$10,000 for it! And the mentors at church actually have a Theological Degree, unlike Tim Darnell and many of the others...

Can people make mistakes in their past? Of course, but I have witnessed nothing but incredible christ-centered leadership from Tim Darnell and those involved at AC. I am sorry we have a difference of opinion there. Too bad you were not on a the 2 hours of recorded testimonials this past week. These were for no one to see, not for marketing, but just to share from people's hearts what the ongoing mentoring has meant in people's lives.

If you are getting ongoing entrepreneurial mentoring at your local church Monday through Saturday, praise the Lord. I have yet to see a church focus on the marketplace in this fashion, but you may be blessed there.

So sad that you and others here do not get that. Truth and light always win and the battle is not fought on this board, that is for sure. Do you really think that a person would dedicate his life to a prison ministry, spending hours getting the Messenger out every week to 8,000 or so, sending Bibles to Muslims and others who accept Christ through the site, and then give away most of the commissions to the field, is in this to make a quick buck. Please. Think about it. This business could make several times more, not taking a bold stance for Christ. I saw your post about not even reading the Messenger from yesterday. I pray that the Holy Spirit convicts you to not only

read it, but to learn from it. It direct applies to many of the folks on this forum.

So the testimonials from dozens of people involved in the business are "stupid" but the posts on this site from folk hiding behind a screen name are intelligent and the truth. Good luck to you on that.

If folks think they can just hide behind a screen name with no accountability, you are mistaken. We can look at Jack and AC's ACtestimonials.com site logs to track every incoming clicked upon link and tie it with the time just before and after a post. Yes, IPs can be looked up and you can do a search on IP lookup if you care to.

If you would like those IPs privately to see if I am bluffing, please private message me. This is no threat, it is just facts. Oooh. Is big bad wacko jacko and timmy boy going to sue us for exposing their lies? Maybe they'll get lucky and get Judge Murphy again!! Which brings up an interesting point, SL, you haven't once brought up the very public outcome of the "iron-clad" BBB lawsuit. Now remind us all again how that turned out... Oh, that's right AC LOST and has now been ordered to pay all the court and legal fees. Why didn't "truth and light" win out on that one. Oh wait, IT DID!!! Or did Judge Murphy have an agenda from Day #1 just like Craig from the Houston Press?

Hmm... It seems like SBD used to always say things like "I'll be praying for you on that" and "good luck to you on that" - very similar writing style to Shining Light. Kind of hypocritical don't ya think blasting the rest of us for "hiding behind our screen names". At least we're not changing ours to try to pretend to be someone else after you were outed on your last screen name. Good luck to you on that and I'll be praying for you on that also.

Re: Advantage Conferences BS (Merged)

TX Fan, the BBB was the defendant on that case and as you all should know, the defendant is innocent until proven otherwise. I guess the case was not proveable there, even though many believe the BBB was mistaken. A win or loss in that case is such a non-issue. One can look through the posts on this thread and see where folks have crossed the legal line. If people think there is no accountability they are mistaken. We have tons of us who do not hide behind screen names at <http://actestimonials.com> and publicly elsewhere on our own sites and blogs. I will gladly share my information if all the bashers do here publicly.

Re: Advantage Conferences BS (Merged)

Oh, and TX fan, I do pray for those who persecute others. I also walk by faith. So good and true:

I know personally that they experienced all kind of ridicule, because I get it every day. Proclaim your faith in Jesus in a public forum and see what happens! Hardly a day passes that I'm not accosted in print (newspaper, e-mails, blogs, etc.) by someone proclaiming how bad a person I am or how stupid I am for doing what I do, especially proclaiming the name of Jesus in the marketplace.

Articles come out daily that contain slander, accusation, and some of the most preposterous lies I could ever imagine. But I'm not complaining. I am in no way guided by the roaring lions of the accuser / the enemy (see Hebrews 11:33-38). Why? Simply because I'm guided "BY FAITH". I'm not guided by circumstances or what other people think about me. And I'm certainly not guided by fear – no, faith is the compass, and 100% trust is the fuel that carries us through another day in full expectation of VICTORY!

Re: Advantage Conferences BS (Merged)

I am just stunned!! I read the last post from SL and nearly fell off my chair. SL, I invited you back on pal, to have a serious discussion. I'll not speak for others on here but, yes I have injected humor into my posts and yes they have often been at Darnell's expense. But nothing I have said is actionable my friend. In fact as others on this thread will tell you, while I hate MLMs I have tried to maintain a sense of discipline and fairness in my posts while lapsing into humor once in a while.

While we are at it. Yes there is anonymity on this site. But it applies both ways. Shining Light YOU are hiding behind your own screen name. Duhh!! So don't go making ridiculous whiny comments about IP addresses and show some character and come on here and we'll chat.

I will refrain from any snide remarks at Darnell's expense if you get the rod out of your you know where and enter into a serious discourse on the merits of Advantage Conference and it's business model.

Once again, SL:

WHAT SAY YOU?

If a win or loss in that case was such a "non-issue" then why did ac sue to begin with. Sounds like sour grapes to me.

Sorry,

Shininglight, I use a Internet Provider that changes IP address every day to protect the identity of their users. So good luck on that one!

I would love to see someone from Advantage Conferences attempt to sue anyone ever again! It would turn out just like the BBB lawsuit did. Another Lose!

I would have so much evidence to show the court. I have Tim Darnells, lies documented in e-mails.

Is Tim Darnell a citizen of this country or not? When he is getting sued he is not, when he wants to sue someone else, he is..

Judge Murphy had to think Tim Darnell is the biggest clown ever!

Has he paid the legal fees of the BBB? I bet he has not!

Txfan,

They have nothing to lose anymore. Their backs are up against the wall.

Shininglight, PMed me and cut and pasted a bunch of IP address he claims clicked on their links.. This has to be Jack W. as he is the only person that would have access or the knowledge to do that sort of thing.

His scare tactics won't work with me.

Many of us, with the help of scam.com have been able to communicate with other victims of Advantage Conferences and we have talked in great length about a class action lawsuit against Tim Darnell. We were going to wait until after the BBB lawsuit was over. We have not talked much about it since..

Maybe we should.....

Re: Advantage Conferences BS (Merged)

TruthvFiction got the earlier thread on AC shut down from what I hear. The attack dog attitude in SL posts is more reminiscent of his posts from that earlier thread (some of which I've received from folks on this site who'd kept them for posterity I assume, LOL!) In comparing them, SBD/JW was more preachy while TvF/TD and now SL seems to be more personal and in Darnell's case in keeping with his personality, alot more knee-jerk and in-your-face than the more subdued JW.

CourisinDallas,

you may have a point.. Shininglight does sound more like TD. Tim has a degree in group psychology and pulls out his tactics when needed to attempt to get what he wants. So the psychology he is attempting to use on us to threaten us and scare us is much like something Tim

would do.

I read much of Tim Darnells Deposition that was posted in links on quotloose.com.

It was so much repetition and jibberish that it was tirsome to read. The Attorneys had to have been beaten down buy his tatics. They diffinatly earned their money..

An interesting question to be sure. Jack W. was easy to smoke out because he loves to ramble on. He is the one with pages of postings all over the web. So, I had just naturally assumed that TruthVsFiction and SL were him as well. If one or both are Tim then that is even better. It just speaks to the absolute desperation they share to silence the truthtellers.

It is interesting to note, however, that SL sings the praises of Jack and his dead animal adorned wife with great fervor as did SBD. Whoever it is has a real problem as my dear friend wserra has access to the court documents and we have made their contents available to the public.

If folks think they can just hide behind a screen name with no accountability, you are mistaken.

We can look at Jack and AC's ACtestimonials.com site logs to track every incoming clicked upon link and tie it with the time just before and after a post. Yes, IPs can be looked up and you can do a search on IP lookup if you care to.

If you would like those IPs privately to see if I am bluffing, please private message me. This is no threat, it is just facts. If you are going to blast and attack folks simply because you do not agree with them or their products and you cross the line legally which many have here, there is accountability. Have a wonderful weekend.

This is no threat? This is exactly what this is. You are attempting to scare us into thinking that you are going to figure out who we are and sue us.

Do you actually think you have a shread of creditability in a court room?

Ask Tim Darnell if he think a "Win or a Loss is a non-issue", I doubt he does, infact I heard he was VERY upset and lost ALOT of money. Tim Darnell would not have spent hours and hours preparing a legal fight if he thought it was a "non-issue".

Tim, do you think God was trying to send you a message via the Judge? I do. Loud and clear.

I pray that you shut down AC and your Insurance sales and find a better way to earn a living.

Yes, this is Jack Weinzierl...part 1

Yes, this is Jack Weinzierl. Unlike all of the misguided bashers on this thread, I will use my own name, although you will not find me spending time in “Scared City” – the home of the few fear-filled inhabitants who dwell in scam.com. If they continue to post their blatantly ridiculous lies, I will continue to repost this message. The simple fact is that this particular blog site is home to a handful of cowards who hide behind their anonymous monikers, believing they can state anything and get away with it, regardless of who it hurts and regardless of the truth - an extremely sad commentary clearly exposing the absence of any redeeming positive or productive direction in their life.

The owners of scam.com love posters to get caught up in negativity - playing out their anger and hatred – each posting drives their Google AdSense revenues sky-high. The posters are unknowingly working for the foreign owned scam.com and the owners don’t even have to pay them. What a smart business model for scam.com!

It is sadly humorous that one of the negative posters on this forum has actually in the past two weeks tried to recruit me into two of his network marketing businesses, and when I mentioned I wouldn’t be looking at another opportunity due to my commitment to AC, his response was vile, putrid, filth-filled language.

I will not stoop to a debate at this blog which provides a piling-on of people who attack the network marketing industry, marketplace ministry, Advantage Conferences, Tim Darnell and me personally. The choice between the AC environment and the scam.com environment is truly night and day, darkness and light.

I have learned from first-hand experience that with success comes persecution from those who are not successful - we could write a book on that alone. I encourage those who want to know my heart, purpose and passion, please visit and subscribe to my Blog at <http://www.jackweinzierl.com>.

First of all, I am an independent representative of Advantage Conferences and have been for almost 2 years now. I will be building this business for the next 10+ years, as I could not believe more strongly in the power of AC’s ongoing mentoring products and this opportunity. I was the president of two prior companies, including a defibrillator company and I have my MBA from Golden Gate University. There are many other things I could be doing in corporate America. But any other pursuit would not come close to matching what is available at AC. I am purpose-driven

and passionate about this powerful and special venue and company.

Do I expect those on scam.com to understand this? Of course not. Do some Internet searches about their lives and find out the real truth – unsuccessful people who have nothing better to do with their lives than to attack someone else. We know who they are, and rather than try to improve, contribute and encourage others, their lives are about “put-downs” and negative assertions.

That is not at all the subject of the culture and content found at Advantage Conferences. No way. It is just the opposite, and I have never been more excited about what we are doing as I am right now, today. Not only do we not participate in their destructive focus, I am also glad that we do not focus on the luxury boats, cars, homes or travel on our sites. There is nothing wrong with any of those items and we have been blessed, but we are blessing to be a blessing to others. We are not looking for those seeking a “get rich quick” situation, although someone can do very well with this business in relatively quick fashion if they choose to be positive, focused and consistent with their marketing.

If it has been a while since you have reviewed our value proposition, you really should review the enhanced Getting Started E-Package. This is ongoing Mentoring through several mediums: Conferences, Tele-Mentoring, Wealth of Knowledge DVDs, Millionaire Mindset CDs, Designed for Success Seminars, and other products. There has NEVER been a product purchase required to be an Advantage Conferences Representative and if you have listened to the call, we are very clear - if you are looking for a “get-rich quick business or if you do not value ongoing mentoring, DO NOT join us. We also never ask a candidate what, if any product they are purchasing. We are also the only company I know in this entire industry that requires an interview to be approved prior to enrollment. I have had many candidates that were not approved over the past two years.

No one on this posting board that apparently has nothing better to do than bash Advantage Conferences or me personally, will recognize the value proposition that we provide. Whether a person ever builds this business as an income source, that is their personal decision. Many are plugging into our conferences, CDs, DVDs, Tele-Mentoring calls, as well as the personal mentoring available Monday through Saturday. They also are able to go to ongoing conferences at 90% off and you can read from many that have attended multiple Millionaire Mindset Conferences at <http://www.advantage-conferences-tra...m/testimonials>.

To answer a few of your questions, or misguided posts.

1) I see that SBM is suddenly interested in my wife’s wardrobe. My wife has never owned a fur of any kind, not that I have a strong belief there either way. SBM is simply trying to throw every negative thing she can to accomplish some misguided agenda. I guess she is closer to Dr. Jon than we thought. Sure SBM, you are just very good friends.

2) The Hummer is owned, not leased. Once again – absurd negative posts just piling on. I am sure SBM has an issue with a Hummer too. Well, when you work from home, you don’t drive much, so no worries on the gas usage and environment, SBM.

3) Yes, I build another business and probably will have several others over the next 10 years. I

am an entrepreneur. With that said, I commit 95% of my time to my Advantage Conferences business and marketplace ministry.

4) I love and respect Tim Darnell. I have served in various leadership positions in traditional businesses, as well as network marketing, and I have nothing but the highest regard for Tim Darnell. Tim has been very transparent in his book, *Slay Your Giant* about some of his past challenges, and I am proud to consider him a friend, mentor and brother in Christ. He has made tremendous sacrifices and has a servant's heart.

5) For the one or two people on this board that have actually been involved with AC, I am sorry that you did not have a good experience. I have never seen a company that was right for everyone. The only way to lose in any business is to quit; and not everyone is ready to accept Mentoring. Pride often gets in the way and quite frankly, it is much easier to quit and blame others. Transfer the guilt of quitting and not making something work to someone other than yourself – happens everyday. There are scams out there, but much of scam.com is simply full of folks who play victim wanting to blame others for their own failures.

6) Our products begin under \$50 with SYG audio and The Millionaire Mindset Collection CD for \$130.00, and WOK at under \$500.00. The people on this posting board continue to focus on one conference and also fail to recognize that no product purchase is required.

7) If you believe the writer in Houston did a good job in his article, well, you have the right to think that. If you value a writer who uses profanity and tries as hard as he can to shade and denigrate everything he possibly can find about someone or a company, with no inclusion of the good that is going on, then you should let his ridiculous article guide your future. I encourage you to look at the source, just like you would at scam.com. Find out the caliber and style of reporting done by this source. It's all the same "tear down", destructive mindset that can and is directed at virtually any positive organization, especially if they are bold enough to proclaim the name of Jesus as Lord of their life. Any person with any degree of intelligence would see through either of these gutter venues immediately.

If you choose to proclaim your faith in Jesus in a public forum like your business, you'll see what happens. I can already hear Bigfranky and others on the attack. Well, six people accepted Christ on Friday of this week alone through the efforts of this marketplace ministry. That is occurring every week – but perhaps the posters don't value that either. If they did they wouldn't be involved in the libelous and slanderous talk that dominates their posts.

"Solomon states in Proverbs, "He who gets wisdom loves his own soul; he who cherishes understanding prospers." He also says, "Plans fail for lack of counsel, but with many advisers they succeed". Those two verses are powerful, yet only a small example of wisdom found in the Word of God – teaching that is more relevant today than ever. Advantage Conferences is a dynamic marketplace ministry that provides ongoing Christ-centered mentoring for entrepreneurs and business owners, as well as training for corporate employees."

I think it is sad that those who constantly attack based on their misguided opinions of our product offering and business model, obviously continue to ignore the reality experienced by hundreds

who are actually flourishing due to their participation in the conferences, ongoing mentoring and the business. These are people who are open to change and willing to change. Therein lies the fundamental difference in the poster/defilers – how arrogant to think that dynamic Christian Multi-Millionaires don't have profound lessons from which to be gained.

Yes, this is Jack Weinzierl--part 2

Do your homework and do not let a small handful of misguided individuals instill fear and hatred in you. There is no victory there. There can never be victory where there is nothing but constant suspicion, negativity, condemnation and false accusation.

It is often stated on the posts that these must all be "new" people when the average person here has been with Advantage Conferences for a year or longer. The following are examples of a few of the testimonials that were sent to me in the month of January, 2007 alone.

"I am so thankful that the Lord has brought me to Advantage Conferences. I am thankful for my friend, Fellow Christian and Mentor, Jack Weinzierl. His constant encouragement, kind words, leadership skills and faithfulness to the Lord are an example of a true servant of God. He always has the team's best interest at heart and demonstrates it by his sincere commitment and Christ like influence. God is blessing him and this entire company because of dedicated leaders like Jack who have a passion for service, a greater desire to bless the Kingdom of God and a constant reaching forth for all of the promises of God to them that believe in the Lord Jesus Christ."
Pastor Ron Acker, Advantage Conferences

"Jack, I just want to take this opportunity to thank you for your Christ-centered, truth-focused mentoring and encouragement you've given to me in my Advantage Conferences business. My life has been much improved thanks to your friendship, leadership, and passion for others. I'm grateful to know you and I really look forward to working with you in the years to come. Thanks for all you do for me, and many others. God bless!" Jordan Goode-Mulson, Advantage Conferences Representative

"Just a little over a year ago, the AC door opened to me in the middle of the night, and I connected to Jack Weinzierl. There are no accidents in the Lord! From my first call with Jack when he assured me that we were in a relationship-building business, to my initial jitters learning to market in a cyber dimension, to his creative mentoring, and depth of insight into helping me develop the best that God has placed in me in this season of my life, Jack has been ever present, ever patient, and ever compassionate. Now, because of Jack's mentoring, I am blessed to mentor others to change their lives to live more fully for the Lord and to grow wealthy and healthy from the inside out..offering hope and a way forward through our Christ-centered mentoring company."

“Jack and Stephanie have a true team in their marriage, and they have achieved their desire to work and minister together from their home, while homeschooling their children. Their home is a lighthouse--one of the houses that will change the world! Jack's leadership is empowering; he meets you where you are, no matter what you have been through, and he sees the "gold" in you. He adds his deep applied faith to yours, and you begin to flourish! I am so delighted to call Jack my mentor, my brother in the Lord, and my friend. I would not be expectant about my future in 2007+ were it not for the divine connection to Jack Weinzierl...a gift from God.” Leslie Garrard, Advantage Conferences Representative

“Jack Weinzierl's amazing leadership has lead to industry breakthroughs. Proud to be on his team.” Eric Standlee, Advantage Conferences Representative

“Jack Weinzierl is a highly qualified leader, trainer and coach. He completes large and small projects in very short timeframes. His professionalism, knowledge, team building, Internet skills and Christian Faith is being recognized and rewarded by the Founder and President of Advantage Conferences.” Ken Curry, Advantage Conferences Representative

"We personally know Jack Weinzierl to be a man who sincerely exudes integrity. Both Jack and Stephanie Weinzierl's focus and purpose have been consistently inspiring to our family. We have grown through our relationship and look forward to doing so for years to come." Mike Melvin, Advantage Conferences

"Jack Weinzierl is a man of many fine attributes. His professionalism, integrity, honesty, humility, faithfulness, and endless service to our mission at Advantage Conferences as well as, and even to a greater degree Our Lords' Great Commission is unparalleled. We are blessed to working / serving with Jack in our marketplace ministry, and are honored to be considered his friends. Jack, thank you for your inspirational leadership, mentoring, and your continual commitment to help improve the lives of all those around you." Sam and Gina Imburgia, Advantage Conferences Representatives

“Jack Weinzierl is one of the most dynamic people that I have ever had the pleasure to work with. He is is an amazing leader and marketer, and gives 110% to each and every project and person that he works with. Even under the most stressful situations, Jack has the ability to calmly create a positive outcome. I could not recommend a person more... as a friend or a colleague.” Barb Kardokus, Advantage Conferences Representative

“Advantage Conferences has many talented and selfless leaders. But each AC Representative owes a debt of gratitude to Jack Weinzierl for his unending efforts in behalf of all of us. He willingly shares his time, expertise, instruction, inspiration, and wisdom with each of us through his training website, training calls, mentoring calls, opportunity calls, 3 way calls, and emails. Jack Weinzierl truly exemplifies servant heart leadership. Thank you Jack.” Illa Bong, Advantage Conferences

"Jack, Thank you for your international support! Advantage Conferences is a truly Christ-centered organization and I am thankful daily for this opportunity in my life. Jack Weinzierl has such humility and is a profound and wise teacher, the inspiration he gives us all is incredible. May you continually be blessed, as you bless others." Catherine Mc Lean, Advantage

Conferences

“ I always considered myself definitely more in the "follower" category. However, because of Jack Weinzierl’s leadership, mentoring, training and by his example and encouragement, I now see that each of us is also destined to be a leader and to do great things. To my total astonishment, I am beginning to see myself as the leader God desires me to be. There are not words in the English language that sufficiently express my gratitude, so simply, thanks Jack.”
Linda Pender, Advantage Conferences Representative

“As we run our marathons of life & business; Jack Weinzierl provides that needed watering station through his tireless devotion.” Tony Brown, Advantage Conferences Representative

“I have been blessed to know and work with Jack Weinzierl over the past year. He embodies the spirit of servant leadership in everything he does. He has successfully used his formidable business skills to glorify God and further His Kingdom, and he is teaching me and so many others how to do the same. I look forward to many years of professional and personal friendship with Jack, as he is the kind of genuine and compassionate person with whom I choose to associate.” Scott Whited, Advantage Conferences Representative

“Jack Weinzierl has provided THE most motivational assistance that one could ask for when beginning at Advantage Conferences. He's prompt, spirit filled, always suggests the best options for all of my concerns in a kind professional way that would please God himself. How blessed I am to be on his team.” Hamilton Clay, Advantage Conferences Representative

"I know Jack Weinzierl to be a sensitive, caring, Christ-centered individual. His wisdom and influence has had a profound effect on my life and my business. He has been instrumental in helping me develop a close walk with the Lord. He is transparent and he leads by example. I thank God that Jack has become a part of my life." Terry Latimer, Advantage Conferences Representative

“Jack Weinzierl has been very supportive in a time of need. My mentor, Don Goldstein, is battling leukemia and Jack has been wonderfully helpful and shows that this company believes in and lives teamwork. We don't just say that we are Christ-centered, we put that into practice.”
Steve Horten, Advantage Conferences Representative

You can read specific testimonials on our Millionaire Mindset Conferences as well as our ongoing mentoring at <http://www.actestimonials.com>

So, I’m telling you blatantly who I am. The attacks are ridiculous and certainly satanic. The attacks reveal much more about the lives of the anonymous posters than they do mine or the others they feel compelled to direct their venom at.

How about this challenge – why don’t the hate-filled, cowardly posters reveal their true identities, phone numbers, pictures, addresses and testimonials about their life. They won’t – nobody would dare make such ridiculous comments exposing how low they really are. I say to them - come on out and reveal yourselves. The world is waiting. Perhaps you would like a

reporter to do a hatchet job on you to write an already pre-disposed slanderous letter for others to see when they pull up your name.

It takes no education whatsoever, although it does require a total lack of decency to come up with the filth that the handful of scam.com posters apparently thrive on. If you are looking for truth, goodness, encouragement, or anything righteous and Godly, you'll not find it there.

I encourage you to read Philippians 4:8 and follow that scripture as the best prescription for a productive life. That is the environment you'll find at AC and totally absent in the small, misdirected handful of posters at scam.com. Consider the source.

"For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future. Then you will call upon me and come and pray to me, and I will listen to you. You will seek me and find me when you seek me with all your heart." (Jeremiah 29:11-13)
