

products?

Shouldn't your conference (which I truly believe has value looking at the speakers you've had and their undoubted success) be a tool to marketing one's business and not product in and of itself?

What about the new product, hidden treasure? Isn't it a bit of a stretch selling life insurance to old folks and selling conferences through a network? Hardly your core competency wouldn't you say? Whats your experience in life insurance?

See I have a lot of questions. I believe that our 'chat' will be very enlightening for all concerned.

i must say that i find it humorous that you have the absolute audacity to call someone else arrogant. that is, quite simply put, laughable.... at best.

just curious....if you consider this your marketplace ministry.... why dont you offer these services to the general public for free? dont get me wrong, i believe in working hard and that we are all entitled to make a living, and a decent one at that, but if peoples lives can so profoundly be changed by the services that you offer, and that is what your goal is here (to change lives)...
WHY NOT OFFER THESE SERVICES FOR FREE? WHY CHARGE \$10,000 FOR THEM?

you see, in my estimation at least, if you were truly in this to bless others, you would hold these "conferences" with no cost for admission. think about that, you could seriously change thousands of lives.... but you choose to charge people to attend, thereby only allowing a "small number" of attendees, implying that only those that can afford to see these speakers deserve to be blessed by their (the speakers) knowledge and experiences.... do the speakers that attend these conferences know how the system works? are they aware that only the wealthy, can i dare say that the people that may very well need their advice the least, are the ones that are able to attend? it just sort of seems backwards to me....

it is sort of like sending a missionary to Africa to assist the poor souls that are effected by the Darfur genocide.... bringing them to a refuge camp, giving them food, water, and shelter, then asking them to pay for it. or how about when "evangelists" come to a church as a guest speaker, arent they (for lack of a better term) "preaching to the choir?" i am not trying to oversimplify my position, but i think that is where i am coming from.

you see, Jack. in all of your posts under all of the different identities that you have used in the past. i honestly do not see how you have explained the value that the AC business brings to its customers to warrant the price paid for the "flagship" product. i am not asking for the marketing brochure fluff that you usually post. you constantly call people on here liars, but you dont combat their assertions with cold hard facts.

and dont get me wrong, i think that it is important to bring ministry to the marketplace (and on a personal level, i can particularly relate to bringing the gospel to the business community, as i "worked" that niche for many years). being a professing and believing Christian, i feel as if it is my duty to do so. HOWEVER, charging someone to be blessed seems unethical to me, it could be argued that it is un-Christian.

i look forward to your response.

Re: Advantage Conferences BS (Merged)

Jack,

I just got back from Church and read that you are calling us on here satanic..?? Truth, be told, I feel led by God to warn others about the dangers of Advantage Conferences.

Since you are wanting everyone to come clean about who we are. Please admit that you were once using the screenname SoapBoxDad.

I won't respond by calling you names and such like you have us..Thats not Christian. It's also not Christian to try and seek revenge and make threats.

I have a few questions for you since you are the Real Jack Weinzierl.

As you can read from my previous post on scam.com is that I was lied to MANY times by Tim Darnell all in an effort to get my to sign that check.

Tim told me that he was a member in good standing with the BBB.---**This was untrue!**
He told me he would refund my money if I had any problems. No questions asked. --**This was untrue!**

He told me all the products were federally trademarked.--**This was untrue.**

Jack, are you telling me that I was NOT lied to?

In your post you make it out to be that WE at scam.com are in the minority here. When in fact, The BBB, The Judge, and The Houston Press also feel the same way we do.

Have you and Tim Darnell been Honest with your reps in regards to the loss of the lawsuit and the details of it?

Could you please post the TRUE earnings statements of the reps so we can learn their success rate?

Why did Tim Darnell make so many changes to his website to cover up all of his deception?

Why did Tim Darnell try to renounce his citizenship in the US?

Why has some of Tim Darnells past business ventures been the subject of Government Action againts them?

Are you telling us that everything in the Houston Press Article is false?

Jack hopefully you will answer my questions with honesty.

Jack, the fact of the matter is, there as been MANY in depth investigations done on Advantage Conferences, by the BBB, Lawyers, Craig Malisow and many others. none of them have revealed anything positive about Advantage Conferences.

Are trying to tell us that the BBB, the Lawyers, the Judge, Craig Malisow and us here at scam.com are all wrong and you, Tim and Advantage Conferences have been mistreated and slandered?

I pray that you will see "the light" of truth and stop your efforts with Advantage Conferences.

I know scam.com has cost you and Tim thousands of dollars as many people have come on here to share their testimonies of how they were almost scamed by you and they prayed for God to help them make the right decision and then they found scam.com.

That confirms that God is showing people the light and helping people to find us here on scam.com.

Jack,

Our friend Wserria from Quatloos.com was able to provide us of copies of the affidavites from the law suit and some info from the law suit that Tim Darnell decided he was not a US Citizen

Quote:

I, Timothy Spencer., Darnell, a man, with life, a living soul, in propia persona, a sovereign, one of “We the People”, a settler into the Texas Constitution of the authority for government, specifically not a resident, and specifically not a UNITED STATES CITIZEN ... whose Christian appellation and mailing location, said location for mail matter is specifically not a resident address

That this Notice Affidavit ... is being submitted by Affiant to Respondents involuntarily and by necessity (based upon the false presumption by the corporate government that there are no longer any People having Rights protected by law)

That Affiant asserts that Respondents do not need an executive branch of government occupational license for the operation of a corporation court such as is the County Court of Law #3, an underling corporate fiction of the STATE OF TEXAS, a corporation and a fiction ... and Affiant further asserts that acting in concert without authority Respondents willingly and knowingly converted the appellation of Affiant into a corporate legal fiction (a libel) without the express consent of Affiant.

Timmy is only a US citizen and subject to the authority of our courts when he is in a snit because Dr. Jon Taylor and the BBB are exposing the truth about his scam. He was just to mentally deficient to comprehend he had no chance at all of bamboozling the judge with his mindless, endless babble. Re: Advantage Conferences BS (Merged)

Curious, I am not here to debate you or anyone for that matter. I surely am not going to go through the bevy of questions that have little or nothing to do with our business. I see you do make an attempt to be civil even though you attacked my name on the other forum. Sorry that my name gives you the willies :) If anyone went through the GSEP and then the order form for Advantage Conferences, they would see our various products.

I will not engage in any conversation with SBM, Big Franky and the others who have attacked those who I care deeply about. They may not be ignorant, but their actions are reprehensible.

A large number of our attendees are leveraging what they learn in their already existing businesses and practices. I would have paid \$50,000+ for what I have received to date from the 4

conferences I have attended and the ongoing mentoring.

As for Hidden Treasures, there is nothing illegal or immoral about that product and the secondary life market is huge. Some major names are involved there and the fact is, seniors have a large asset that they never typically take advantage of.. their insurability. I am licensed in life, but I simply have no time to pursue that aspect of our business.

The fact that SBM continues the personal attacks speaks volumes. We have prayed for her and learn more at <http://jackweinzierl.com>.

Unlike all of the misguided bashers on this thread, I will use my own name, although you will not find me spending time in "Scared City" – the home of the few fear-filled inhabitants who dwell in scam.com. If they continue to post their blatantly ridiculous lies, I will continue to repost this message. The simple fact is that this particular blog site is home to a handful of cowards who hide behind their anonymous monikers, believing they can state anything and get away with it, regardless of who it hurts and regardless of the truth - an extremely sad commentary clearly exposing the absence of any redeeming positive or productive direction in their life.

The owners of scam.com love posters to get caught up in negativity - playing out their anger and hatred – each posting drives their Google Adsense revenues sky-high. The posters are unknowingly working for the foreign owned scam.com and the owners don't even have to pay them. What a smart business model for scam.com!

It is sadly humorous that one of the negative posters on this forum has actually in the past two weeks tried to recruit me into two of his network marketing businesses, and when I mentioned I wouldn't be looking at another opportunity due to my commitment to AC, his response was vile, putrid, filth-filled language.

I will not stoop to a debate at this blog which provides a piling-on of people who attack the network marketing industry, marketplace ministry, Advantage Conferences, Tim Darnell and me personally. The choice between the AC environment and the scam.com environment is truly night and day, darkness and light.

I have learned from first-hand experience that with success comes persecution from those who are not successful - we could write a book on that alone. I encourage those who want to know my heart, purpose and passion, please visit and subscribe to my Blog at <http://www.jackweinzierl.com>.

First of all, I am an independent representative of Advantage Conferences and have been for almost 2 years now. I will be building this business for the next 10+ years, as I could not believe more strongly in the power of AC's ongoing mentoring products and this opportunity. I was the president of two prior companies, including a defibrillator company and I have my

MBA from Golden Gate University. There are many other things I could be doing in corporate America. But any other pursuit would not come close to matching what is available at AC. I am purpose-driven and passionate about this powerful and special venue and company.

Do I expect those on scam.com to understand this? Of course not. Do some Internet searches about their lives and find out the real truth – unsuccessful people who have nothing better to do with their lives than to attack someone else. We know who they are, and rather than try to improve, contribute and encourage others, their lives are about “put-downs” and negative assertions.

That is not at all the subject of the culture and content found at Advantage Conferences. No way. It is just the opposite, and I have never been more excited about what we are doing as I am right now, today. Not only do we not participate in their destructive focus, I am also glad that we do not focus on the luxury boats, cars, homes or travel on our sites. There is nothing wrong with any of those items and we have been blessed, but we are blessing to be a blessing to others. We are not looking for those seeking a “get rich quick” situation, although someone can do very well with this business in relatively quick fashion if they choose to be positive, focused and consistent with their marketing.

If it has been a while since you have reviewed our value proposition, you really should review the enhanced Getting Started E-Package. This is ongoing Mentoring through several mediums: Conferences, Tele-Mentoring, Wealth of Knowledge DVDs, Millionaire Mindset CDs, Designed for Success Seminars, and other products. There has NEVER been a product purchase required to be an Advantage Conferences Representative and if you have listened to the call, we are very clear - if you are looking for a “get-rich quick business or if you do not value ongoing mentoring, DO NOT join us. We also never ask a candidate what, if any product they are purchasing. We are also the only company I know in this entire industry that requires an interview to be approved prior to enrollment. I have had many candidates that were not approved over the past two years.

No one on this posting board that apparently has nothing better to do than bash Advantage Conferences or me personally, will recognize the value proposition that we provide. Whether a person ever builds this business as an income source, that is their personal decision. Many are plugging into our conferences, CDs, DVDs, Tele-Mentoring calls, as well as the personal mentoring available Monday through Saturday. They also are able to go to ongoing conferences at 90% off and you can read from many that have attended multiple Millionaire Mindset Conferences at <http://www.advantage-conferences-tra...m/testimonials>.

To answer a few of your questions, or misguided posts.

1) I see that SBM is suddenly interested in my wife's wardrobe. My wife has never owned a fur of any kind, not that I have a strong belief there either way. SBM is simply trying to throw every negative thing she can to accomplish some misguided agenda. I guess she is closer to Dr. Jon than we thought. Sure SBM, you are just very good friends.

2) The Hummer is owned, not leased. Once again – absurd negative posts just piling on. I am sure SBM has an issue with a Hummer too. Well, when you work from home, you don't drive

much, so no worries on the gas usage and environment, SBM.

3) Yes, I build another business and probably will have several others over the next 10 years. I am an entrepreneur. With that said, I commit 95% of my time to my Advantage Conferences business and marketplace ministry.

4) I love and respect Tim Darnell. I have served in various leadership positions in traditional businesses, as well as network marketing, and I have nothing but the highest regard for Tim Darnell. Tim has been very transparent in his book, Slay Your Giant about some of his past challenges, and I am proud to consider him a friend, mentor and brother in Christ. He has made tremendous sacrifices and has a servant's heart.

5) For the one or two people on this board that have actually been involved with AC, I am sorry that you did not have a good experience. I have never seen a company that was right for everyone. The only way to lose in any business is to quit; and not everyone is ready to accept Mentoring. Pride often gets in the way and quite frankly, it is much easier to quit and blame others. Transfer the guilt of quitting and not making something work to someone other than yourself – happens everyday. There are scams out there, but much of scam.com is simply full of folks who play victim wanting to blame others for their own failures.

6) Our products begin under \$50 with SYG audio and The Millionaire Mindset Collection CD for \$130.00, and WOK at under \$500.00. The people on this posting board continue to focus on one conference and also fail to recognize that no product purchase is required.

7) If you believe the writer in Houston did a good job in his article, well, you have the right to think that. If you value a writer who uses profanity and tries as hard as he can to shade and denigrate everything he possibly can find about someone or a company, with no inclusion of the good that is going on, then you should let his ridiculous article guide your future. I encourage you to look at the source, just like you would at scam.com. Find out the caliber and style of reporting done by this source. It's all the same "tear down", destructive mindset that can and is directed at virtually any positive organization, especially if they are bold enough to proclaim the name of Jesus as Lord of their life. Any person with any degree of intelligence would see through either of these gutter venues immediately.

If you choose to proclaim your faith in Jesus in a public forum like your business, you'll see what happens. I can already hear Bigfranky and others on the attack. Well, six people accepted Christ on Friday of this week alone through the efforts of this marketplace ministry. That is occurring every week – but perhaps the posters don't value that either. If they did they wouldn't be involved in the libelous and slanderous talk that dominates their posts.

"Solomon states in Proverbs, "He who gets wisdom loves his own soul; he who cherishes understanding prospers." He also says, "Plans fail for lack of counsel, but with many advisers they succeed". Those two verses are powerful, yet only a small example of wisdom found in the Word of God – teaching that is more relevant today than ever. Advantage Conferences is a dynamic marketplace ministry that provides ongoing Christ-centered mentoring for entrepreneurs and business owners, as well as training for corporate employees."

I think it is sad that those who constantly attack based on their misguided opinions of our product offering and business model, obviously continue to ignore the reality experienced by hundreds who are actually flourishing due to their participation in the conferences, ongoing mentoring and the business. These are people who are open to change and willing to change. Therein lies the fundamental difference in the poster/defilers – how arrogant to think that dynamic Christian Multi-Millionaires don't have profound lessons from which to be gained.

Re: Advantage Conferences BS (Merged)

Here is a more comprehensive post on the value proposition. When it comes to value, there is little use for debate as if your mind is already convinced that ongoing mentoring is not valuable, than nothing that I share will change your mind.

Many keep referencing the MMC-IV as simply a conference and the president's package is listed below. The bias here and the name of this site and who posts on it tell the story for any discerning individual. There is no sense debating people who already have their minds made up.

I understand that few here understand, nor will recognize the value of this product offering an ongoing mentoring and you can have that opinion. To call it is scam and to level personal attacks on everyone who disagrees with you including hundreds who love the mentoring in their lives is simply ignorant and irresponsible. We won't even get into the legality of such claims on this board.

Re: Yes, this is Jack Weinzierl--part 2

We had a great call this morning. Here are just two of the dozens of emails I received. The good news is you have a lot of folks praying for you. See the post at <http://JackWeinzierl.com>.

From an AC Champion after today's call--

"Before last falls MMC, I came across the website mentioned this morning

and read much of the filth and slander. Days later I was called by a man who said many of the same things about AC. At that moment I had a decision to make. I prayed and asked God who I should believe: a bunch of unnamed cowards hiding behind a false name, or the people I had already started to build a relationship with. People who were open, honest and nothing like those who were on the other side. The answer was easy for me. God does not lead people astray when they are truly seeking his guidance. People lose their own way by not looking to HIM."

From a candidate starting this week--

"I have also read your response to the critics at scam.co. I really admire your courage and faith in how you responded to them. I don't believe a word those critics say. So, I'm telling you blatantly who I am. The attacks are ridiculous and certainly satanic. The attacks reveal much more about the lives of the anonymous posters than they do mine or the others they feel compelled to direct their venom at.

How about this challenge – why don't the hate-filled, cowardly posters reveal their true identities, phone numbers, pictures, addresses and testimonials about their life. They won't – nobody would dare make such ridiculous comments exposing how low they really are. I say to

them - come on out and reveal yourselves. The world is waiting. Perhaps you would like a reporter to do a hatchet job on you to write an already pre-disposed slanderous letter for others to see when they pull up your name.

"Before last falls MMC, I came across the website mentioned this morning and read much of the filth and slander. Days later I was called by a man who said many of the same things about AC. At that moment I had a decision to make. I prayed and asked God who I should believe: a bunch of unnamed cowards hiding behind a false name, or the people I had already started to build a relationship with. People who were open, honest and nothing like those who were on the other side.

The answer was easy for me. God does not lead people astray when they are truly seeking his guidance. People lose their own way by not looking to HIM."

Timmy boy, the goof, insists that God led him to file his frivolous, losing lawsuits. Remember how little Timmy claimed God is in control said AC would prevail. Well, the Better Business Bureau and Dr. Jon Taylor, my comrades, prevailed. So, did God lie or did Timmy lie? Now you tell us God will vindicate you boys and prove us liars.

I live with great joy knowing I have saved countless folks from being scammed out of ten grand +, which is life savings for many and for at least one very gracious rep her home. You aren't honoring the 7th Commandment : You shall not steal!

You, Timmy, and the AC goons are the only liars that have been exposed. I am just certain God called me to expose your scam. Many have been led here to read the words of truth and wisdom from the numerous honorable scambusters that post with me. It appears the dear Lord has taken our side boys! If I were you I wouldn't be so quick to directly quote the promises God makes to you in your psychotic episodes. You are looking mighty foolish!

Does this ring any bells, lads?

Let us remember the words of that litigious lying goon Tim Darnell:

Quote:

We, therefore, are now in the process of litigating against the north Texas chapter (an independent for-profit franchise) on several counts.....

Our case is iron-clad and we are well represented.....

More importantly, God is absolutely in control, and we will prevail (as plaintiffs).....we were left with no other choice than to seek enforcement of our requests via the courtroom.....

We have excellent legal representation and have been excited and committed to continually meeting any and all opposition head-on.

"a man of integrity, when

questioned, allows time to prove him right". And that it will.

You said you knew who I am. So, when are you going to file your losing, groundless suit against me so I can put your depositions and company records online for the public to enjoy? Go for it goons!

Re: Advantage Conferences BS (Merged)

Jack,

You did not answer a one of my questions.

Your attempt to continue to post your website in an attempt to track our IP address is a perfect example of how you are trying to get revenge.

Your Holier Than Thou/ Pat Robertson act is getting old.

Is that all you have to offer as proof of any sort.. testimonials?

Testimonials, can not be proven, can not be validated.. The people giving these testimonials do have monetary gain to benefit from posting these testimonials. So are they unbiased? NO!!!!

I will repost my questions in an effort to get you to answer them!

Quote:

Tim told me that he was a member in good standing with the BBB.---This was untrue!
He told me he would refund my money if I had any problems. No questions asked. --This was untrue!

He told me all the products were federally trademarked.--This was untrue.

Jack, are you telling me that I was NOT lied to?

In your post you make it out to be that WE at scam.com are in the minority here. When in fact, The BBB, The Judge, and The Houston Press also feel the same way we do.

Have you and Tim Darnell been Honest with your reps in regards to the loss of the lawsuit and the details of it?

Could you please post the TRUE earnings statements of the reps so we can learn their success rate?

Why did Tim Darnell make so many changes to his website to cover up all of his deception?

Why did Tim Darnell try to renounce his citizenship in the US?

Why has some of Tim Darnells past business ventures been the subject of Government Action againts them?

Are you telling us that everything in the Houston Press Article is false?

Jack hopefully you will answer my questions with honesty.

Jack, the fact of the matter is, there as been MANY in depth investigations done on Advantage Conferences, by the BBB, Lawyers, Craig Malisow and many others. none of them have revealed anything positive about Advantage Conferences.

Are trying to tell us that the BBB, the Lawyers, the Judge, Craig Malisow and us here at scam.com are all wrong and you, Tim and Advantage Conferences have been mistreated and slandered?

I pray that you will see "the light" of truth and stop your efforts with Advantage Conferences.

I know scam.com has cost you and Tim thousands of dollars as many people have come on here to share their testimonies of how they were almost scamed by you and they prayed for God to help them make the right decision and then they found scam.com.

That confirms that God is showing people the light and helping people to find us here on scam.com.

The reason you did not answer aany of my questions is because you know the TRUTH, The TRUTH is, is that TIM DARNELL lied to me! And you can't accept that as an answer!

Everyone at Advantage Conferences has made Tim Darnell as some sort of IDLE who can do no wrong.

It looks like to me, the only reason you are posting under your own name is so you can sing your own praises. Since you are always so quick to quote Scriptures, here's one for you: Proverbs 8:13 "To fear the Lord is to hate evil; I hate pride and arrogance, evil behavior and perverse speech."

More of your "prosperity gospel". Yes, this is an awesome promise from God. However, it does not only refer to financial prosperity. It is also one of the most often misused verses in the Bible. If you want to get into a "Scripture-quoting" battle, then bring it on. My Bible is my most prized possession and I will not sit back while you quote it out of context and use it to "beat up" those you see as inferior to you.

well said txfan! in one of my previous posts, i mentioned that all Jack knows of the Bible is the "prosperity" scriptures.... very scary. if this is the focus of a particular preacher, that usually means to hold onto your wallet! watch out folks.... this man is very sneaky. be careful... be very very careful!

and you Jack.... you should be careful too! trying to manipulate God's word is something that i wouldnt want to be playing around with! watch out Jack... i have it on good authority that you are being watched by the "big guy upstairs!" if i were you, with the kind of behavior that you have gotten yourself caught up in.... the last thing i would be worrying about is the FBI or jailtime for that matter! may God bless you!

Excellent Post Big Franky.

Indeed Christians need to be more informed on these issues. In recent years scam artists operating through churches have ripped off good Christians for Billions. Anyone one that knows how to use a search engine can find mountains of detail on this subject.

One church, below, has even made it the subject of a Sunday sermon to warn their congregants of these low life 's.

Brandywine Valley Baptist Church
7 Mt. Lebanon Road
Wilmington, DE 19803
302.478.4255

Scams, Scarcity and the Grace of Giving (Luke 16:1-9)

Sermon from April 10, 2005

A pastoral colleague of mine and his wife unwittingly invested their retirement nest egg with a scam artist. They lost everything. He had promised them large returns. He was not a fly-by-night stranger. He had worshiped with them in the same congregation. He went to jail, protesting his innocence, but my friends never saw their money again.

Christianity Today reported this past January that “between 1998 and 2001 at least 80,000 people lost \$2 billion in religious scams” (Christianity Today, “The Fraud Buster,” January 2005, 30). Barry Minkow of San Diego, who went to jail for swindling the investment community out of \$26 million, has become something of a consultant to help people in Christian organizations avoid these scams.....

hey phinnly.... good to hear from you.

wow... that is crazy! there are truly some low-life scum on the face of the earth.... and to prey on someone using their faith against them is absolutely evil! which is why i am so against the AC business and Jack Weinzierl.

i know that many have probably already read the article in the houston press about tim darnell and his evil cronies that exposed this horrible AC business for what it is.... a haven for thieves, pedophiles, ex-convicts, and the like.... it is an absolutely EXCELLENT read and truly eye-opening. it goes into MLM in general, not only the evil history of tim darnell and his past endeavors.

to view the article, i have it set as my homepage in my profile... simply click on my name and

highlight the "view my homepage!" option.... please let us know what you think.

i know that it really isnt a laughing matter at all, but when i read that tim's DAD was one of the "coveted speakers" at this "\$10,000 to attend" conference (the AC "flagship product"....just that statement alone is laughable)...i almost choked and spit coffee all over my imac!

Sorry that my name gives you the willies :) If anyone went through the GSEP and then the order form for Advantage Conferences, they would see our various products.

I will not engage in any conversation with SBM, Big Franky and the others who have attacked those who I care deeply about. They may not be ignorant, but their actions are reprehensible.

A large number of our attendees are leveraging what they learn in their already existing businesses and practices. I would have paid \$50,000+ for what I have received to date from the 4 conferences I have attended and the ongoing mentoring.

Jacko,

Your friend Tim Darnell needs to put his Psych degree to work and educate you about a few things, my boy.

"They may not be ignorant," you say. So, we scambusters are intelligent, and may I add scruplous and certainly not bereft of facts as you are. Think your statement might be a shining example of a Freudian slip?

Our actions are reprehensible in your eyes only. It must be infuriating to be called on your lies and misrepresentations and watch the scam you thought would make you millions blowing up in your face. Did you, Jacko, sign up to make a cool million your first year, scammer? I am so glad I threw a monkey wrench in that!

Care to give us some examples of retail sales? Why not give us some proof of attendees who have real businesses that have benefitted from what was presented at a conference? The only business your reps are pushing are the bogus conferences. A conference ticket is really nothing more than buying the opportunity to sell more tickets as your unhappy reps and the BBB have

documented. No retail sales = pyramid scheme!

Re: Advantage Conferences BS (Merged)

I was checking out Tim Darnells church Cottonwood Creek Baptist Churchs website www.cottonwoodcreek.org and I noticed they had a business directory. The Directory is there for those companies that wish to donate a portion of their sales to the Church.

Guess which company is NOT on the directory...???? You guess it.. Advantage Conferences is NOT there!

Do you think those at his own church would not let him on his own church's website business directory? Hmmm... Who knows..

That would be great if Tim Darnell could get his business on there. That would be FREE advertising! I wonder why Tim has not thought of this..??

i have a couple of possibilities.... maybe because he doesnt want to donate into the church by

giving a % of sales, maybe the company is making no money (a very realistic possibility), but my guess is that he doesn't want anyone to be able to have access to the financials of the company which would not allow him to participate in a program like that.

if there wasn't something to hide, he wouldn't care, but why would he want to advertise his books to the church if he didn't have to.... what a rat.

SBM, I will not even quote your ignorant posts as they do not deserve any more air time. We had two hours of testimonials where many shared testimonials what the mentoring products have done for their lives and businesses. You are not ignorant, but your posts are.

I have a business and ministry to build. BTW, from what I can tell I have 8 new subscribers to our Marketplace Ministry Blog at <http://JackWeinzierl.com>. Truth and light always win.

"For the eyes of the Lord are on the righteous and his ears are attentive to their prayer, but the face of the Lord is against those who do evil. Who is going to harm you if you are eager to do good? But even if you should suffer for what is right, you are blessed. Do not fear what they fear; do not be frightened. But in your hearts set apart Christ as Lord. Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect, keeping a clear conscience so that those who speak maliciously against your good behavior in Christ may be ashamed of their slander. It is better, if it is God's will, to suffer for doing good than for doing evil." I Peter 3: 12 - 17

Let me first say I don't know who SBM or BigFranky are.

I am not here to bash you or the company, I just would like to know the details.

I went on your website to see what your business is.

Is the business selling motivational materials, conferences, etc. to help people in their own business?

What is the business?

On your website you say you made \$700,000+ in two years with AC, what does that figure entail? Money earned from selling materials and recruiting people for conferences?

In some of your posts you acknowledge that people need mentoring and that the Bible is more applicable today than ever.

If you believe in what the Bible says, then surely you must believe that the Bible is the only book people really need.

Jesus said: "For whosoever will save his life shall lose it: and whosoever will lose his life for my sake shall find it."

The only motivation and mentoring people really need is found in the Bible and through the leading of the Holy Spirit.

The 'greatest networker' as quoted on your site, doesn't require you to pay \$10k to be a Christian, the only thing God requires

is that people accept his free gift of salvation - Jesus Christ.

Please explain how your company is different, I am open to your response.

hi Jack,

i appreciate your concern.... but please.... do worry about yourself. you should have your hands full there. i'm good. thanks.

dont you know to even question someone elses faith is considered un-Christian? dont act as if you know my heart.

i certainly have a conscience... which is why i left the MLM industry after many years and earning a "respectable" income with it. i feel compelled to help others steer clear of a snake-oil salesman that peddles unrealistic expectations to people that unknowingly get caught up in the salespitch whirlwind and high pressure tactics that AC is known for. shame on you.

Jack, are you telling me that I was NOT lied to?

In your post you make it out to be that WE at scam.com are in the minority here. When in fact, The BBB, The Judge, and The Houston Press also feel the same way we do.

Have you and Tim Darnell been Honest with your reps in regards to the loss of the lawsuit and the details of it?

Could you please post the TRUE earnings statements of the reps so we can learn their success rate?

Why did Tim Darnell make so many changes to his website to cover up all of his deception?

Why did Tim Darnell try to renounce his citizenship in the US?

Why has some of Tim Darnells past business ventures been the subject of Government Action againts them?

Are you telling us that everything in the Houston Press Article is false?

Jack hopefully you will answer my questions with honesty.

Jack, the fact of the matter is, there as been MANY in depth investigations done on Advantage Conferences, by the BBB, Lawyers, Craig Malisow and many others. none of them have revealed anything positive about Advantage Conferences.

Are trying to tell us that the BBB, the Lawyers, the Judge, Craig Malisow and us here at scam.com are all wrong and you, Tim and Advantage Conferences have been mistreated and slandered?

I pray that you will see "the light" of truth and stop your efforts with Advantage Conferences.

I know scam.com has cost you and Tim thousands of dollars as many people have come on here to share their testimonies of how they were almost scamed by you and they prayed for God to help them make the right decision and then they found scam.com.

That confirms that God is showing people the light and helping people to find us here on scam.com.

Turns out Tim Registered Advantage Conferences as a federal trademark in July 2006 months 8 or so months after he had the federal trademark logos posted all over his website saying that his products were in fact trademarked.

I was also amazed to see he did register the name Reverse Margin back in 2003.. I found this weird..

I would like to take a crack at the fine points you made. Advantage Conferences was trademarked because Timmy boy had no alternative. The Better Business Bureau and the scambusters here had called him on his lies and misrepresentations on his webpages. Tim Darnell claims it was first used in June 2003. That would be right around the time All-Star Entrepreneur began to founder like the Titanic.

The Reverse Margin was used for his All-Star Entrepreneur business and he claims first use in early 1999. Which means he registered it in his own name and used it even before All-Star was up and running. Also note how many catch phrases he brought to AC with him.

Quote:

COMPENSATION STRUCTURE

The All-Star Compensation Plan is simple, yet very powerful. All-Star has chosen the Ingenious **Reverse Margin™** Business Model for several reasons:

One-Time Qualification: To become an F101 Mentor and/or M101 Mentor, you must make three sales, of which one can be your own product purchase. During your training process, the profit from your first two training sales will be split equally between you and your Mentor. Your goal is to become a Mentor as quickly as possible; here you make the total profit from any direct sales you now make of the F101 and/or the M101. This Mentor status is lifetime as long as simple Mentor requirements are observed.

Profit Paid Bi-Monthly: Customers make payments for products to All-Star Entrepreneur for the full retail amount, and commissions are paid to Enrollers and Mentors bi-monthly. (Payment dates are the 15th and the 30th of each month.)

No Inventory Required: Products are shipped directly to customers from the All-Star Fulfillment Center, and Mentors are not required to inventory product.

50% to 67% Profit Margins: **The Reverse Margin™** concept allocates 100% of the profit on each direct sale to a Mentor, and 50% of the profit on each training sale to a Mentor and to an

Enroller respectively.

Number of Associates: The All-Star Entrepreneur Reverse Margin™ concept can create a significant income by introducing only a few qualified people to the business, unlike Multi-Level Marketing, which requires an individual to enroll hundreds and thousands of distributors in order to create a similar income.

Tim Darnell claims the Millionaire Mindset Conference logo was first used in commerce in January 2005---an outright lie as it was used by All-Star Entrepreneur which was founded by Tim Darnell in Sept. 2001.
