Re: **Banners Broker**

Somebody's gonna get banned if she's not careful.

Abigale posted

I am really hoping that there are people on this forum who can tell us that they are or know of people who are advertisers with **Banners Broker** and are doing well with their advertising. I know we all get impressions with our accounts and that's not what I'm talking about. I'm talking about the people who buy tons of **banner** advertizing with **Banners Broker** and thus fund BB and so fund our accounts.

I have seen plenty of mentions on this forum of people running their own advertizing but that's not really what I'm talking about. I'm talking about the people/sites that are are apparently paying for advertising with BB and thus make it possible for us to withdraw money from our accounts.

(Not necessarily people making big spends, though that would be good to know, but people/sites who are JUST advertising and are happy with the result).
Conversely, I'd love to know of some more sites that are on the Blind network. I know of this site (though **banners** are temporarily turned off) and <http://profitsrgood.com>. I'd really like to know of a bunch of other sites as well, if people know of them. There are apparently 200,000 so I'm thinking we could get a list of 50 - 100 together between us?
I'd really appreciate as much info as possible!
Thanks.

Re: **Banners Broker**

So did I read that right - if you buy two or more traffic packs per month you automatically become a premium member?

Is that a "complimentary" upgrade, or do they actually charge you \$100 per month for that?
