

PayPal Booster Professional

by George Cena

(This is a screenshot of my Paypal Balance...yes, this is a lot of cash!)

If You're tired of Earning 0.01 per click from PTC Sites, and you want to earn some substantial money from PTC Sites, then keep reading, because you're about to discover the system that makes me \$250+ a day...

Congratulations on getting your hands on this ebook. I want to show you the system that got me **\$18,354.97** in my Paypal account in no time at all. This system is called the Paypal Booster. Here is a screenshot of my Paypal account below.

The screenshot shows a web browser window with the URL `paypal.com/ro/cgi-bin/webscr?cmd=_account&nav=`. The browser's address bar shows "Căutați" and "Go". The page displays the PayPal logo and a navigation menu with options: "My Account", "Send Payment", "Request Money", "Merchant Services", and "Products & Services". Below the navigation menu, there are links for "Overview", "Add Funds", "Withdraw", "History", "Resolution Center", and "Profile". The main content area shows a welcome message for "Gheorghe Cena" and account details: "Account Type: Premier Upgrade", "Status: Verified", and "Account Limits: View Limits". The primary balance is displayed as "PayPal balance: \$18,354.97 USD" with a "Currency converter" link. Below this, it shows "Available balance in USD (primary): \$18,354.97 USD" and "Total balance (all currencies, available and pending) converted to USD: \$18,354.97 USD" with a "Hide" link. A table summarizes the balance by currency:

Currency	Total
USD (Primary)	\$18,354.97 USD
EUR	€0.00 EUR
GBP	£0.00 GBP

Anyone can use this system to get the same results for themselves. You too can duplicate this system if you follow the step by step instructions outlined in the **Paypal Booster**. I have made over **\$250 in one day** by using this system.

This is **not** a scam, the proof is below:
