Advantage CONFERENCES

The Numbers Don't Lie!

**Tester, Make One
Sale a Day...**

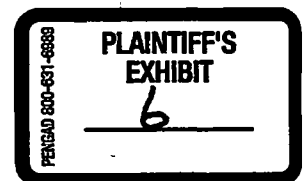

**...Take Saturday & Sundays Off
In 28 Weeks You are a *Cash Millionaire!***

But let's explore that a little farther. Even though you could, *you actually don't have to make those sales yourself*, and yet you'll still be the recipient of our giant **\$7,000.00 commissions OVER and OVER and OVER** again by virtue of your "decisive" maneuvers now.

So, what if I explained to you...

YOU might only want to personally make
FIVE of those **SALES** with our help
OVER THE NEXT 28 WEEKS!

You'll still make over 7 digits!

(6)

Let's break this down – follow along (this will get exciting!):

Your first two sales are Referral Sales.

Every sale from then on pays you \$7,000.00!
Your third sale pays you \$7,000.00.
Your fourth sale pays you \$7,000.00.
Your Fifth sale pays you \$7,000.00.
You've made \$21,000.00 – not bad.

Now the Genius of the System Kicks in!!!

The Miraculous Power of "2"!

Now, your 3rd, 4th, and 5th sales bring you **TWO** referral sales each – a total of six sales - all your profit!

That's good for another **\$42,000.00** (6 x \$7,000.00)
Those six become 12 more – a cool **\$84,000.00**
Twelve become 24 – tack on an extra **\$168,000.00**
24 become 48 – walk into your bank with an eye-popping **\$336,000.00**
DEPOSIT!!! See if your teller doesn't nervously call for the manager!
But you can't stop the growth - 48 become 96 – THIS COULD GET
EXCITING! 96 x 7 = **\$672,000.00**

OK, this is even more than the million
we talked about. It is a whopping

\$1,323,000 in Your Bank Account!

This model is based on you enrolling 5 ONLY and letting the "Power of Two" kick in and produce life-changing cash flow into your household!

**What would the numbers look like if You Slip Up
and Personally Enroll 20 or 30?
The answer is nothing short of SCARY!!!
...But the Numbers Don't Lie!**

**If you get busy
and really get the word out,
You'll take care of your children's
and your grandchildren's financial needs**

for good all in a **MATTER OF A FEW MONTHS!**

Here's what's crazy - this is not even taking into consideration THE MATRIX MONEY! We'll do some calculations on that in a different document, but you can see that this plan is super lucrative already, to say the least! It is by anybody's objective analysis the very best compensation model on the planet.

But Mr. Darnell, it all sounds too good to be true. Something's got to be wrong. This just can't work!

In a world of skepticism and d-o-u-b-t (the single most destructive word in the English language), the fact is:

Sometimes Things are *Good & True* at the Same Time!

The only thing that may not work is, guess what --- you !

This business model **works incredibly well**, there is no question about it, and in fact virtually the entire process is totally automated for you. We are purposely and by careful design positioned to create literally dozens and hundreds of millionaires. Making millionaires is what we are all about – it is literally the name of our product – the **Millionaire Mindset Conference**, and the very essence and reason for our existence – to deliver a world-class product, and in the process - **CREATE MANY, MANY MILLIONAIRES!**

The question is: are you going to be one these new millionaires, or are you going to go back to the income you've made in the past? And are you satisfied with the past and your current lifestyle? If you are, great. Thanks for reading this letter. But I would also be the first to point out that, if you've read this far, then you are probably more than a little intrigued by what our great company has to offer in terms of short and long term benefits.

If you are looking for a change – A MAJOR CHANGE in an incredibly lucrative concept and supportive environment, then you will want to carefully review our information, gather your courage, and take action quickly. Timing is of great importance! The sooner you get started, the sooner you will begin bringing in \$7,000.00 Over and Over and Over again!

Your Next Step – If you have not received our Getting Started E-Package yet, then be sure to get this simple 10 page document now. You can quickly download it at:

Getting Started Info

Everything you need is in this document. I encourage you to get positioned as quickly as you physically and possibly can. You have absolutely nothing to lose and everything to gain – not just making great money, but achieving total **FINANCIAL INDEPENDENCE!**

We call the Federal Express vehicle, "The Happy Truck", and I think you can see why. Imagine being taught a system designed for you to experience the thrill of having the Happy Truck pull up to your house or apartment **OVER and OVER AGAIN** delivering **\$7,000.00** checks!

Introducing...

THE

\$7,000.00

In

Your Bank Account

Over and Over Again

Strategy...

Could that kind of income get you excited? The first time that check comes in, you will be hooked. You'll never be able to look at another way of making income. Once you 'get' the Millionaire Mindset Conference Income Producing System, everything else is too involved, boring, or just not profitable enough!

You may have made that kind of cash before. You may do it all the time. But, whether you do or not, if you would like to have a dynamic, automated method that is legitimate, ethical, and effective at bringing strong cash flow in on a consistent regular basis, then you will want to understand and implement a simple process known as the Millionaire Mindset Conference Income Producing System! This System is designed to make you serious money – ethically, legally, professionally and absolutely uniquely!

Four Simple Essentials In Place for You

1. A Legitimate, Extremely Valuable Product that pays a whopping **\$7,000.00** Commission on every transaction!
2. A company that supplied and orchestrates all aspects of the Millionaire Mindset Conference Income Producing System *and* is

willing to pay you a higher commission on each transaction (Reverse Margin™) than received by the Company. In other words, *your commission is higher than the wholesale amount taken in by the Company!*

3. An "A to Z" Marketing Method, called the Millionaire Mindset Conference Income Producing System that locates thousands of income opportunity seekers for you inexpensively and quickly, and then delivers a concise communication that identifies those of like mind a purpose!
4. Closing Calls and Three Ways for your prospects by the professional at Advantage Conferences that finalizes each transaction!

You Provide.....

- Absolute **Belief** in the Process – “doubters”, “skeptics”, need not apply
- Commitment to **Follow Simple Instructions**
- **Resourcefulness** to get your business started

Hi, my name is Tim Darnell and I have an observation. If I can show you a simple and easy method for creating significant cash flow (**\$7,000.00** a month, a week, and eventually every few days and more), could you get excited about that kind of income and what it could do for your life? How many times would you like to have that happen for you? I would assume you would like to see those kinds of checks as often as possible!

YOUR Economic Situation is ONLY One That Really Matters!

Even if you were a multi-millionaire, I think you would agree that a

\$7,000.00 check arriving at your doorstep tomorrow, would be exciting for your personal economic situation. Your wife or your husband – heck, your entire family – would all think you were a genius wouldn't they? But when the Happy Truck begins visiting your house on a regular basis, your friends and neighbors are going to want to know what you are doing and how *they* can start getting the same results!

How Most People React to Opportunity

Most people have a rush of excitement when they think about the possibility of having a **\$7,000.00** check in their name come to their house. *But due to Negative Programming* that many people experience from an early age, they quickly *dismiss* legitimate concepts and opportunity as "too good to be true".

That assessment would, unfortunately, be a **MAJOR MISTAKE**. It would be absolutely wrong! And the worst part of making that mistake would be the loss of a life-changing income stream in your own business! And so I urge you take the time to review Advantage Conference's Millionaire Mindset Conference Income Producing System with a fine tooth comb. Having been in the conference production industry in one phase or another for the past twenty years, I can tell you that this particular concept is the best the market place has ever witnessed!

What this is not:

- **Home Party Plan**
- **Work your buns off for \$200.00 / month or less**
- **Envelope stuffing**

- Medical billing
- A pyramid or "airplane" money game
- A chain letter
- A binary
- Off-shore investment scheme
- A host of goofy, embarrassing, "hair-brained" schemes

What this is:

- Simple and Professional
- Genuine Potential for Immediate and Long-term Cash Flow
- Seamless Marketing Process
- Solid Company in Business since 1998 whose Principal has been involved in some aspect of Conference production for 20 plus years
- Sophisticated Internet, Radio, and Direct Mail Lead Generation
- Daily, Hands-on Mentoring
- Ability to Make Tens of Thousands of Dollars QUICKLY
- Ability to Make \$7,000.00 plus – Over & Over Again
- Part Time or Full Time
- Genuine Emphasis on Integrity
- Long Term Career Opportunity
- Educational – Multiple Skills taught that will transfer to many other business scenarios
- No Previous Experience Required
- Transactions are Quick – Not Drawn Out
- Sales Closed by Professionals at Advantage Conferences

Who this is for:

- People New to Business
- Professional Entrepreneurs / Business People
- Professionals looking for a Career Change
- Employees Tired of Corporate Politics / Instability of the

Job Market

- **Seniors Interested in Additional Income**
- **Anyone Desiring to Work from Home**
- **Achievement Minded Entrepreneurs**

Bottom Line

The Millionaire Mindset Conference Income Producing System is professionally designed and formulated to dramatically improve Your Financial Situation.....It is, without a doubt one of the strongest, if not THE strongest income opportunity in America today.

If you are comfortable with your current financial and professional life and not really totally committed to making a positive change in your life, then thanks for reading to this point. But be very clear about this – the window of opportunity here is relatively small. Once many others became aware of this opportunity, your ability to capitalize may not be as strong as it is right now.

My suggestion to you is this:

1. **TAKE ACTION**
2. **MAKE A POSITIVE DECISION TO MOVE FORWARD NOW!**

If you don't make a move now, YOU KNOW you will *never* make a move. And only someone who dares to initiate forward motion *ever* sees the increased freedom and income that I believe you really want AND DESERVE to have.

You must act now. The odds of your ever having this kind of opportunity presented to you again are quite low. If you are motivated, you will take initiative now.

Not so motivated, fearful? You won't act and won't be part of this powerful business concept. We would not be compatible anyway.

Yes, Mr. Darnell, I would like to know more about being part of Advantage Conferences and the Millionaire Mindset Conference Income Producing System that provides **\$7,000.00** commissions with each transaction! I understand that I am responsible for finding start-up capital on my own.

Advantage CONFERENCES

Tester, I'm about to share with you at no charge...

The Single Most Important Asset You Can Possess for Business Success - Period

About five years ago I set out on a mission to develop a Company that offered a simple, doable income opportunity with which ANYBODY could find success. It has distressed me for years to realize that all the income opportunities out there have one thing in common - MOST PEOPLE DON'T MAKE ANY MONEY!

This Week's Upcoming \$7,000.00 Call Registration - Click Here

Is it easy to create a program that provides solutions to the myriad problems inherent to those multi-million dollar companies? No, but it was and is a task I have been called to accomplish. From day one I could sense we were on to something very, very big, and for the bulk of that time I was missing only a few essential ingredients.

By December of 2004, the final ingredients had fallen into place. After years of determined struggle, I knew, without any question of a d-o-u-b-t that God had graciously allowed me to solve the mystery. On January 1st of 2005, the Advantage Conferences business model - the most unique concept to ever be invented - was finally in place. Was I relieved to get out of the formation stage and into the launch phase? Yes, indeed! But the purpose of this message is to share one of the magnificent discoveries amidst this success journey - something I discovered for myself, and the one asset that will enable you to conquer any quest in

your life you endeavor to conquer.

Tester, you don't have to become a Rep with my Company in order for me to give you free of charge the greatest secret I could ever give to anybody, a revelation that has become extremely dear and clear to me. You can take this one concept to the bank, my friend, and you will know what it is upon reading this letter. To relate it to the business I eat, drink, breathe, and live - this single ingredient is the single difference in whether a person fails or **MAKES A FORTUNE!**

If you know, REALLY KNOW, this one thing, you'll know more than virtually any other business person out there, and certainly more than what the masses know. Truly successful people all have this one intrinsic commodity and know it to be crucially essential. When I mention it to them, they nod as if we were the only two people in the world who share this knowledge, and they are not far from being exactly right, for the fact that most people never, ever use it.

This asset is so rare; and yet, you personally can obtain it as quickly as the next few moments and keep it for the rest of your life.

Plain and Simple - This One Secret Will Make You Wealthy

As sure as I'm communicating with you right now, this secret will make you rich beyond your fondest desires.

This Week's Upcoming \$7,000.00 Call Registration – Click Here

It will make you so much money that your kids won't ever worry about their finances – seriously, even your grandkids won't worry about money! So, what is it, Tim?

- **A Charismatic Personality?** Nope - not everybody wanting to "hit a homerun" in their financial life has a naturally charismatic personality. In fact, in our business, it can actually work against you – you see, it is critical that everything you do in our business is duplicatable by everyone. Charisma is great, but it is **not** duplicatable.
- **A Successful Sales Background?** Nope - most people who are serious about making three, four or ten times the amount of money they are making now, and actually accomplish that with me DON'T have a successful sales or business background.
- **Marketing Experience?** Very few individuals who make \$21,000.00 or \$35,000.00 a month or more have professional marketing experience at all. Even a degree in marketing seldom translates into even average marketing success. I am fortunate to 'hang' with many wildly successful people, and have many extremely successful Reps in our Company - and none of them ever mentions a marketing degree or past experience as a factor in their success.

So...

Assuming you've found the right business vehicle that has a product that is totally unique, and performs well beyond its price point (in our case, how about "zero" refund requests in five years!)... A **unique and powerful product** is critically essential.

And...

Once you've thoroughly dissected multiple compensation models, you can begin to genuinely understand the difference between a Multi-level program (in my opinion a completely unrealistic undertaking unless you have two years to build your business WITHOUT getting paid)

Versus a Reverse Margin™ compensation model (accomplish the big, life-changing commissions with a handful of transactions without having to recruit a small continent of people), then you will have established a basis of comparison and understanding to choose a pay plan that is realistically the best paying plan and is "doable" for the common person.

And...

Once you've found a concept that matches your spiritual beliefs – if you are a secular person, you won't have to search far, since the vast majority of opportunities out there never truly acknowledge God and certainly not Jesus Christ.

Versus finding a Company that boldly and genuinely operates and acknowledges every day that God is in control...

This Week's Upcoming \$7,000.00 Call Registration – Click Here

In Summary...

- You've got to find the right Company that offers a life-changing, highly valuable **Product**.
- You've got to find the right Company that offers the most powerful **Comp Plan** that pays better than all the others.
- And you've got to find the right Company that provides an environment that is **the Appropriate Fit for your Spiritual Convictions...**

**Then All You Have to Do is Add
the Special, Rare Ingredient I've been Alluding to...
AND YOU WILL HAVE SUCCESS –
FANTASTIC SUCCESS!**

Tester, here it is –
That One, Super-Potent Ingredient I've been Talking About...

**SUSTAINED
UNWAVERING
BELIEF !**

* * * * *

I want you to simply stop and think about these three powerful words. Have you ever implemented these words as the standard for and the foundation of any of your past projects or endeavors? How about as regards your faith in Jesus Christ – could it be characterized as **Sustained Unwavering Belief (SUB)**?

How about your business? You could implement SUB with other business models that pay a tenth of what is offered at Advantage Conferences – but would that be wise?

When you commit to building an Advantage Conferences business and then introduce these three words as your personal, persistent guiding “mantra” here, you will eventually make **MORE MONEY IN A MONTH** than you used to make in a year – and on an **ONGOING BASIS!**

Can you commit to SUB? Can you make these three powerful words your guideline – the foundation for your ‘modus operandi’? Frankly, I don’t want or need a single Rep who is not capable of implementing SUB – one who has purposed to approach their enterprise with **SUSTAINED UNWAVERING BELIEF.**

This Week’s Upcoming \$7,000.00 Call Registration – Click Here

If you are the kind of person who won’t listen to negative voices - both those from 1. people who want to tear down your enterprise, your future, your success, your abilities, your product, etc., or from 2. the voice of d-o-u-b-t that can emerge in your head from time to time – then you can absolutely change your life in dramatic positive fashion!

If you are the kind of person who is capable of **Sustained Unwavering Belief (SUB)** then you are the person who will make something powerful and rewarding out of your life. You will be a great contributor to your community and society at large. You will be a ‘one of a kind’, a very rare breed - set apart from the masses, because the masses can’t and won’t commit to **Sustained Unwavering Belief.**

They may give a half-hearted, minimal, inconsistent effort, but because the power of SUB is rarely mentioned, recognized, modeled or taught, most will simply never embrace the reward of this amazing concept. SUB is the asset that distinguishes extremely successful people from those who simply pass through life in mediocre fashion. Commitment to **Sustained Unwavering Belief** is the one trait that can truly elevate the common person into rarified air that few ever experience – **True Long-term, Dizzying Success.**

Would you be willing to commit to this idea? – **Sustained Unwavering Belief?**

Tester, if you are that person – and by the way, I expect very few to have even read this far in this message, and even fewer to make the commitment I’m describing...

BUT IF YOU ARE THAT ONE PERSON

**THEN YOU DESERVE TO EXPERIENCE A NEW
REALITY
THAT WILL REWARD YOU**

AND YOUR FAMILY LIKE NO OTHER OPTION IN EXISTENCE

Sustained Unwavering Belief: a rare and extremely powerful talent – an exceedingly rare trait.

It is your personal choice and decision to embrace "SUB" into your life. And when you do you will be well on your way toward the Monster Success you've dreamed of...

Have in Common?

Answer: Both Require CLARITY Through Ample Information!

For example, somebody told you that you could be earning **\$7,000.00 over and over and over again**, but you passed on the opportunity because you just couldn't understand how that could work. And instead of hearing all the facts, you dismissed the idea as 'too good to be true'.

BUT WHAT IF IT ABSOLUTELY WAS TRUE?

WHAT IF YOU REALLY COULD MAKE THAT KIND OF MONEY?

That's why we spend a great deal of time with each of our Rep Candidates in getting them all the information they need to understand that this \$7,000.00 Income Producing System is indeed a genuine reality!

When a candidate, like yourself, receives ample information, the light bulbs come on! That is when they can get excited, get started, and most

importantly start collecting **Major Monetary Rewards** from the **Best Income Strategy in America Today!**

We want you to have clarity about this powerful opportunity, because when you "get it", you will act!

A Confused Mind Doesn't Act...

***An Informed Mind Moves Decisively
Forward Into the
Land of Profits!***

Step One: If you've not done so yet, access the MMCIPS information by filling out the MMCIPS Info Interest Form at this link:

[Click Here for Interest Form](#)

You will begin receiving information that will fully inform you about the ***Jaw Dropping Secrets of the MMCIPS!***

NOTE: NOTHING HAPPENS UNTIL YOU FILL OUT THE INTEREST FORM. You must get the information in order to comprehend how to make the big checks come to you! If you haven't pulled up the Interest Form, now is the time to do so.

If you have already received the 15 page **Getting Started E-Package** that comes to you once you've filled out the Interest Form, you will next want to listen to Advantage Conferences President, Tim Darnell, explain AC's truly ingenious compensation plan through the web-accessible flash presentation. What is **Reverse Margin™** and how can it be such a profitable financial vehicle compared to everything else out there? Link:

Step 2: Now, once you've absorbed these two items, we invite you to attend **the next Tuesday or Thursday evening, or Saturday afternoon \$7,000.00 Call!** This call is designed to truly put the pieces of the puzzle together for you.

You should really be catching the vision by now, but you're probably still unsure as to whether or not this can really happen for you. You may wonder if others will actually join you in your venture. The bottom line is that when you become convinced through the "no hype" facts and information on the \$7,000 Call, then you'll be ready to get started! These are all very common thoughts from people just like you - so it is important that we talk about the issues and the reality of **\$7,000.00 over and over and over again** happening for you.

Advantage CONFERENCES

Tester,

If someone were to ask about your current and future financial situation, would you tell them,

**"I've been Introduced to a Uniquely Powerful
Marketing System
that Genuinely, Legally, and Ethically Creates
\$7,000.00 Over & Over & Over Again!"**

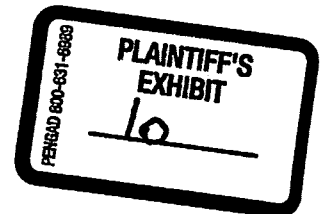

(Because that is exactly what we have placed in your lap!)

Now you can choose one of two paths about what you'll say after that,

"AND" or "BUT"

AND...

1. AND I have absolutely no doubt that this will work for me. This amazing concept makes total sense and is already working for many others. The only thing I have to do is get the message out to others who want to make this same kind of LIFE CHANGING INCOME like I am! The Company trainers are teaching me an amazingly simple method to easily get the message out to thousands of people that anyone can do

effectively and inexpensively. I AM MORE EXCITED THAN I HAVE EVER BEEN ABOUT THIS THAN ANYTHING I'VE EVER SEEN BEFORE!!!

Or

BUT...

2. BUT I really am skeptical and can't see myself improving my life financially, so I've chosen to ignore the information and just keep on experiencing the "same old, same old." It's probably a scam, anyway. (You've really got to include that last part to make yourself feel better.)

Click here: **[\\$7,000.00 Call Registration](#)**

You are the one who asked for information, we have attempted to give it to you, and yet, for some reason (usually fear and skepticism), you have chosen to not get all the facts. Refusing to improve your financial picture is your choice and prerogative, but what an absolute shame... what a terrible loss due to an opportunity **not** taken.

This message is to simply ask you to make a decision -

Either,

**THROW
\$7,000 CHECKS OVER & OVER AGAIN
ALL AWAY**

Or simply,

ATTEND THE CALL

**I also need to Review the Compensation
Presentation again!**

Advantage CONFERENCES

Considering Advantage Conferences for Extra Money?

Here are a Few Things You'll Want to
Know About This Opportunity...

One of the first things you should know about Advantage Conferences and the **Millionaire Mindset Conference Income Producing System** (MMCIPS) is that this program is **Simple**, designed for **Beginners**. You don't have to be a sophisticated business person, have a marketing degree or even a sales background. We teach you all you need to know to begin making what can only be described as **Life-Changing Income!** As you get started, you will be mentored and taught simple lessons that will help you think and act in ways that will create significant wealth especially regarding the following subjects - we call **The Three M's**:

Mindset - It is important to learn how to **THINK** like a Successful Person in order to **BE** a Successful Person! Most people start their enterprise with "employee" thinking. Here, you will learn to gradually transform "past" ways of thinking into highly productive "entrepreneurial" thinking!

Marketing - In your first week's training, we teach you the basic mechanics of how to inexpensively attract

Thousands of People to your business on a regular basis. These are people who want your product and have proactively responded to your offer! You will literally become a professional marketer in a matter of weeks "C lessons you can use to make \$7,000.00 Over & Over Again!

These methods work extremely well for ANYBODY regardless of educational background, looks, speaking ability, ethnic origin, etc. In other words, it is a "**System**" that works regardless of who you are! All you have to do is learn how to activate it, which is the subject of our ongoing training!

■ Money -

Most people have mixed-up and even detrimental ideas about money. Why is that? Because they were taught wrong ideas from well intentioned, but "broke" people. Why not learn lessons about the subject of money from highly successful entrepreneurs and multi-millionaires? These lessons will help you not only "**Make**" money, but they will also ensure your ability to "**Keep**" your money, and "**Grow**" your portfolio!

Automated Home Based Internet Business

No commute is necessary for this enterprise! You work from the comfort of your own home. Once you have established your business as instructed, you will never have to worry about money, cash flow, or income again. The entire process is truly easy to understand, and at the same time very exciting!

Compensation Plan is Rep Friendly!

This is a Major Advantage for You! Most compensation plans are designed for the Company to make the lion's share, leaving Reps to make teeny percentages. NOT SO HERE! Here you make **100% of 50% - 70%** of the gross revenues. Don't disregard the importance of that last sentence. This is a major difference and means you can bring in a small amount of business and make more than anybody else in any other company!

Team Support!

You will have friendly, professional support from other Reps who are

pulling for your success and will help you on a daily basis. Each time one of our Reps gets paid, everybody gets excited! The testimonials are growing - why not make your story be one that inspires others to gain their independence!

Your Next Step...

You are invited to attend our next **\$7,000.00 Call**. We don't hand the number to this call out to just anyone. We don't post it publicly. Only those who have made it this far in our information process are invited to be in on this exciting call. On this call you will listen to Founder and President of Advantage Conferences, Tim Darnell explain the benefits of the MMCIPS for YOU! He will also explain what it is we do on a daily basis to actually earn **\$7,000.00 Over & Over & Over Again**. We look forward to having you on the **\$7,000.00 Call!**
